Lost Message Of Jesus:

The Lost Message of Jesus Steve Chalke, Alan Mann, 2004 The real Jesus is deeply challenging something which cannot be said for the stain glass window figure of Christian imagery The Lost Message of Jesus is written to stir thoughtful debate to pose fresh questions perhaps even to shed a little new light and help create a deeper understanding of Jesus and his message

Jesus Mark F. Traupman, 2006-09 **The Lost Religion of Jesus** Keith Akers, 2000-11-01 Jesus preaching was first and foremost about simple living pacifism and vegetarianism he never intended to create a new religion separate from Judaism Moreover Jesus radical Jewish ethics rather than a new theology distinguished him and his followers from other Jews It was the earliest followers of Jesus the Jewish Christians who understood Jesus better than any of the gentile Christian groups which are the spiritual ancestors of modern Protestant Catholic and Orthodox churches In this detailed and accessible study Keith Akers uncovers the history of Jewish Christianity from its origins in the Essenes and John the Baptist through Jesus until its disappearance into Islamic mysticism sometime in the seventh or eighth century Akers argues that only by really understanding this mysterious and much misunderstood strand of early Christianity can we get to the heart of the radical message of Jesus of Nazareth

The Lost Teachings of Jesus Mark L. Prophet, Elizabeth Clare Prophet, 1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries

Restoring Lost Truths Donald Werner, 2016-02-29 The Book of the Revelation tells us that Satan deceives the whole world and causes them to wonder after the Beast follow his teachings and that s happening today What are those teachings that have deceived the whole world Surprising enough those false teachings are coming from within the church which left its Apostolic Hebrew Roots This Book will shock amaze and bless you It will reveal to you critical Biblical truths that were lost or perverted over the centuries These lost truths have caused some of the churches core doctrines to no longer be in harmony with the Scriptures Those that are deceived by the false teachings revealed in this book are unknowingly on the Broad Way leading to destruction they have accepted a false God and a false Gospel What is revealed in the book is staggering you will wonder how could this happen Then you will ask yourself Could I be deceived This book will challenge your beliefs and your understanding of God

Pierced for Our Transgressions Steve Jeffery, Michael Ovey, Andrew Sach, 2007-10-23 The belief that Jesus died for us suffering the wrath of his own Father in our place has been the wellspring of hope for countless Christians through the ages However with an increasing number of theologians church leaders and even popular Christian books and magazines questioning this doctrine which naysayers have described as a form of cosmic child abuse a fresh articulation and affirmation of penal substitution is needed And Jeffery Ovey and Sach have responded here with clear exposition and analysis They make the case not only that the doctrine is clearly taught in Scripture but that it

has an impeccable pedigree and a central place in Christian theology and that its neglect has serious consequences The authors also systematically analyze over twenty specific objections that have been brought against penal substitution and charitably but firmly offer a defining declaration of the doctrine of the cross for any concerned reader **“To Recover What Has Been Lost”: Essays on Eschatology, Intertextuality, and Reception History in Honor of Dale C. Allison Jr.** Tucker Ferda, Daniel Frayer-Griggs, Nathan C. Johnson, 2020-11-30 Over the course of his career Dale Allison has enriched our understanding of Jewish and Christian hopes about the end of history advanced nuanced readings of ancient texts in light of their scriptural and cultural conversation partners and deepened our knowledge of the history of biblical interpretation throughout the ages In all of these ways he has sought in the words of T S Eliot to recover what has been lost In *To Recover What Has Been Lost: Essays on Eschatology, Intertextuality, and Reception History in Honor of Dale C. Allison Jr.* leading biblical scholars and historians offer ground breaking studies on Jewish and Christian eschatology, intertextuality, and reception history three areas particularly evident in Allison's scholarship These essays reconstruct the past, advance fresh readings, and reclaim overlooked exegetical insights In so doing they too recover what has been lost [The Lost Gospel of Judas Iscariot](#) Bart D. Ehrman, 2008 The biblical scholar recounts the events surrounding the discovery and handling of the Gospel of Judas and provides an overview of its content in which Judas is portrayed as a faithful disciple **The Big Book of Christian Apologetics** Norman L. Geisler, 2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue, person, and concept related to Christian apologetics, this book clarifies difficult biblical passages, clearly explains various philosophical systems and concepts, examines contemporary issues and challenges, and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics, this resource brings leading apologist Norman L. Geisler's seminal work to the masses *The Atonement Debate* Zondervan, 2009-05-26 Recent days have seen a debate among evangelicals over how the death of Christ is to be interpreted When a popular British evangelical leader appeared to denounce the idea that God was punishing Christ in our place on the cross as a twisted version of events, morally dubious and a huge barrier to faith that should be rejected in favour of preaching only that God is love, major controversy was stirred Many thought the idea of penal substitution was at the heart of the evangelical understanding of the cross, if not the only legitimate interpretation of the death of Christ Yet for some time less popular evangelical theologians had been calling this traditional interpretation of the atonement into question So is the traditional evangelical view of penal substitution the biblical explanation of Christ's death, or one of many Is it the non-negotiable heart of evangelical theology, or a time-bound explanation that has outlived its usefulness What does the cross say about the character of God, the nature of the law, and sin, the meaning of grace, and our approach to missions The public debate which resulted was often heated In order to act as

reconcilers the Evangelical Alliance and the London School of Theology called for a symposium in which advocates of the different positions could engage with each other The symposium which was attended by some 200 participants was held when the July 7th bombings took place in London and drew together many of Britain s finest evangelical theologians This book contains the collection of papers given at the symposium supplemented by a few others for the sake of rounding out the agenda and grouped in convenient sections
