

Lugbara Religion

John 1921- Middleton

Lugbara Religion:

Lugbara Religion John Middleton, 1999 This was the first full length account of this hitherto little known people and remains one of the very few modern accounts of an African ancestral cult

The Vitality of Karamojong Religion Ben Knighton, 2017-05-15 How long can a traditional religion survive the impact of world religions state hegemony and globalization The Karamoja problem is one that has perplexed colonial and independent governments alike Now Karamojong notoriety for armed cattle raiding has attracted the attention of the UN and USAID since the proliferation of small arms in the pastoralist belt across Africa from Sudan to stateless Somalia is deemed a threat to world security The consequences are ethnocidal but what makes African peoples stand out against state and global governance The traditional African religion of the Karamojong despite the multiple external influences of the twentieth century and earlier has remained at the heart of their culture as it has changed through time Drawing on oral accounts and the language itself as well as his extensive experience of living and working in the region Knighton avoids Western perspectivism to highlight the successful reassertion of African beliefs and values over repeated attempts by interventionists to replace or subvert them Knighton argues that the religious aspect of Karamojong culture with its persistent faith dimension is one of the key factors that have enabled them to maintain their amazing degree of religious political and military autonomy in the postmodern world Using historical and anthropological approaches the real continuities within the culture and the reasons for mysterious vitality of Karamojong religion are explored

Lugbara Religion John Middleton, 1987

Encyclopedia of African Religion Molefi Kete Asante, Ama Mazama, 2008-11-26 Numerous titles focusing on particular beliefs in Africa exist including Marcel Griaule's *Conversations with Ogotemmeli* but this one presents an unparalleled exploration of a multitude of cultures and experiences It is both a gateway to deeper exploration and a penetrating resource on its own This is bound to become the definitive scholarly resource on African religions Library Journal Starred Review Overall because of its singular focus reliability and scope this encyclopedia will prove invaluable where there is considerable interest in Africa or in different religious traditions Library Journal As the first comprehensive work to assemble ideas concepts discourses and extensive essays in this vital area the *Encyclopedia of African Religion* explores such topics as deities and divinities the nature of humanity the end of life the conquest of fear and the quest for attainment of harmony with nature and other humans Editors Molefi Kete Asante and Ama Mazama include nearly 500 entries that seek to rediscover the original beauty and majesty of African religion Features Offers the best representation to date of the African response to the sacred Helps readers grasp the enormity of Africa's contribution to religious ideas by presenting richly textured concepts of spirituality ritual and initiation while simultaneously advancing new theological categories cosmological narratives and ways to conceptualize ethical behavior Provides readers with new metaphors figures of speech modes of reasoning etymologies analogies and cosmogonies Reveals the complexity texture and rhythms of the African religious tradition to provide scholars with a baseline for future works The Encyclopedia

The Study of the Lugbara John Middleton,1970 *Lugbara Religion* John Middleton,1989 *Lugbara Religion;* John 1921- Middleton,2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Introduction to African Religion John S. Mbiti,1991 These traditional reads are brimming with spirited characters and positive values but with a little extra excitement and bite so hold on to your hats Written expressly for the middle grade struggling reader the series does not contain strong language edgy themes or dysfunctional families In fact family is the main theme of these titles And one particular Latino family is the focus with their uncanny knack for finding humor hope and colorful personalities even in unusual circumstances Written at the lowest reading levels the 50 page story structure is straightforward and moves the reader through the text quickly and efficiently They were trapped Then Ana remembered the old stone church It was nearby She knew the old building was the safest place for her family It could withstand the high winds and rising water Understanding Folk Religion: 25th Anniversary Edition Paul G. Hiebert,R. Daniel Shaw,Tite Tienou,2024-04-24 This book has served the missiological community for twenty five years as a resource for understanding human spirituality in any context Thousands of students have incorporated the principles of this book into ministry around the globe This twenty fifth anniversary edition seeks to enable those who now bring their passion for mission to contemporary contexts affected by globalization climate change and political perspectives unimagined when this book originally appeared Every community wherever it is on earth has its share of beliefs and values that manifest themselves in practices that reflect spiritual engagement Those engaged in mission need to appreciate how underlying beliefs and values are reflected in handling spiritual power worship and blessing and interaction with others Gospel communicators must account for these elements as they seek to make God s intentions known to people who are searching for God The models presented early in the book are essential for establishing what people consider spiritually critical Applying these models in

any religious environment will enable message bearers to engage with beliefs and practices that promote a gospel presentation that makes sense To that end we commend this book for effective missional engagement *The Sociological Study of Religion* Betty R. Scharf, 2024-02-29 First published in 1970 The Sociological Study of Religion distinguishes the sociological from the philosophical or theological approach to religion It reviews the major theories relating to religious practice to social structure and analyzes the social functions of religion The contributions of Durkheim Marx Freud Troeltsch and Weber are examined from this point of view also the contribution of social anthropology and the studies of religion in industrial societies This book is a must read for students of sociology and religion African Religions Douglas Thomas, Temilola Alanamu, 2018-12-01 This book supplies fundamental information about the diverse religious beliefs of Africa explains central tenets of the African worldview and overviews various forms of African spiritual practices and experiences Africa is an ancient land with a significant presence in world history especially regarding the history of the United States given the ethnic origins of a substantial proportion of the nation's population This book presents a broad range of information about the diverse religious beliefs of Africa that serves to describe the beliefs practices deities sacred places and creation stories of African religions Readers will learn about key forms of spiritual practices and experiences such as incantations and prayer dance as worship and spirit possession all of which pepper African American religious experiences today The entries also discuss central tenets of the African worldview for example the belief that humankind is not to fight nature but to integrate into the natural environment This volume is specifically written to be highly accessible to students It provides a much needed source of connections between the religious traditions and practices of African Americans and those of the people of the continent of Africa Through these connections this work will inspire tolerance of other religions traditions and backgrounds The included selection of primary documents provides users first hand accounts of African religious beliefs and practices serving to promote critical thinking skills and support Common Core State Standards

Winged Faith Tulasi Srinivas, 2010-06-10 The Sathya Sai global civil religious movement incorporates Hindu and Muslim practices Buddhist Christian and Zoroastrian influences and New Age style rituals and beliefs Shri Sathya Sai Baba its charismatic and controversial leader attracts several million adherents from various national ethnic and religious backgrounds In a dynamic account of the Sathya Sai movement's explosive growth *Winged Faith* argues for a rethinking of globalization and the politics of identity in a religiously plural world This study considers a new kind of cosmopolitanism located in an alternate understanding of difference and contestation It considers how acts of sacred spectating and illusion moral stakeholding and the problems of community are debated and experienced A thrilling study of a transcultural and transurban phenomenon that questions narratives of self and being circuits of sacred mobility and the politics of affect *Winged Faith* suggests new methods for discussing religion in a globalizing world and introduces readers to an easily critiqued yet not fully understood community **The "New-Age America" & President Trump'S Invisible Politics in**

World Governance Ph.D,2018-02-19 This book is a policy review piece It strives to review some long standing and herculean issues of concerns within the United States and around the world It attempts a realistic second look into a few of the delicate and hellacious questions of governance that nations around the world are currently confronted with in this dispensation It puts special focus on the realistic examination of some of the difficult choices the United States has made under president Donald Trumps administration More important is the responsibility to pragmatically recritic some of the policy decisions made which hosts of oppositions have considered murderous going by the various campaigns and reactions against such stance The book is no doubt a narrative of concerns for the future of America and indeed the global world It among other topics looks into matters of security international relations and or international politics religion and insurgency and critically attempts a commonsensical discussion on the major problem of immigration and migration These are among the major issues that have created a lot of brouhaha and hullabaloo within the polity in recent times especially considering the hardnose disposition of the forty fifth president of the United States on these matters In sincere loyalty to truism this book strives in its analysis to sever itself from the popular mistakes of placing individual benefits above the sociosecurity risks and the future of a nation

Throughout Your Generations Forever Nancy Jay,1992-07 Why does sacrifice more than any other major religious institution depend on gender dichotomy Why do so many societies oppose sacrifice to childbirth and why are childbearing women so commonly excluded from sacrificial practices In this feminist study of relations between sacrifice gender and social organization Nancy Jay reveals sacrifice as a remedy for having been born of woman and hence uniquely suited to establishing certain and enduring paternity Drawing on examples of ancient and modern societies Jay synthesizes sociology of religion ethnography biblical scholarship church history and classics to argue that sacrifice legitimates and maintains patriarchal structures that transcend men s dependence on women s reproductive powers *New Religions As Global Cultures* Irving Hexham,Karla Poewe,2018-02-12 Although the Great Anti Cult Crusade links new religious movements to dangerous cults brainwashing and the need for deprogramming Karla Poewe and Irving Hexham argue that many cults are the product of a dynamic interaction between folk religions and the teachings of traditional world religions Drawing on examples from Africa the United States Asia and Europe they suggest that few new religions are really new Most draw on rich if localized cultural traditions that are shaped anew by the influence of technological change and international linkages With the widespread loss of belief in biblical mythology in the nineteenth century new mythologies based on science and elements derived from various non Western religious traditions emerged leading to the growth and popularity of new religions and cults

New Sub-Religious Sects and Hinduism H.P. Adhikary,2003 **Spearmasters** Molefi Kete Asante,Emeka Nwadiora,2007-04-26 Spear Masters contends that in Africa there exists only one religion with a vast array of denominations African religion is expressed in a different way by each of the denominations which creates confusion for those who believe that there are more than one African religion Spear Masters presents information about

some of the larger and most significant expressions of the sole African religion so that the reader will understand the relationship between God the creator and the notions of the relationship with the family and community The term spear master relates to the integrity and ethics that had to accompany the maker and user of the spear in ancient African societies The essence of religion presented in Spear Masters is the deification of one s society and nation and making sacred the traditions and rituals of the ordinary lives of the people
