## **Luke Gracious Theologian The Jesus Of Luke:**

*A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

**The Content and the Setting of the Gospel Tradition** Mark Harding, Alanna Nobbs, 2010-10-22. Editors Mark Harding and Alanna Nobbs have here brought together the internationally recognized scholarly excellence of Macquarie University faculty and associates to provide a major contribution to the study of the content and environment of the New Testament Gospels. Few books in current New Testament scholarship seriously tackle its social setting and textual tradition beyond a chapter or two. *The Content and Setting of the Gospel Tradition* integrates the texts with the literary, social, and historical context in which they were written.

**Seeking Spiritual Growth Through the Bible** Wilfrid J. Harrington, 2002. In looking to the Bible's witness, this book offers readers a spirituality that is understood as faith lived in love and sustained by hope.

*The Gospel* Douglas W. Kennard, 2017-10-26. This book is about stating gospel especially in the Bible. After surveying historical statements of gospel within their respective soteriology, biblical contexts are explored that identify either 1 as gospel, 2 promise forgiveness, 3 promise everlasting life, 4 promise kingdom, or 5 promise resurrection with Christ. These five statements indicate the outcomes that are normally associated with the gospel across Christendom. This framework provides legitimate biblical gospel statements within exclusive salvation in Christ. This volume presents and appropriates biblical gospel patterns as a new reformation for fullness of salvation in Christ and His earthly kingdom. This variety of biblical gospel statements provoke 1 unity around Jesus Christ and God's gracious salvation, 2 toleration concerning rival statements of Christian gospel, and 3 jettisoning unsupported traditional frameworks. For example, ticket Christianity with little or no life change except past faith and an experience prepare Jesus Christ to say to a major section of the church: Depart from Me. I never knew you. Better to hear the eschatological Christ say: Come, blessed of My Father, inherit the kingdom prepared for you.

from the foundation of the world because to the extent that you did to these brothers of Mine even the least you did to Me

**Epistemology and Logic in the New Testament** Douglas W. Kennard, 2016-11-30 Biblical contributors express an oral stage engaging Christianity within a properly basic communal worldview similar to Alvin Plantinga advocates This approach includes a communal Christian application of common sense realism within a worldview and rhetoric similar to Hillite Pharisaism Each biblical contributor provided vivid testimony using rabbinic language and thought forms For example Jewish Christian midrash re appropriates Old Testament quotes and narrative in a new performative pesher manner to present Jesus as the Christ Moving beyond the word studies of biblical epistemologists Pharisaic rabbinic Judaism use of biblical revelation mystical vision dream or audible divine voice frame mystical empiricism similar to William Alston Non foundational realism facilitates a communal resilient oral tradition similar to the rabbinics Additionally Luke Acts extensively engages Hellenistic historiographic method and the concept of witness When multiple interpretations occur concerning miracles epistemic dualistic non foundational Lockean epistemology emerges to contribute to the authority of communal kingdom testimony Occasionally this Lockean approach adds an internal transformation much as Jonathan Edwards modified Locke to set forth his religious affections as a divine virtue epistemology confirming the authentic narrow way through Peircean pragmatism This internal knowledge provides self referential confirmation for a personal relationship and filial knowledge Each of these expressions of knowledge fosters an ultimate Kierkegaardian commitment to the Trinitarian Christian God

**Transfiguration** Dorothy Lee, 2004-11-18 Dorothy Lee argues passionately for restoring the study of The Transfiguration to the centre of the theological stage and she succeeds triumphantly Whereas a theology of transfiguration has long been an essential part of the Eastern theological tradition it has often seemed strange to our Western rational minds The book argues that the transfiguration functions as an epiphany revealing Jesus true identity and also an apocalyptic vision depicting God's transforming future A chapter is devoted to each of the four New Testament narratives of the transfiguration setting the story within the wider literary and theological framework of the text Traces of the transfiguration are examined in other parts of the New Testament particularly in The Gospel of John where the symbolism is close to that of the transfiguration Finally the author draws out the symbolism and theological implications of the transfiguration for an understanding of Christ God's radical future and the transformation of all creation drawing on the icons of Eastern Christianity and Western theologies of beauty This book is a small masterpiece and a model of clarity and lucid exposition *Luke C. D. "Jimmy" Agan III*, 2015-07-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 Reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout each book 3 Whole Bible Connections show how any given passage connects to the Bible's overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or

reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God s grace on each and every page of the Bible The Gospel of Luke is the most thorough historical account of the birth life death and resurrection of Jesus Christ But Luke s book is more than just history it s also a rich source of life giving theology revealing Jesus s identity as Israel s long awaited Messiah and the Savior of the world In this study New Testament scholar Jimmy Agan III walks readers through Luke s Gospel helping Christians see that Jesus is not simply a great teacher but the great Savior New Testament Theology Frank J. Hays,2010 Christopher M Hays addresses the apparent incongruity in Luke s ethical paraenesis and argues that Luke s Gospel depicts a spectrum of behaviors which actualize the basic principle of renunciation of all Book Jacket Fanning the Flame Mark E. Moore,2003 **Luke's Gospel from Scratch** Donald L. Griggs,Paul W. Walaskay,2011-08-26 Building on the foundation of the popular volumes The Bible from Scratch The Old Testament for Beginners and The New Testament for Beginners Griggs offers a series of volumes based on the individual books of the Bible A leader s guide and a participant section are included for each book This new addition to the series looks at the Gospel of Luke perhaps the most popular Gospel with its stories of the birth of Jesus the boy Jesus conversing in the Temple the good Samaritan the prodigal son the poor widow and her two copper coins and rich Zacchaeus in a sycamore tree **Practical Christian Theology** Floyd H.
