Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women's contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter *The American Girl* Monika Fagerholm, 2010-02-16 In 1969 a young girl makes a trip from Coney Island to the swampy coastland on the rural outskirts of Helsinki Finland There her death will immediately become part of local mythology

furnishing boys and girls with fodder for endless romantic imaginings Everyone who lives near the swamp dreams about Eddie de Wire the lost American girl For both Sandra and Doris two lonely dreaming girls abandoned in different ways by their parents this myth will propel them into their coming of age through mischievous role playing games of love and death in search of hidden secrets the mysteries of the swamp and the truth behind Eddie s death The girls construct their own world their own language and their own rules But playing adult games has adult consequences and what begins as two girls just striking matches leads to an inferno that threatens to consume them and tear their friendship apart Crime mystery and gothic saga social study and chronicle of the late sixties and early seventies a portrait of the psyche of young girls on the cusp of sexual awakening The American Girl is a bewitching glimpse of the human capacity for survival and for self inflicted wounds Fagerholm is a modern day heir to the William Faulkner heritage of family tragedy with a highly musical and literary prose style that is rich with wit and literary allusions The American Girl will teach you the meaning of trust as you give yourself entirely to the original storytelling style of Monika Fagerholm

The Hollywood Book of Breakups James Robert Parish, 2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity s latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In The Hollywood Book of Breakups James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn t make this stuff up and James Robert Parish doesn t need to Hollywood writes its own drama when it comes to scandalous breakups
