## **Lure Of Africa American Interests In Tropical Africa 1919 1939:**

**The Lure of Africa: American Interests in Tropical Africa, 1919-1939** Edward H. McKinley, 1974 A totally engrossing and brilliantly researched examination of Africa as Americans saw it at what may have been its most crucial stage of development Even though outward signs indicated neither resentment nor truculence but almost total passivity during the years from 1919 to 1939 Africa was in fact invisibly poised on the brink of independence From publisher's statement on jacket flap **American Evangelical Enterprise in Africa** Henry Efeso Mokosso, 2007 Original Scholarly Monograph

*USA, India, Africa During and After the Cold War* Okoth, Pontian Godfrey, 2015-03-16 The Cold War period witnessed competition from political economic ideological diplomatic military and social dimensions between the United States of America USA and the then Union of Soviet Socialist Republics USSR In the superpower rivalries India and Africa were adversely affected in many ways The situation did not change for the better in the post Cold War period which has witnessed the domination of the world by the US and its allies the Group of Eight G 8 industrialised countries This domination has been characterised by the process of Americanization of the worlds otherwise termed globalisation in virtually all spheres of life USA India Africa During and After the Cold War demonstrates that both the United States and The Soviet Union used African States India and other Third World countries for their own geopolitical considerations that the foreign policy and foreign relations of the US were meant to subject Africa and India to the dictates of US imperialism The book assesses the impact of the Cold War and the post Cold War order on Africa India and the entire world and argues that the Non Aligned Movement is still relevant to the Third World countries despite the demise of the Cold War The book analyses issues from the African point of view as opposed to hitherto Western view points but provides a balanced appreciation of the complex forces that shape foreign policies and foreign relations globally It is a valuable contribution to modern diplomatic history and targets university students researchers foreign affairs ministries and practicing diplomats **The United States and Africa** Peter

Duignan, Lewis H. Gann, L. H. Gann, 1987-04-24 Tracing the reciprocal relationship between Africa and North America from the seventeenth century slave trade onwards two leading authorities in the field provide a major revision to traditional colonial African history as well as to US history Departing from prior accounts that tended to emphasise only the role of the colonial metropolises in developing Africa the authors show how American pioneers missionaries traders prospectors miners engineers scientists and others have helped to shape Africa They also point to the equally important impact made by Africa on the United States through trade and immigration and through the influence of Africans on the arts and agriculture among other facets of American life In a study of exceptionally broad scope the authors devote particular attention to the development of United States policy regarding Africa the impact of private enterprise the operation of governmental lobbies the administration of foreign aid and the involvement of Africa in the Cold War **African, American** David Peterson del Mar, 2017-06-15 Africa has long gripped the American imagination From the Edenic wilderness of Edgar Rice Burroughs's

Tarzan novels to the black Zion of Garvey's Back to Africa movement all manner of Americans whether white or black male or female have come to see Africa as an idealized stage on which they can fashion new more authentic selves In this remarkable panoramic work David Peterson del Mar explores the ways in which American fantasies of Africa have evolved over time as well as the role of Africans themselves in subverting American attitudes to their continent Spanning seven decades from the post war period to the present day and encompassing sources ranging from literature film and music to accounts by missionaries aid workers and travel writers African American is a fascinating deconstruction of Africa as it exists in the American mindset

**Africa, Asia, and South America Since 1800** A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin's Press Annotation copyright Book News Inc Portland Or

The Henry Louis Gates, Jr. Reader Henry Louis Gates Jr, 2012-05-01 Educator writer critic intellectual film maker Henry Louis Gates Jr has been widely praised as being one of America's most prominent and prolific scholars In what will be an essential volume The Henry Louis Gates Jr Reader collects three decades of writings from his many fields of interest and expertise From his earliest work of literary historical excavation in 1982 through his current writings on the history and science of African American genealogy the essays collected here follow his path as historian theorist canon builder and cultural critic revealing a thinker of uncommon breadth whose work is uniformly guided by the drive to uncover and restore a history that has for too long been buried and denied An invaluable reference The Henry Louis Gates Jr Reader will be a singular reflection of one of our most gifted minds

Melville J. Herskovits and the Racial Politics of Knowledge Jerry Gershenhorn, 2004-01-01 Melville J Herskovits and the Racial Politics of Knowledge is the first full scale biography of the trailblazing anthropologist of African and African American cultures Born into a world of racial hierarchy Melville J Herskovits 1895 1963 employed physical anthropology and ethnography to undermine racist and hierarchical ways of thinking about humanity and to underscore the value of cultural diversity His research in West Africa the West Indies and South America documented the far reaching influence of African cultures in the Americas He founded the first major interdisciplinary American program in African studies in 1948 at Northwestern University and his controversial classic *The Myth of the Negro Past* delineated African cultural influences on American blacks and showcased the vibrancy of African American culture He also helped forge the concept of cultural relativism particularly in his book *Man and His Works* While Herskovits promoted African and African American studies he criticized some activist black scholars most notably Carter G Woodson and W E B Du Bois whom he considered propagandists because of their social reform orientation

After World War II Herskovits became an outspoken public figure advocating African independence and attacking American policymakers who treated Africa as an object of Cold War strategy. Drawing extensively on Herskovits's private papers and published works, Jerry Gershenhorn's biography recognizes Herskovits's many contributions and discusses the complex consequences of his conclusions, methodologies, and relations with African American scholars.

**The United States and West Africa** Alusine Jalloh, Toyin Falola, 2008. The first volume devoted to interrogating the complex relationship both historic and contemporary between the United States and West Africa. Over the last several decades, historians have conducted extensive research into contact between the United States and West Africa during the era of the transatlantic trade. Yet we still understand relatively little about more recent relations between the two areas. This multidisciplinary volume presents the most comprehensive analysis of the U.S.-West African relationship to date, filling a significant gap in the literature by examining the social, cultural, political, and economic bonds that have in recent years drawn these two world regions into increasingly closer contact. Beginning with examinations of factors that linked the nations during European colonial rule of Africa and spanning to discussions of U.S. foreign policy with regard to West Africa from the Cold War through the end of the twentieth century and beyond, these essays constitute the first volume devoted to interrogating the complex relationship both historic and contemporary between the United States and West Africa.

Contributors: Abdul Karim Bangura, Karen B. Bell, Peter A. Dumbuya, Kwame Essien, Andrew I. E. Ewoho, Toyin Falola, Osman Gbla, John Wess Grant, Stephen A. Harmon, Harold R. Harris, Olawale Ismail, Alusine Jalloh, Fred L. Johnson III, Stephen Kande, Ibrahim Kargbo, Bayo Lawal, Ayodeji Olukoju, Adebayo Oyebade, Christopher Ruane, Anita Spring, Ibrahim Sundiata, Hakeem Ibikunle Tijani, Ken Vincent, and Amanda Warnock. Alusine Jalloh is associate professor of history and founding director of The Africa Program at the University of Texas at Arlington. Toyin Falola is the Jacob and Frances Sanger Mossiker Chair in the Humanities and University Distinguished Teaching Professor at the University of Texas at Austin.

**Africa as a Living Laboratory** Helen Tilley, 2011-04-15. Africa as a Living Laboratory is a study of the relationship between imperialism and scientific expertise, environmental, medical, racial, and anthropological in the colonization of British Africa.

**Africa in the American Mind, 1870-1955** Cornelia Sears, 1997.

**The Cold War and the Color Line** Thomas BORSTELMANN, 2009-06-30. After World War II, the United States faced two preeminent challenges: how to administer its responsibilities abroad as the world's strongest power and how to manage the rising movement at home for racial justice and civil rights. The effort to contain the growing influence of the Soviet Union resulted in the Cold War, a conflict that emphasized the American commitment to freedom. The absence of that freedom for nonwhite American citizens confronted the nation's leaders with an embarrassing contradiction. Racial discrimination after 1945 was a foreign as well as a domestic problem. World War II opened the door to both the U.S. civil rights movement and the struggle of Asians and Africans abroad for independence from colonial rule. America's closest allies against the Soviet Union, however, were colonial powers whose interests had to be balanced against

those of the emerging independent Third World in a multiracial anticommunist alliance At the same time U S racial reform was essential to preserve the domestic consensus needed to sustain the Cold War struggle *The Cold War and the Color Line* is the first comprehensive examination of how the Cold War intersected with the final destruction of global white supremacy Thomas Borstelmann pays close attention to the two Souths Southern Africa and the American South as the primary sites of white authority's last stand He reveals America's efforts to contain the racial polarization that threatened to unravel the anticommunist western alliance In so doing he recasts the history of American race relations in its true international context one that is meaningful and relevant for our own era of globalization Table of Contents Preface Prologue 1 Race and Foreign Relations before 1945 2 Jim Crow's Coming Out 3 The Last Hurrah of the Old Color Line 4 Revolutions in the American South and Southern Africa 5 The Perilous Path to Equality 6 The End of the Cold War and White Supremacy Epilogue Notes Archives and Manuscript Collections Index Reviews of this book In rich informing detail enlivened with telling anecdote Cornell historian Borstelmann unites under one umbrella two commonly separated strains of the U S post WWII experience our domestic political and cultural history where the Civil Rights movement holds center stage and our foreign policy where the Cold War looms largest No history could be more timely or more cogent This densely detailed book wide ranging in its sources contains lessons that could play a vital role in reshaping American foreign and domestic policy Publishers Weekly Reviews of this book Borstelmann traces the constellation of racial challenges each administration faced focusing particularly on African affairs abroad and African American civil rights at home rather than highlighting the crises that made headlines By avoiding the crutch of turning points for storytelling convenience he makes a convincing case that no single event can be untied from a constantly thickening web of connections among civil rights American foreign policy and world affairs Jesse Berrett Village Voice Reviews of this book Borstelmann analyzes the history of white supremacy in relation to the history of the Cold War with particular emphasis on both African Americans and Africa In a book that makes a good supplement to Mary Dudziak's *Cold War Civil Rights* he dissects the history of U S domestic race relations and foreign relations over the past half century This book provides new insights into the dynamics of American foreign policy and international affairs and will undoubtedly be a useful and welcome addition to the literature on U S foreign policy and race relations Recommended Edward G McCormack Library Journal

**Apartheid's Reluctant Uncle** Thomas Borstelmann, 1993 Borstelmann history Cornell U brings to light the neglected history of Washington's strong but hushed backing for the white supremacist National Party government that won power in South Africa in 1948 and for its formal establishment of apartheid Annotation copyright by Book News Inc Portland OR [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office, 1976

*The Farther Frontier* Lysle E. Meyer, 1992 A surprising number of Americans were involved with the so called Dark Continent during the period when Western penetration led to conquest and colonial rule The six Americans discussed are Thomas Jefferson Bowen who established the first American mission posts in Yorubaland writer explorer Paul du Chaillu

soldier explorer Charles Chaille Long diplomat Henry Shelton Sanford mining engineer John Hays Hammond and taxidermist Carl Akeley Illustrated Brothers and Strangers Ibrahim Sundiata, 2004-02-03 An account of the rise fall and persistence of the 20th century s Black Zionist dream the movement s creation of a homeland in Africa *King Solomons Mines* William Minter, 1988-05-31 *Historical Dictionary of the Holiness Movement* William Kostlevy, Gari-Anne Patzwald, Wallace Thornton Jr., 2024-10-21 Emerging as a spiritual renewal movement in Antebellum America with ties to Methodism and the reform ethos of the era it grew rapidly and spread internationally during the last three decades of the 19th century Women including the increasingly well known Phoebe Palmer were central actors in the Movement and from its origins Blacks were prominent in all aspects of the Movement Although its most familiar expression is found in the Salvation Army the movement established a thriving international network of periodicals camp meetings rescue missions and congregations birthing new denominations such as the Church of God Anderson the Church of the Nazarene and the Korea Evangelical Holiness Church while continuing to profoundly shape older Protestant denominations In the process playing a crucial role emergence of Pentecostalism and even shaping the piety of popular evangelicalism Historical Dictionary of the Holiness Movement Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on leaders personalities events facts movements and beliefs of the Holiness Movement This book is an excellent resource for students researchers and anyone wanting to know more about the Holiness Movement *Rising Wind* Brenda Gayle Plummer, 2000-11-09 African Americans have a long history of active involvement and interest in international affairs but their efforts have been largely ignored by scholars of American foreign policy Gayle Plummer brings a new perspective to the study of twentieth century American history with her analysis of black Americans engagement with international issues from the Italian invasion of Ethiopia in 1935 through the wave of African independence movements of the early 1960s Plummer first examines how collective definitions of ethnic identity race and racism have influenced African American views on foreign affairs She then probes specific developments in the international arena that galvanized the black community including the rise of fascism World War II the emergence of human rights as a factor in international law the Cold War and the American civil rights movement which had important foreign policy implications However she demonstrates that not all African Americans held the same views on particular issues and that a variety of considerations helped shape foreign affairs agendas within the black community just as in American society at large **From the Barrel of a Gun** Gerald Horne, 2001 Explores how the American government s relationship with the country of Zimbabwe formerly Rhodesia between 1965 and 1980 affected the interracial dynamics in the United States

### **Lure Of Africa American Interests In Tropical Africa 1919 1939 Introduction**

In today's digital age, the availability of Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lure Of Africa American Interests In Tropical Africa 1919 1939 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lure Of Africa American Interests In Tropical

Africa 1919 1939 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lure Of Africa American Interests In Tropical Africa 1919 1939 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Lure Of Africa American Interests In Tropical Africa 1919 1939 Books**
