Women Coauthors Holly A. Laird, 2000 Until recently collaborative authorship has barely been considered by scholars when it has the focus has been on discovering who contributed what and who dominated whom in the relationship and in the writing In Women Coauthors Holly Laird reads coauthored texts as the realization of new kinds of relationship Through close scrutiny of literary collaborations in which women writers have played central roles Women Coauthors shows how partnerships in writing between two women or between a woman and a man provide a paradigm of literary creativity that complicates traditional views of both author and text and makes us revise old habits of thinking about writing Focusing on the social dynamics of literary production including the conversations that precede and surround collaborative writing Women Coauthors treats its coauthored texts as representations as well as acts of collaboration Holly A Laird discusses a wide array of partial and full coauthorships to reveal how these texts blur or remap often uncanny boundaries of self status race reason and culture that of the Delany sisters and Amy Hill Hearth on Having Our Say lesbian couples whose lives and writings were intertwined including Katherine Bradley and Edith Cooper Michael Field and Gertrude Stein and Alice B Toklas and the Native American wife and husband authors Louise Erdrich and Michael Dorris Framed in time by the feminist and abolitionist movements of the mid nineteenth century and the ongoing social struggles surrounding gender race and sexuality in the late twentieth century the partnerships and texts observed in Women Coauthors explore collaboration as a path toward equity both socioliterary and erotic For the authors here who collaborate most fully with each other two are much better than one

The Censor's Library Nicole Moore, 2012 A history of book censorship in Australia what we couldn't read didn't read didn't know and why

we didn't. For much of the twentieth century Australia banned more books and more serious books than most other English speaking or Western countries from the Kama Sutra through to Huxley's *Brave New World* and Joyce's *Ulysses* **The Cambridge Companion to Australian Literature** Elizabeth Webby, 2000-08-21 An indispensable reference for the study of Australian literature **The Burning Library** Geordie Williamson, 2012-10-24 Alarmed by the increasingly marginal status of Australian literature in the academy Williamson has set out to reintroduce us to those key writers whose works we may have forgotten or missed altogether His focus is on fiction that gives pleasure and he is ardent in defence of books that for whatever reason sit uneasily in the present moment **Time, Tide and History** Brigid Rooney, Fiona Morrison, 2024-06-01 *Time Tide and History* Eleanor Dark's Fiction is the first book length edited collection of scholarly essays to treat the full span of Eleanor Dark's fiction advancing a recent revival of critical and scholarly interest in Dark's writing This volume not only establishes a new view of Dark's fiction as a whole but also reflects on the ways in which her fiction speaks to our present moment in the context of a globally fraught post pandemic Anthropocene era Above all the revisiting of Dark's fiction is mandated by a desire to recognise the ways in which it anticipates vital debates in Australian literary and national culture today about settler colonialism and its legacies and with regard to the histories condition and status of Australia's First Nations people This volume interweaves varied topical themes from formal debates about modernism historical realism and melodrama to questions about modernity's time and space about gender and cultural difference and about the specifics of built and natural environments *Time Tide and History* intentionally loosens the conventions of literary scholarship by including other kinds of work alongside critical and scholarly readings a written dialogue between two contemporary historians about Dark's legacy and a biographical piece on the life and role of Eleanor Dark's husband Eric Payten Dark Bringing together the interwar fiction's feminist and modernist dimensions with the historical turn of *The Timeless Land* trilogy the essays in *Time Tide and History* collectively pursue ethical and political questions while teasing out the distinctive thematic formal and aesthetic features of Dark's fiction **Middlebrow Modernism** Melinda J. Cooper, 2022-10-01 Eleanor Dark 1901-85 is one of Australia's most innovative 20th century writers Her extensive oeuvre includes ten novels published from the early 1930s to the late 1950s and represents a significant engagement with global modernity from a unique position within settler culture Yet Dark's contribution to 20th century literature has been undervalued in the fields of both Australian literary studies and world literature Although two biographies have been written about her life there has been no book length critical study of her writing published since 1976 *Middlebrow Modernism* counters this neglect by providing the first full length critical survey of Eleanor Dark's writing to be published in over four decades Focusing on the fiction that Dark produced during the interwar years and reading this in the context of her larger body of work this book positions Dark's writing as important to the study of Australian literature and global modernism Melinda Cooper argues that Dark's fiction exhibits a distinctive aesthetic of middlebrow modernism which blends attributes of literary modernism with popular fiction

It seeks to mediate and reconcile apparent binaries modernism and mass culture liberal humanism and experimental aesthetics settler society and international modernity The term middlebrow modernism also captures the way Dark negotiated cosmopolitan commitments with more place based attachments to nation and local community within the mid 20th century Middlebrow Modernism posits that Dark s fiction and the broader phenomenon of Australian modernism offer essential case studies for larger debates operating within global modernist and world literature studies providing perspectives these fields might otherwise miss
