Mabel's Eyes Bonny Layton,2019-05-03 Life was a fragile thing Mabel learned it when her father died at a young age and her mother was strangled by a drunken suitor in search of optimal satisfaction But Mabel was a quiet young woman who shared in all the typical young woman dreams of romance and home and family So she left what she knew to search for what she wanted She took refuge in her best friend s family and over time became an integral part of their life living several years with them But trouble and calamity came to the Temple household and Mabel s best friend lost her life while saving her daughter and Mabel from a homicidal maniac A short time later Mabel found herself alone again but well funded So she traveled to Springfield Missouri and soon became wealthy and successful in her new life Yet Mabel never forgot her friend s sacrifice and so she returned to that little Indiana town to pay respect to her best friend s great love And Mabel s life was forever changed the ripple effect of that encounter would be felt for many generations to come God s great grace and mercy triumph over all This book will bring the reader to tears at the brokenness of mankind but will inspire worship and rejoicing at the grace and mercy of a loving heavenly Father And it will confirm once again that there is no depth of corruption or degradation that God cannot turn into blessing
