Mac Robertson The Chocolate King:

MacRobertson Jill Robertson, 2004-01-01 The man who gave Australia Cherry Ripes and Freddo Frogs was one of Australia's richest and most successful entrepreneurs Macpherson Robertson was an innovative businessman intrepid traveller and a shameless self promoter who founded the MacRobertson Confectionery Company His fascinating rags to riches story includes private diary entries and love letters from his 35 year secret affair during which he fathered two children

Expedition into Empire Martin Thomas, 2014-09-04 Expeditionary journeys have shaped our world but the expedition as a cultural form is rarely scrutinized This book is the first major investigation of the conventions and social practices embedded in team based exploration In probing the politics of expedition making this volume is itself a pioneering journey through the cultures of empire With contributions from established and emerging scholars Expedition into Empire plots the rise and transformation of expeditionary journeys from the eighteenth century until the present Conceived as a series of spotlights on imperial travel and colonial expansion it roves widely from the metropolitan centers to the ends of the earth This collection is both rigorous and accessible containing lively case studies from writers long immersed in exploration travel literature and the dynamics of cross cultural encounter

The Oxford Companion to Sugar and Sweets

, 2015-04-01 A sweet tooth is a powerful thing Babies everywhere seem to smile when tasting sweetness for the first time a trait inherited perhaps from our ancestors who foraged for sweet foods that were generally safer to eat than their bitter counterparts But the science of sweet is only the beginning of a fascinating story because it is not basic human need or simple biological impulse that prompts us to decorate elaborate wedding cakes scoop ice cream into a cone or drop sugar cubes into coffee These are matters of culture and aesthetics of history and society and we might ask many other questions Why do sweets feature so prominently in children's literature When was sugar called a spice And how did chocolate evolve from an ancient drink to a modern candy bar The Oxford Companion to Sugar and Sweets explores these questions and more through the collective knowledge of 265 expert contributors from food historians to chemists restaurateurs to cookbook writers neuroscientists to pastry chefs The Companion takes readers around the globe and throughout time affording glimpses deep into the brain as well as stratospheric flights into the world of sugar crafted fantasies More than just a compendium of pastries candies ices preserves and confections this reference work reveals how the human proclivity for sweet has brought richness to our language our art and of course our gastronomy In nearly 600 entries beginning with la mode and ending with the Italian trifle known as zuppa inglese the Companion traces sugar's journey from a rare luxury to a ubiquitous commodity In between readers will learn about numerous sweeteners as well known as agave nectar and as obscure as castoreum or beaver extract the evolution of the dessert course the production of chocolate and the neurological psychological and cultural responses to sweetness The Companion also delves into the darker side of sugar from its ties to colonialism and slavery to its addictive qualities Celebrating sugar while acknowledging its complex history The Oxford

Companion to Sugar and Sweets is the definitive guide to one of humankind's greatest sources of pleasure. Like kids in a candy shop, fans of sugar and aren't we all, will enjoy perusing the wondrous variety to be found in this volume. **Yarra** Kristin Otto, 2011-10-17 Erudite, affectionate and witty with more meanders and diversions than the river itself, Yarra is a fascinating read and a fitting tribute to the noble stream. From the creation stories of Kulin owners and geologist blow-ins to the twenty-first century waterside building boom, Otto traces the course of Melbourne's murky river. **Bold Palates** Barbara Santich, 2012 Bold Palates is lovingly researched and extensively illustrated. Barbara Santich helps us to a deeper understanding of Australian identity by examining the way we eat. Not simply a gastronomic history, her book is also a history of Australia and Australians. **On a Wing and a Prayer** Di Websdale-Morrissey, 2019-09-03 The thrilling tale of an aviation escapade dreamed up by Melbourne's Lord Mayor in the 1930s: a London to Melbourne air race that captured the world's attention and told a remarkable Australian story. Cadbury's Purple Reign John Bradley, 2011-02-23 A unique expose of the Cadbury story providing an unprecedented insight into the makings of an iconic brand. Cadbury's Purple Reign for the first time tells the in-depth story and definitive history of the Cadbury brand and how it came to be the world's pre-eminent chocolate brand. It presents a no-holds-barred account of the rollercoaster ride the organization has experienced that has ultimately led to its success. It is a story of endurance where in the UK Cadbury is a clear market leader. This fascinating journey that has been the history of Cadbury makes it an ideal example with which to illuminate the story of consumerism. The company was established even before there were a mass of consumers to sell to and was at the forefront of many of the developments which facilitated the rise of mass markets. Putting product quality at the heart of the brand. Harnessing the miracles of the Industrial and Transportation Revolutions to drive explosive growth. Industry consolidation via mergers and acquisitions to cement critical mass. A radical approach to harnessing the potential of its workforce to create the most effectively run company in Britain. The virtuous circle of economies of scale which slashed prices and brought chocolate to the masses. Innovative marketing and selling approaches that put the Cadbury brand into not just the minds of consumers but their hearts. Illustrated with fact, anecdote and beautiful images from previously archived material, this book provides the reader with an unprecedented insight into one of the world's most iconic brands. These insights will help any consumer business that aspires to build longevity for their brand with lessons on how to better endear itself to consumers and how to turn that relationship into profitable sales. The book has the full backing from Cadbury and chairman Sir John Sunderland provides the foreword. Immense Unfathomed Unconfined Sean Winter, 2013-08-09 The essays in this volume offer a range of perspectives on the theme of grace. Drawing on the best of contemporary biblical, historical and theological scholarship, the contributors consider the role played by the theme of grace in the Christian tradition, its importance and some implications for today. A number of essays pay special attention to the significance of the theme of grace within Methodism. As a whole, the volume testifies to the diverse ways in which divine grace enables and shapes patterns of graceful living in the world. Topics

covered include Pauline perspectives on grace the theme of grace in Wesleyan hymnody grace in the theology of Barth Rahner and de Lubac the relationship between Christian understandings of grace universalism and other religious traditions the implications of grace for understanding creation care ministry practice spirituality and work Together the essays honour the life and ministry of Emeritus Professor Norman Young whose own theological work has been devoted to exploring the mystery which we discern as the way of grace and who offers an account of his own theological journey within the volume s concluding personal reflections The Scots in Australia Malcolm David Prentis,2008 This is a highly descriptive account of the Scots in Australia from 1788 to the present It shows that the Scots have made a major contribution to all aspects of Australian life It is aimed at non specialist general readers although much of the audience will be Scottish Provided by publisher Capital Kristin Otto,2009 In 1901 the Australian colonies came together to form a new nation which for the next twenty six years was governed from Melbourne It was a small city a place where people knew each other not just the people who mattered but those who didn t yet where small changes loomed large and the import of big changes could scarcely be imagined Yet in the extraordinary first quarter of the twentieth century the world lurched headlong into a new era And this overgrown town in all but name the nation s capital oversaw the birth of modern Australia In Capital Kristin Otto describes how it happened She looks at the developments that shaped the world we know today from the story of Helena Rubinstein and the invention of the cosmetics industry to the world s first feature film to confectionery king Mac Robertson packaging pioneer and author of the city s first motor car fatality And she traces with the lightest of touches the web of influence friendship and sheer coincidence that held it alltogether For anyone who knowsMelbourne Capital will be a fascinating conversation with an old friend For anyone who doesn t it will be a compelling introduction to a new one

Been There Done That Ronald T. Parsons,2009 A true down to eath story of a young person growing up in Australia in the 1930s 40s and 50s It was a time of global financial crisis high unemployment war nuclear threats drought bush fires floods and shark attacks A time not unlike the present **Antarctica** David Day,2013-01-24 For centuries it was suspected that there must be an undiscovered continent in the southern hemisphere But explorers failed to find one On his second voyage to the Pacific Captain Cook sailed further south than any of his rivals but still failed to sight land It was not until 1820 that the continent s frozen coast was finally sighted Territorial rivalry intensified in the 1840s when British American and French expeditions sailed south to chart further portions of the continent that had come to be called Antarctica For the nearly two centuries since the race to claim exclusive possession of Antarctica has gripped the imagination of the world Antarctica A Biography is the first ever major international history of this forbidding continent from the eighteenth century voyages of discovery to the fierce rivalries of today as governments scientists environmentalists and oil companies compete for control On one level it is the story of explorers battling the elements in the most hostile place on earth as they strive for personal triumph commercial gain and national glory On a deeper level it is the story of nations seeking to incorporate the

Antarctic into their own national stories and to claim its frozen wastes as their own

The Art of Grahame King Sasha Grishin, Libby Bright, Caroline Field, 2005 Grahame King's life as an artist began with his mastery of the new art of colour reproduction as a photolithographic colour etcher in Melbourne in the 1930s. At the same time study at the National Gallery Art School with George Bell assisted his development as a painter. After war service and travels abroad King returned to Melbourne with his wife the sculptor Inge King. The two held a number of joint exhibitions of paintings and sculptures in Australia throughout the 1950s and then from c 1962 Grahame King turned his attention increasingly towards the art of lithography becoming a master in this field of printmaking. He has also devoted himself to promoting the art of lithography and printmaking generally through the Print Council of Australia. He is often called Australia's patron saint of printmaking. The book examines his seven decades working as an artist in Melbourne and is lavishly illustrated with colour reproductions throughout.

Hello, Beautiful! Hannie Rayson, 2015-02-25 A memoir in parts from one of Australia's best loved playwrights. Hannie Rayson: writer, mother, daughter, sister, wife, romantic, adventuress, parking spot optimist. She has spent a lifetime giving voice to others in the many roles she has written for stage and television. In her new book she shines the spotlight on herself. This collection of stories from a dramatic life radiate with the great warmth and humour that has made Hannie one of the best known playwrights in the country. From a childhood in Brighton to a urinary tract infection in Spain, from a body buried under the house to a play on a tram, *Hello Beautiful* captures a life behind the scenes, a life of tender moments, hilarious encounters and inevitably drama. Hannie Rayson is a playwright and screenwriter. Her works including *Hotel Sorrento*, *Inheritance* and *Life After George* have been performed around Australia and internationally. She has been awarded two Australian Writers Guild Awards, four Helpmann Awards, two NSW Premier's Literary Awards and a Victorian Premier's Literary Award. Her play *Life After George* was the first play to be nominated for the Miles Franklin Literary Award. Hannie lives in Melbourne. So beautifully written, so funny, so insightful and so obviously written by a warm and appealing human being. David Williamson: smart, witty, warm, self-effacing and hilarious. Each chapter is a shining gem, a passionate view, a formative experience, a mortifying anecdote. Hannie Rayson's insight, honesty and ear for dialogue as one of Australia's foremost playwrights is beyond dispute. Here she turns her talents to memoir and those closest to her with results so disarming and entertaining. I didn't want it to end. Kat Stewart: Hannie paints with vivid colours. Her development as a writer and a woman is richly portrayed with all the shades of intense feeling and emotion that her dramatic characters share spilling from the page in a riot of evocative memories. *Hello Beautiful* is as nourishing and delicious as home-made soup. Noni Hazlehurst: Hannie's writing shows the extraordinary truth of ordinary life that it is in fact anything but ordinary. I was glued to this delightful book. Sigrid Thornton: Think of this as bottled sunshine. Her anecdotes about family, friends and the community she belongs to are told with perfect comic timing and one of the most acute ears in the business for dialogue.

Caroline Baum Booktopia Buzz This is a book that welcomes readers generously into its author's secure and stimulating private world and makes us wish as we reluctantly close the final chapter that we could be there for real Adelaide Advertiser A book of beautifully crafted free flowing vignettes that illuminates with warmth and humour Australian Every chapter tickles Country Living Rayson's vignettes are perfectly constructed and she is a virtuoso of self deprecating humour Sydney Morning Herald With her coolly curious eye and facility for dialogue Rayson has chronicled key moments in the nation's social history Hello Beautiful is a scrapbook of Rayson's family foibles thoughts and simple dreams Big Issue It was a pleasure to read such a refreshing take on the genre of memoir written with skill warmth and optimism Like every good theatrical experience you are left wanting more Good Reading Beautifully structured and articulated not to mention hilarious Rayson reels you in with her storytelling Australian Book Review An easy entertaining read written in a chatty friendly open style Starts at Sixty
