When Tracy, a successful singles and couples counselor, turned thirty she decided that she was ready to settle down. Tracy had not dated since her early college days. She took time to focus on her career. One day she saw this dark skin, six foot tall guy walk into Pierre's. He had all the makings of a thug. A chance encounter a few days later the two would meet. Christian Giles was an up and coming music producer from a different side of town than Tracy. Since he had thug qualities Tracy named him Thugness. From there they entered into a relationship filled with love, compassion, and understanding, a love that reminded her of the love her dad had always shown her. The relationship was going well until Chris's past came back to haunt him. Tracy and Christian ended their relationship. A heartbroken Tracy didn't want to deal with the memories of her and Christian's relationship so she moved to a new house and a new office. Across the hall worked a money worshipping, six foot two, brown skinned dentist with a million dollar smile named Dr. Shawn Richards. Their first meeting was something that Tracy wanted to forget but Shawn was able to woo her into a relationship. As months went by Shawn asked Tracy to marry him. Tracy said yes. A month before the wedding while at the mall Tracy saw a familiar face. One she hadn't seen in a few years. She soon realized that it was Thugness. She told him she was getting married and walked away. On the wedding day as her dad walked her down the aisle Tracy was all set to marry Shawn. He stood at the front of the tree house awaiting her arrival. With her hand in his the officiant asked if anyone knew why the two should not be married. Tracy was surprised to see Thugness standing in front of her. Tracy must now choose between the love she never got over or the love that she was unsure of. Whom would she choose? Where's the Joy? Danny Williamson, 2019-03-05

Where's the Joy brings awareness and attention to the design, promise, strength, and wonder of true joy. Joy, everyone wants some. It's the thing that is missing that people are insatiably hunting for and don't even realize it. It's not about just being joyful when things are working in your favor. It's about radical and immovable joy which doesn't fade when life hits the fan. However, joy remains a bit of an untouchable mystery. Where's the Joy features dynamic and compelling real life stories that provide the keys to unlocking radical and immovable joy. Danny Williamson helps readers discover the abundant source of joy and reveals how to find joy in the details even during life's darkest storms. If you've ever wondered Where's the Joy, it's time to uncover what Jesus meant when he said, "I have told you

these things so that you will be filled with my joy Yes your joy will overflow John 15 11 Take a journey to discover this mysterious thing and exchange the lie of thinking joy is for everyone else for the truth of supernatural joy **Daddy's Boy** L.
