**Menachem Begin and the Israel-Egypt Peace Process** Gerald M. Steinberg,Ziv Rubinovitz,2019-02-27 This political biography sheds new light on the vital role played by the Israeli Prime Minister in establishing peaceful relations with Egypt Focusing on the character and personality of Menachem Begin Gerald Steinberg and Ziv Rubinovitz offer a new look into the peace negotiations between Israel and Egypt in the 1970s Begin s role as a peace negotiator has often been marginalized but this sympathetic and critical portrait restores him to the center of the diplomatic process Beginning with the events of 1967 Steinberg and Rubinovitz look at Begin s statements on foreign policy including relations with Egypt and his role as Prime Minister and chief signer of the Israel Egypt peace treaty While Begin did not leave personal memoirs or diaries of the peace process Steinberg and Rubinovitz have tapped into newly released Israeli archives and information housed at the Jimmy Carter Presidential Library and the Begin Heritage Center The analysis illuminates the complexities that Menachem Begin faced in navigating between ideology and political realism in the negotiations towards a peace treaty that remains a unique diplomatic achievement Major Knesset Debates, 1948-1981: Ninth Knesset, 1977-1981 Israel. Keneset,1993 Major Knesset Debates, 1948-1981: The Constituent Assembly Israel. Keneset,1993 *Shared Land/Conflicting Identity* Robert C. Rowland,David A. Frank,2002-12-31 *Shared Land Conflicting Identity* Trajectories of Israeli and Palestinian Symbol Use argues that rhetoric ideology and myth have played key roles in influencing the development of the 100 year conflict between first the Zionist settlers and the current Israeli people and the Palestinian residents in what is now Israel The Israeli Palestinian conflict is usually treated as an issue of land and water While these elements are the core of the conflict they are heavily influenced by the symbols used by both peoples to describe understand and persuade each other The authors argue that symbolic practices deeply influenced the Oslo Accords and that the breakthrough in the peace process that led to Oslo could not have occurred without a breakthrough in communication styles Rowland and Frank develop four crucial ideas on social development the roles of rhetoric ideology and myth the influence of symbolic factors specific symbolic factors that played a key role in peace negotiations and the identification and value of criteria for evaluating symbolic practices in any society **Major Knesset Debates, 1948-1981** Israel. Keneset,1993      **Advocating for Israel** Natan Aridan,2017-08-22 This study analyzes the unique triangular relationship between Israel's diplomatic representatives pro Israel advocates and US administrations draws on a wealth of Hebrew and English primary documentation that includes government archives surveillance records wiretappings personal oral interviews and diaries of key individuals Natan Aridan demonstrates how a small new state succeeded in establishing a level of political economic and military aid that has made for an alliance that is unique in the American experience Revealed in considerable depth are the dilemmas facing Israeli and US leaders and pro Israel organizations and the extent to which individual Jewish leaders maneuvered as conduits between Israeli governments and US administrations whose senior dramatis personae in turn attempted to influence moderate restrain and change the course of policy decisions and actions Each administration had multiple voices and international contingencies presented different challenges all of which had a major impact in fluctuations and shifts in policies toward Israel There was nothing inevitable about military and financial support for Israel It was only by the end of the period that a distinct pattern began to emerge Eventual qualified US support took a long and complicated path developed over many decades on multidimensional levels The book refutes insidious allegations that from Israel's inception Jewish influence and a powerful Israel lobby hijacked US foreign policy to achieve unreserved military and financial support for Israel that undermined the best interests of the US The author illustrates one of the poorly misunderstood aspects on the subject by demonstrating how Israeli governments were more astute and powerful than previous scholars have realized and that they were in fact pulling the strings far more than AIPAC and wealthy Jews He also demonstrates that a contributing factor on the decision to aid Israel understated in previous research lay in Israel exploiting its nuisance value      **Israeli Counter-Insurgency and the Intifadas** Sergio Catignani,2008-01-24 This volume analyzes the conduct of the Israel Defence Forces IDF counter insurgency operations during the two major Palestinian uprisings 1987 1993 and 2000 2005 in the Territories of the West Bank and Gaza Strip It employs primary and secondary resources to produce a comprehensive analysis on whether or not the IDF has been able to adapt its conventional conduct of warfare to the realities of the Israeli Palestinian low intensity conflict and achieve any sort of victory over the Palestinian insurgents Sergio Catignani provides new insights into how conventional armies struggle with contemporary insurgency by looking in particular at the strategic operational tactical and ethical dilemmas of the IDF over the last two decades By examining the way in which the IDF and the Israeli security doctrine were formed and developed over time he explores the extent to which Israeli security assumptions civil military relations the organizational culture command and control structure and conduct of the IDF have affected its adaptation to the contemporary Israeli Palestinian low intensity conflict Israeli

Counter Insurgency and the Intifadas will be of much interest to students of low intensity conflict and counter insurgency the Israeli army the Middle Eastern conflict and strategic studies in general      **My Struggle for Peace, Volume 3 (1956)**

Moshe Sharett, 2019-03-19 The third volume of the former Israeli prime minister's journals from the nation's early years My Struggle for Peace is a remarkable political document offering insights into the complex workings of the young Israeli political system set against the backdrop of the disintegration of the country's fragile armistice with the Arab states Replete with Moshe Sharett's candid comments on Israel's first generation leaders and world statesmen of the day the diary also tells the dramatic human story of a political career cut short the removal of an unusually sensitive dedicated and talented public servant My Struggle for Peace is above all an intimate record of the decline of Sharett's moderate approach and the rise of more activist militant trends in Israeli society culminating in the Suez Sinai war of 1956 The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship moderation diplomacy and concern for Israel's place in international affairs This is the third volume in the 3 volume English abridgement of Sharett's Yoman Ishi Personal diary Ma'ariv 1978 maintains the integrity flavor and impact of the 8 volume Hebrew original and includes additional documentary material that was not accessible at the time The volumes are also available to purchase as a set or individually The editors vastly improved on the Hebrew version by adding Sharett's speeches reports cabinet minutes and other sources to the text These additions make this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade Israel Studies Review
