

Majority-Minority Relations

- Sociologically the definition of majority-minority is not numerical but based on access to power, property, and prestige.
- The social construction of difference says that all majority and minority statuses are products of social definitions.

Minority Relations Greg Robinson, Robert S. Chang, 2016-12-26 Contributions by Taunya Lovell Banks Devon W Carbado Robert S Chang Cheryl Greenberg Tanya Kater Hernandez Amanda O Jenssen Scott Kurashige Greg Robinson Stephen Steinberg Clarence Walker and Eric K Yamamoto The question of how relations between marginalized groups are impacted by their common and sometimes competing search for equal rights has become acutely important Demographic projections make it easy now to imagine a future majority population of color in the United States Minority Relations Intergroup Conflict and Cooperation sets forth some of the issues involved in the interplay among members of various racial ethnic and sexual minorities Robert S Chang initiated the Intergroup Conflict and Cooperation Project and invited historian Greg Robinson to

collaborate The two brought together scholars from different backgrounds and disciplines to engage a set of interrelated questions confronting groups generally considered minorities This collection strives to stimulate further thinking and writing by social scientists legal scholars and policymakers on inter minority connections Particularly scholars test the limits of intergroup cooperation and coalition building For marginalized groups coalition building seems to offer a pathway to addressing economic discrimination and reaching some measure of justice with regard to opportunities The need for coalitions also acknowledges a democratic process in which racialized groups face significant difficulty gaining real political power despite such legislation as the Voting Rights Act *Power and Status in Majority-minority Relations* Itesh Sachdev,1985 **Globalization** George Ritzer,Paul Dean,2019-02-26 A concise exploration of globalization and its role in the contemporary era Driven by technological advancements and global corporations more and more people are swept up by globalizing processes creating new winners and losers Globalization The Essentials explores the flows structures processes and consequences of globalization in the modern economic political and cultural landscape This comprehensive introduction offers balanced coverage of areas such as global economic and cultural flows environmental sustainability the impact of technology and racial economic and gender inequality providing readers with foundational knowledge of globalization Extensively revised and updated this second edition includes expanded coverage of human trafficking and migration global climate change fake news and information wars and transnational social movements with increased emphasis on examples from Central and South America Africa and Asia Offers a straightforward approach to the multiple facets of globalization and their positive and negative influences on contemporary society Employs unique metaphors and a coherent narrative structure to promote intuitive understanding of abstract concepts Introduces cutting edge research updated statistics and real world examples in areas such as rising global populism social justice movements blockchain technology and cryptocurrencies Provides an efficient and flexible pedagogical structure allowing integration with instructor s own course material Emphasizing student comprehension a wide range of source material is incorporated including empirical research relevant theories newspaper and magazine articles and popular books and monographs Examples of current research and recent global developments such as emerging economies and global health concerns encourage classroom discussion and promote independent study Globalization The Essentials a compact edition of the authors full sized textbook Globalization A Basic Text provides concise coverage of the central concepts of this dynamic field Offering a multidisciplinary approach this textbook is an invaluable primary or supplemental resource for undergraduate study in any social science field as well as coursework on economics migration inequality and stratification and politics Human Rights in the 21st Century Kathleen E. Mahoney,Paul Mahoney,2023-07-24 This unique and challenging volume is the result of a major international rights conference entitled Human Rights in the Twenty First Century A Global Challenge convened in Banff Alberta Canada in November 1990 The conference was supported and organized under the auspices of the Secretary General of the Council of

Europe The European Court of Human Rights the European Human Rights Commission the Strasbourg Institute of Comparative Human Rights Law the Alberta Law Foundation and the International Centre at the University of Calgary Its main objectives were legal education and legal research which were met by a total of 92 speakers representing 24 different nationalities presenting their views on 24 human rights topics Women and participants from developing countries in particular brought a new vision of human rights to topics as varied as reproductive technology state violence and biotechnology The theme of this book is thus the interdependence of legal social economic and environmental problems which transcend national and international boundaries and the spirit of solidarity which is required to resolve them Written by a team of international and renowned human experts it will provide a substantial contribution to the legal literature on international human rights
