*Names* John R. K. Clark, 2018-04-30 In *Kalaupapa Place Names* John Clark presents a unique history of the leprosy settlement on Molokai based on his meticulous research of more than three hundred Hawaiian language newspaper articles. He first assembled an extensive list of familiar and long forgotten place names associated with the Kalaupapa peninsula and then searched for them in the online repository of Hawaiian language newspapers. With translation assistance by Isona Ellinwood and Keao NeSmith, he discovered articles that show a community of Hawaiians from every island except uninhabited Kahoolawe. Their stories reveal an active community with its members trying to live their lives as normally as possible in the face of a debilitating disease. The first section of the book contains newspaper articles arranged under an alphabetical listing of place names. The second section organizes the material into chronological segments from before the establishment of the Kalaupapa Settlement to the death of Mother Marianne Cope in 1918. These two sections are followed by a collection of *kanikau* or lamentations, interviews with Kalaupapa residents, and a list of Hawaiian language newspapers. Introductory paragraphs for groupings of newspaper articles assist the reader in visualizing the physical landscape and understanding the history and significance of a particular location. The poetry of the Hawaiian language is evident throughout the translations, especially in the *kanikau*.

**Nectar #19** Babaji Bob Kindler, Swami Ranganathananda, Lex Hixon, Sharad Chandra, Surya Green, Annapurna Sarada, 2005-07-04 To know Religion is to know Truth for that is its basis. And who knows the Truth? Those who have realized It through the unique and specific ways and means leading to It. The enlightened souls and the honest oral and written records they left behind should become the recourse of the wise seeker. Such a seeker hears the Truth contained within the nondual revealed scriptures, then gets the transmission of Truth directly from a realized soul, then practices intensely with dedication and perseverance to realize that Truth. This triple combination produces sages and seers. Reading a few books, giving a few talks, leading a few classes on relationships, fasting, dieting, breathing, and posturing the body, fascination with occult powers, indulging all the many modes of pretended spirituality, intellectual study devoid of any direct experience—when did any of these ever produce an authentic luminary?

**Deeper Than Dreams** Jessica Topper, 2021-02-09 First came LOVE, but it takes more than fairy tales to make DREAMS come true. Adrian and Kat's story continues in this Love Steel novella. Falling for rock star Adrian Digger Graves was the second chance at love. Kat Lewis never expected. In fact, it defied all classification the former librarian had come to rely on. And now, with a little help from friends and family, including Kat's adorable daughter Abbey, it appears Adrian has planned an evening of surprises beyond her wildest dreams. The night before, Kat witnessed the triumphant reunion of Adrian's band at Madison Square Garden. Tonight, the rocker will escort her to the elegant, ultra-exclusive Library Lions benefit. It seems like a fairytale, but even fairytales have a deeper, darker side. When old habits return to tempt her knight in shining heavy metal armor, will Kat's happily ever after come crashing back to reality? Author's Note: *Deeper Than Dreams* is Book 2 in the Love Steel series and is a novella follow-up to *Louder Than Love*.
