Joyce Watford-Montague

Make A Glad Sound:

The Real Deal Gregory Alan Haage, 2008-03 Written in a coffee talk format this is a VERY helpful book for both the seeker and Bible student Pastor Greg writes in a style as if he's sitting across from you talking one to one fielding your questions about Jesus as well as controversial topics A must read aid for everyone's library In everyone's life there comes a time when they go on a God search which usually involves listening to religious experts You watch CNN's Larry King Live show and a supposed religious expert says one thing about what the Bible really says and the very next night a different expert states just the opposite Most people think O K What's up with that You read about Christians being put in Roman coliseums with lions because they refuse to denounce their King missionaries in third world countries dying for their faith study martyrs over the last twenty centuries being killed for the cause only to watch stories of TV preachers living lavish lifestyles of jets limousines and mansions and say to yourself What's wrong with this picture The Biblical insights to all these relevant questions especially in a crazy confusing 9 11 violent world are in this no non sense straight ahead pull no punches examination of Christianity by Greg Haage a successful professional musician and recording artist who's now in ministry called to counsel and train others in the faith with one goal in mind Getting people free from religious works or denominational duties and pointing them to the One who made the footprints in the sand [www UpFrontMinistries.com](http://www.UpFrontMinistries.com)

Harpsong Rilla Askew, 2012-11-19 Harlan Singer a harmonica playing troubadour shows up in the Thompson family's yard one morning He steals their hearts with his music and their daughter with his charm Soon he and his fourteen year old bride Sharon are on the road two more hobos of the Great Depression hitchhiking and hopping freights across the Great Plains in search of an old man and the settlement of Harlan's long standing debt Finding shelter in hobo jungles and Hoovervilles the newlyweds careen across the 1930s landscape in a giant figure eight with Oklahoma in the middle Sharon's growing doubts about her husband's quest set in motion events that turn Harlan Singer into a hero while blinding her to the dark secret of his journey A love story infused with history and folk tradition Harpsong shows what happened to the friends and neighbors Steinbeck's Joads left behind In this moving redemptive tale inspired by Oklahoma folk heroes Rilla Askew continues her exploration of the American story Harpsong is a novel of love and loss of adventure and renewal and of a wayfaring orphan's search for home all set to the sounds of Harlan's harmonica It shows us the strength and resilience of a people who in the face of unending despair maintain their faith in the land *A Desire so Strong* Joyce

Watford-Montague, 2011-09-12 How would you rate the level of your intimacy with God Does your intimate moments with God have you longing for time to stand still so that you'll never have to leave His presence Does the level of your intimacy with God rouse a constant yearning within to be ever so near to Him to just hear Him to always experience Him Has the level of your intimacy with God affected you so much so that the very sigh of God stimulates you to give more of yourself over to him If you've answered yes and no then know that this practical yet powerful novel is kindle that will keep the flames burning
