In the competitive world of ultra high end residential real estate Frank McKinney has managed to do what I've done with projects all over the world. His groundbreaking deals and brand making attention to detail have enabled him to make it big within his chosen field. Read his book and learn how you too can become a great success. Donald J. Trump. Frank McKinney is in the vanguard of multimillion dollar spec home builders. Fortune. Frank McKinney has always liked to live on the edge; he likes to live dangerously. The Wall Street Journal. Frank is a real estate entrepreneur extraordinaire. The vision he applies in creating his estate homes will someday be legendary. Everyone should be interested in his compelling life story. George F. Valassis, founder, former CEO, Valassis Communications Inc. If you wish to enter the real estate profession, you will find much in these pages to help you. However, anyone can benefit from these 49 philosophies and learn from the examples Frank describes. The stories of succeeding against enormous odds, sacrificing personal comfort to put everything into your business, living according to your vision, putting in a full day's work day in and day out, contributing to others and enjoying your life every moment, I believe, can provide great inspiration no matter what your stage or status in life. Rich DeVos, cofounder, Amway.

Excerpted from the Foreword *Frank McKinney's Maverick Approach to Real Estate Success* Frank E. McKinney, 2006-03-27

Praise for Frank McKinney: My neighbor Frank McKinney is certainly a maverick and a spiritually grounded young man. The oceanfront homes he builds here in Florida are magnificent and unique. More important, Frank's life and the contributions he makes to his community and the world illustrate how a successful businessman can do well while doing good. The principles in Frank McKinney's *Maverick Approach to Real Estate Success* represent a road map of his achievements, a proven strategy for succeeding not just in real estate but also in the business of life. Rich DeVos, cofounder of Amway, owner of the Orlando Magic. If you're ready to make big profits in real estate, then read, absorb, and use the brilliance of Frank McKinney. Mark Victor Hansen, coauthor of *The One Minute Millionaire*. Frank McKinney's book is an excellent how-to guide to earning real estate profits by using McKinney's maverick formulas to find undervalued real estate with profit potential. McKinney is different. This isn't another how-to-get-rich-in-real-estate book. Instead, it is the lively success story of a real estate maverick. McKinney reveals his simple strategies with intriguing personal profit examples that explain how his repeatable techniques work over and over. Robert J. Bruss, syndicated real estate columnist. If Hollywood were casting the role of a maverick who started with very little and went from a 50,000 fixer-upper to a 100 million mansion, they would choose Frank McKinney. Frank McKinney's *Maverick Approach to Real Estate Success* represents his approach to life. He decided to apply that approach to real estate and look what happened. Kendra Todd, winner of *The Apprentice*.
