Paper and the Making of Early Modern Literature Georgina Wilson, 2025-09-30 Paper and the Making of Early Modern Literature explores the crucial role of paper in the early history of books and of English literature Taking up four paradigms of literary scholarship authorship composition form and reuse Georgina Wilson shows how the material affordances of paper shaped the work of readers writers and critics of the seventeenth and eighteenth centuries Looking past the surface of printed texts to less legible forms of labor Wilson models literary critical readings of paper s physical aspects from watermarks to rotatable paper dials in Ben Jonson s Sejanus His Fall and George Wither s emblems sheets and fragments Turning from paper s specific physical attributes to authors who were preoccupied with its imaginative potential Wilson explores how paper s tangible qualities intervened in what readers and writers did with it tracing formalist legal and political debates on the textual and nontextual uses of paper through the works of John Taylor and eighteenth century it narratives Drawing upon examples from early modern drama poetry and prose to consider the real and imagined women and men who made and used paper Wilson demonstrates how early modern paper was both the product of embodied labor and of the early modern imagination Bringing together close reading critical bibliography archival research and literary theory Paper and the Making of Early Modern Literature shows how paper makes literature not only as a physical object but also as a discipline

Using Web and Paper Questionnaires for Data-Based Decision Making Susan J. Thomas, 2004-03-06 Excerpt tribe He had faculties He had also various idiosyncrasies He was undeniably the best hunter and trapper and trainer of dogs to sledge as well as the most expert upon snowshoes of all the Indians living upon the point and he was furthermore one of the dirtiest of them and the biggest drunkard whenever opportunity afforded Fortunately for him and for his squaw Bigbeam as she had been facetiously named by an agent of the company the opportunities for getting drunk were rare for the company is conservative in the distribution of that which makes bad hunters Given an abundance of firewater and tobacco Red Dog was the happiest Indian between the northern boundary of the United States and Lake Gary deprived of them both he hunted vigorously thinking all the while of the coming

hour when after a long journey and much travail he should be in what was his idea of heaven again To day though the rifle bought from the company stood idle beside the ridge pole the sledge dogs snarled and fought upon the snow outside and Bigbeam squat and broad as became her name looked askance at her lord as she prepared the moose meat uncertain of his temper for his face was cloudy Red Dog was in fact perplexed and was planning deeply Good reason was there for Red Dog s thought Events of the immediate future were of moment to him and all his fellows among whom though no chief was formally acknowledged he was recognized as leader for had he not at one time been with the company as a hired hunter Had he not once gone with a fur carrying party even to Hudson s Bay and thence to the far south and even to Quebec And did he not know the ways of the company and could not he talk a French patois which enabled him to be understood at the stations Now as fitting representative of himself and of his clan a great responsibility had come upon him and he was lost in as anxious thought as could come to a biped of his quality Like a more or less

The India-Korea CEPA Sudhakar Yedla, Choongjae Cho, 2018-12-30 This book assesses the changes that the Comprehensive Economic Partnership Agreement CEPA could produce by boosting the competitiveness of firms in India and Korea It evaluates the CEPA in terms of its effects on the environment and natural resources of the importing and exporting countries alike Further it employs the revealed comparative advantage RCA and relative trade advantage RTA methods of analysis to gauge the influence of the CEPA on industrial competitiveness in both host and receiving countries While the CEPA would increase trade between India and Korea in their respective strong domains the book argues that given the nature of the exported and imported goods and products India would be more susceptible to serious environmental impacts than would Korea The book subsequently presents these impacts in a qualitative framework and stresses the need for a comprehensive valuation of not only environmental impacts but also the losses due to tariff cuts and the gains due to increased trade between the two countries
