*Story, Performance, and Event* Richard Bauman,1986-09-26 An analysis of Texan oral narratives that focuses on the significance of their social context Although the tales are all from Texas they are considered representative of oral storytelling traditions in their relationships between story performance and event *National Safety News* ,1921

**Practical Joke Origins** Nakoa Rainfall,AI,2025-03-29 *Practical Joke Origins* explores the historical and psychological roots of practical jokes revealing them as more than mere amusement From medieval court jesters to modern day pranks the book traces how these acts of humor have evolved across cultures and time periods A key insight is how schadenfreude that feeling of pleasure derived from another s misfortune plays a significant role in why we find practical jokes funny The book also examines how power dynamics and social norms influence the types of pranks that are considered acceptable The book s approach is to blend historical analysis with psychological insights challenging the notion of pranks as simple entertainment It delves into the social functions of practical jokes such as their role in bonding social commentary and the maintenance of group hierarchies By understanding cognitive biases and emotional responses readers can gain a deeper appreciation for the complex interplay between humor and human behavior The book progresses chronologically starting with the origins of pranks in the medieval period and moving through the Renaissance Enlightenment and Victorian era before reaching the modern day The concluding chapters explore the psychological dimensions of practical jokes including the ethical considerations and potential for harm providing a comprehensive understanding of this pervasive aspect of social history

**The Diversity of Darkness and Shameful Behaviors** Tim Delaney,2022-05-06 The premise of *The Diversity of Darkness and Shameful Behaviors* is to emphasize the need for enlightened rational thinking as a paradigm of thought as the culture of shamelessness continues to grow and cast its repulsive dark shadow over those who embrace enlightened reason and basic human rights for all *Diversity of Darkness* is an innovative work and represents the third book of a trilogy written by the author that underscores the reality that there are many shamefully hateful and deadly behavioral threats that have jeopardized the very notions of civility decency and justice around the world This unique book utilizes evidence based approaches in the examination of human behaviors in society that have become increasingly shameful and tolerated among a growing number of enablers Key features include a combination

of academic analyses that draw on numerous and specific examples of the diversity of darkness that encompasses the world along with a balanced practical everyday life approach to the study of the socio political world we live in through the use of contemporary culture references and featured popular culture boxes Social scientists social thinkers and the general audience alike will be intrigued by the diversity of topics covered including anti civil rights movements the rise of supremacist groups hate crimes mass shootings and active shootings terrorism war and genocide an increase in shameful behaviors and attempts to shame others and attacks on science reason and rationality We should realize that humanity has the intellect to accomplish great feats but heed the growing culture of shamelessness irrationality and the diversity of darkness
