have long sentences some have been wrongly accused and some even await execution Their environment is often overcrowded ugly violent and full of noise like being in a rock concert all day as one man reported There is nothing to look forward to and often no one to turn to For the past twenty five years Liberation Prison Project has been a lifeline for prisoners first in the United States and also in Australia Italy Mongolia New Zealand and other countries who turned to LPP asking for Buddhist books and spiritual advice in an effort to find meaning in life when everything else has been lost This book is a compilation of advice from Lama Zopa Rinpoche the spiritual director of LPP in response to letters from more than one hundred prisoners mainly in the USA edited into a coherent narrative Rinpoche s advice is that actually their prison is nothing in comparison with their inner prison the prison of anger the prison of attachment the prison of ignorance That prison Rinpoche says they can definitely change And why should they Because simply put happiness and suffering come from the mind not the external world The extent of the heartfelt compassion and love that Rinpoche offers the men who write to him is incredible He empowers them to never give up on the development of their potential and their ability to help others The advice in the book is not just for prisoners It is for all of us

Religion Index One ,2001 Buddhist Wisdom Gerald Benedict,2012-01-01 Discover the ancient wisdom that has made Buddhism the most popular non Biblical religion in Europe and North America Becoming Vajrasattva Thubten Yeshe,2012-01-20 The practice of purification is one of the most important solutions to life s problems Lama Zopa Rinpoche Common to all four traditions of Tibetan Buddhism the practice of Vajrasattva is used to purify negative karma illness and obstacles to spiritual development Lama Yeshe the inspirational teacher who strongly influenced the development of Buddhism in the West found that the practice of Vajrasattva brought dramatic results for his Western students Becoming

Vajrasattva is a complete guide to this purification practice providing instruction on the method commentary on the traditional texts and insight into tantra Also included is an entire section of complete retreat instructions indispensable reading material for anyone undertaking a retreat in the Tibetan tradition The World and Ourselves Venerable Adrian Feldmann, 2016-02-19 After seven years experience as a doctor working in hospitals in Australia New Guinea and England I had become convinced that human suffering and happiness are largely rooted in our behaviour in particular the attitudes behind our behaviour Over two and a half thousand years Buddhist psychology has been adopted into many different cultures from the Middle East to the Far East and from Indonesia in the south to Siberia in the north because it unerringly explains what the human mind is how it functions and its underlying role in causing both happiness and suffering These Buddhist teachings may have challenged my scientific world view to the core but after eighteen months of thorough investigation I accepted them to be valid In 1975 I became a monk in the Tibetan Buddhist tradition to learn more and to incorporate this knowledge into my life as best I could I saw this big step to be an opportunity to further my medical training through application of the proverb Physician heal thyself Although I still have a long way to go on my own path many have requested me to share with them what I have learned since then hence this book Venerable Thubten Gvatso The Lama Yeshe Wisdom Archive offers this digital edition of The World and Ourselves Buddhist Psychology All our titles are made possible by kind supporters of the Archive who like you appreciate how we make these teachings freely available in so many ways including in our website for instant reading listening or downloading and as printed and electronic books Our website offers immediate access to thousands of pages of teachings and hundreds of audio recordings by some of the greatest lamas of our time Our photo gallery and our ever popular books are also freely accessible there Please help us increase our efforts to spread the Dharma for the happiness and benefit of all beings You can find out more about becoming a supporter of the Archive and see all we have to offer by visiting LamaYeshe com Thank you so much *Understanding Our Mind* Thich Nhat Hanh, 2002-02-09 Thich Nhat Hanh pulls from 50 classic Buddhist verses to present the basic teachings of Buddhist applied psychology exploring the true nature of our feelings and perceptions Based on the 50 verses on the nature of consciousness taken from the great 5th century Buddhist master Vasubandhu and the teachings of the Avatamsaka Sutra Thich Nhat Hanh focuses on the direct experience of recognizing embracing and looking deeply into the nature of our feelings and perceptions Presenting the basic teachings of Buddhist applied psychology Understanding Our Mind shows us how our mind is like a field where every kind of seed is planted seeds of suffering anger happiness and peace The quality of our life depends on the quality of the seeds in our mind If we know how to water seeds of joy and transform seeds of suffering then understanding love and compassion will flower Vietnamese Zen Master Thuong Chieu said When we understand how our mind works the practice becomes easy **The Tantric Path of Purification** Thubten Yeshe, 1995 **Healing Personal Psychology** Jasenn Zaejian, 2012-07-10 The mental health professions are responsible for creating and maintaining a folie a deux or

shared public delusion that their intention is to heal On close inspection we see that the primary function of mental health professionals is to serve as moral arbiters of human behavior The legislature has granted clinical psychology and psychiatry the legal rights to define certain behaviors as mental illness Behaviors are defined as mental illness by morally tinged personal clinical opinion Cleverly hidden from the public is the fact that the concept of mental illness has never been established by rigorous science to qualify as an illness or disease The concept of mental illness continues to be created or invented by selected moral judgments and committee discussions not science Healing Personal Psychology presents an historical line of development of psychology and psychiatry from its roots in 19th Century German authoritarianism and oppression to the present state of the field where little has changed The clinical gaze is the bedrock of the professions Therein lies the failure of the mental health professions to effectively heal Mainstream clinical psychology and psychiatry by their very natures engage in some of the most repressive practices in modern society Supporting the thesis of this failure with factual references we are taken on an experiential journey through the system to see the devastation mental health treatment has caused by the creation of disease including central nervous system motor neuron and organ diseases found in different studies to range between 10% 75% of all those treated Not to mention the personal ruin caused for millions of people every year by effectively eliminating their freedom of choice to engage in a pleasurable life existence Strategic change exercises effective in healing a range of serious difficulties are presented as a solution to this devastation Valuable resources for healing from surprising sources are illustrated with references for daily practice. The author brings more than 30 years of experience to bear in pointing towards a healthy way out This book can be utilized by professionals and the public both as an instructive textbook on alternative healing approaches for psychosis depression anxiety fears phobias obsessive or compulsive behaviors trauma or post traumatic related difficulties and as a resource that documents the system of oppression and inconsistent level of competence in the clinical psychology and psychiatry professions The Path of <u>Individual Liberation</u> Chögyam Trungpa, 2014-04-15 The foundational teachings of Buddhism presented here in volume one of Ch gyam Trungpa s magnum opus which offers a systematic overview of the entire path of Tibetan Buddhism This three volume collection presents in lively relevant language the comprehensive teachings of the Tibetan Buddhist path of the hinayana mahayana and vajrayana Considered Ch gyam Trungpa s masterpiece The Profound Treasury of the Ocean of Dharma will resonate with new and senior students of Buddhism Ch gyam Trungpa begins his study by presenting the teachings of the hinayana The hinayana introduces core Buddhist teachings on the nature of mind the practice of meditation the reality of suffering and the possibility of liberation It examines the nature of suffering impermanence and egolessness with an emphasis on personal development through meditative discipline and study The formal entry into the hinayana and the Buddhist path altogether is the refuge vow in which a student goes for refuge to the Buddha or the teacher the dharma or the teachings and the sangha or the community The hinayana path is based on training in mindfulness and awareness

cultivating virtue and cutting grasping Topics covered in detail in this volume include the four noble truths karma the four foundations of mindfulness meditation practice the refuge vows the three jewels the five skandhas the five precepts twofold egolessness and more **Caregiving** Beth Witrogen McLeod,2000-08-04 Framed by the author's personal odyssey as a caregiver and richly informed by the inspiring and poignant tales of others Caregiving explores medical and financial problems all aspects of spirituality and such issues as depression stress housing home care and end of life concerns A rare blend of powerful storytelling and practical information Caregiving is a revelation
