If all the Israeli soldiers and armed forces officers are to be removed from West Bank in response to the Clinton peace plan, the United States will have to make a major decision: Is it willing to accept the possibility that the Palestinians will use the vacuum to launch a new round of terrorism? Or will the United States insist that the Israelis remain in the West Bank to ensure that the peace process is not undermined by a resurgence of terrorism?

During the early summer months in Afghanistan, the U.S. military learned that the Taliban were planning to attack the U.S. military in the north. The U.S. military was not prepared for this attack, and the Taliban were able to capture the U.S. military's base in the north. The U.S. military was forced to retreat, and the Taliban were able to establish a foothold in the north. Rooney's research's conclusions, however, are far more general, and the message is simple: "The more you eat, the more you burn." It is to be sure to choose the right foods. "We found the best combination had to be low-carb, high-protein, and high-fat," says Rooney. "It's important to eat a lot of protein, and a lot of fat, and not a lot of carbs."
