praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy     *The Next Christians Participant's Guide* Gabe Lyons,2011-01-08 In his six session small group Bible study *The Next Christians* Gabe Lyons cites modern day examples and looks ahead over the next century to how Christians can adapt to a new way of living their faith In the wake of the stunning findings that Unchristian Gabe Lyons and David Kinneman's book shared with the world about younger generations disenchantment with Christianity Gabe Lyons became an active participant in many key discussions about the future of Christianity in the U S and the world *The Next Christians* study takes into account recent efforts at Christian renewal addressing the significant challenges that could undermine the viability of Christianity if the faithful do not employ a completely new outlook In it your small group will discuss the ideas presented in the book *The Next Christians* Lyons looks ahead at how Christianity can and must adapt over the next 100 years as he optimistically paints a picture of how it's best days might lay ahead as a new generation rediscovers their faith in this unprecedented new era in the West This Participant Guide features discussion questions background information on each character space to write down thoughts a helpful Leader's Guide and much more 95 pages It is designed for use with *The Next Christians* DVD sold separately features interviews with notable thinkers and leader such as Tim Keller Andy Crouch Scot McKnight Phyllis Tickle and Jon Tyson Sessions include 1 The End of Christian America 2 Restoration Thinking 3 Provoked to Engage 4 Creators Who Are Called 5 Grounded and In Community 6 Counterculture for the Common Good     **New and Enlarged Handbook of Christian Theology** Donald W.
