**Great Sogolon's House** David Courtney Conrad, 2025-08-27 The unusually long version of West African Mande epic transcribed and translated for this book is an extravagant demonstration of the extremes to which Mande bardic artistry can be carried The text presented here is the result of multiple recording sessions with an extraordinarily creative oral artist who augmented key episodes of the Sunjata epic that devolved to him from his own father as well as previous generations of

Maninka and Bamana griots of north eastern Guinea and southern Mali In marked contrast to versions of the Sunjata epic recounted by other griots an essential part of this narrator s performance style is to season familiar episodes with cultural details and digress into explanations not usually offered by other bards *Reclaimed Mate* Kristen Strassel,2022-05-18
