Making Every Vote Count Reassessing Canadas Election System

Lawrence LeDuc, Jon H. Pammett

Making Every Vote Count Reassessing Canadas Election System:

Making Every Vote Count Henry Milner, 1999 Steps Toward Making Every Vote Count brings together the best analyses from the best qualified observers on developments in the growing movement to reform Canada's electoral system. Among mature democracies only the United States and Canada use the first past the post FPTP system for electing all state and provincial as well as national law makers. In Canada the debate over the electoral system which began in earnest after the 1997 federal election is now moving from the university and think tank seminar room to the floor of five provincial legislatures. Four key chapters present up to date accounts of developments in BC, Quebec, PEI and Ontario. They show the provinces moving at different speeds toward meeting an objective to propose a specific model of proportional representation that also ensures a continued role for directly elected representatives of specific geographic boundaries. Two chapters recount experiences in New Zealand and Scotland which adopted electoral plans attempting just such a balance. Others look at South Africa, Japan, France and the United States each selected for the light it casts on a specific aspect of electoral system reform. The remaining chapters consider various practical implications of changing Canada's electoral system now a very real prospect.

The Politics of Electoral Systems Michael Gallagher, Paul Mitchell, 2005-09-15 Electoral systems matter. They are a crucial link in the chain connecting the preferences of citizens to the policy choices made by governments. They are chosen by political actors and once in existence have political consequences for those actors. They are an important object of study for anyone interested in the political process and in this book we subject them to systematic analysis. In addition to some comparative chapters the book contains full accounts of the operation of electoral systems in 22 countries: France, the UK, Germany, Italy, Israel, Spain, Austria, Belgium, Denmark, Finland, The Netherlands, Ireland, Hungary, Russia, Australia, Canada, India, the USA, Japan, New Zealand, Chile and South Africa. The book provides detailed analyses of the operation of a diverse set of electoral systems in their national context. Each chapter explains how the electoral system really works in the given country, examining the strategic incentives the system provides to voters, candidates and parties. All country chapters have a common format and structure. Successive sections analyse the institutional context, how each electoral system was chosen historically, how the current electoral system operates, the rules, mechanics and ballot structure and the political consequences of the current system, the impact on the party system, the internal life of parties and the impact on parliament and government formation. Each country chapter then contains a final section which focuses on the politicization of electoral institutions. In recent years many countries have changed their electoral systems either entirely or in part so there is a strong focus on the processes of electoral reform both historically and prospectively. The book concentrates on the real world politics as well as the political science of electoral systems. The book will be of interest to those concerned with the practical political business of electoral reform. The book contains a wealth of evidence about the performance of various kinds of proportional representation and of non PR systems. This will be invaluable for anyone interested in the question: What would

be the best electoral system for my country **Commissioned Ridings** John C. Courtney, 2001 Where did the idea for nonpartisan constituency redistributions come from What were the principal reasons that Canada turned to arm s length commissions to design its electoral districts In this volume John Courtney addresses these questions by examining and assessing the readjustment process in Canada s electoral boundaries Defining electoral districts as representational building blocks Courtney compares federal and provincial electoral readjustments in the last half of the 20th century showing how parliamentarians and legislators boundary commissions courts and interested members of the general public debated representational principles to define the purposes of electoral redistricting in an increasingly urban ethnically mixed federal state such as Canada **Canadian Parties in Transition, Fifth Edition** Alain-G Gagnon, Brian Tanguay, 2024-10-01 The fifth edition of *Canadian Parties in Transition* continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada The book addresses the origin and the evolution of the Canadian party system and discusses how that system has been impacted by regionalism brokerage politics and political marketing It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics Contributors address the representation and democracy through an exploration of voting systems direct democracy the role occupied by constituencies gender politics and the distinct Quebec dynamics in the federal party system Finally the book analyses topical issues such as electoral participation social movements right wing populist parties political campaigning and digital party politics This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics *Canadian Parties in Transition* presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy *The Oxford Handbook of Electoral Systems* Erik S. Herron, Robert J. Pekkanen, Matthew S. Shugart, 2018-03-15 No subject is more central to the study of politics than elections All across the globe elections are a focal point for citizens the media and politicians long before and sometimes long after they occur Electoral systems the rules about how voters preferences are translated into election results profoundly shape the results not only of individual elections but also of many other important political outcomes including party systems candidate selection and policy choices Electoral systems have been a hot topic in established democracies from the UK and Italy to New Zealand and Japan Even in the United States events like the 2016 presidential election and court decisions such as *Citizens United* have sparked advocates to promote change in the Electoral College redistricting and campaign finance rules Elections and electoral systems have also intensified as a field of academic study with groundbreaking work over the past decade sharpening our understanding of how electoral systems fundamentally shape the connections among citizens government and policy This volume provides an in depth exploration of the origins and effects of electoral systems **Real Choices/new Voices** Douglas J. Amy, 2002 There is a growing realization that many of the problems afflicting American elections can be

traced to the electoral system itself in particular to our winner take all approach to electing officials Douglas Amy demonstrates that switching to proportional representation elections the voting system used in most other Western democracies by which officials are elected in large multimember districts according to the proportion of the vote won by their parties would enliven democratic political debate increase voter choice and voter turnout ensure fair representation for third parties and minorities eliminate wasted votes and spoilers and ultimately produce policies that better reflect the public will Looking beyond new voting machines and other quick fixes for our electoral predicament this new edition of Real Choices New Voices offers a timely and imaginative way out of the frustrations of our current system of choosing leaders

Canada's Democratic Deficit: Is Proportional Representation The Answer? Dennis Pilon,2000 **Does Redistricting Make a Difference?** Mark E. Rush,2000-01-01 In 1812 the Jeffersonian dominated Massachusetts legislature with the approval of Governor Elbridge Gerry split Essex County in an effort to dilute the strength of the Federalists Noting the resemblance of the new oddly shaped district to a well known amphibian a local newspaper dubbed the creation a gerrymander Less well known about this oft recounted episode of American history writes political scientist Mark Rush is its outcome in the ensuing election the Federalists won the district anyway Today politically divisive redistricting gerrymandering to some still causes bitter reapportionment disputes renewed threats of class action lawsuits and legislative wrangling In Does Redistricting Make a Difference Rush offers a skeptical inquiry into this controversy and a critical assessment of the assumptions underlying current analyses of the redistricting process He focuses on long term voting results in redrawn districts and concludes that redistricting at least given present criteria and guidelines has little impact By showing how difficult it is to perpetrate a successful partisan gerrymander Rush challenges the notion that an electorate can be organized into Democratic and Republican groups He further questions the validity of current political research and highly paid political consulting undertaken on the assumption that such organization is feasible Certain to provoke discussion and debate Does Redistricting make a Difference is a timely look at a topic as controversial today as it was in the days of Elbridge Gerry Dynasties and Interludes Lawrence LeDuc,Jon H. Pammett,2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements Dynasties and Interludes provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty

Factional Politics Françoise Boucek,2012-10-29 Drawing on theories of neo institutionalism to show how institutions shape dissident behaviour Boucek develops new ways of measuring factionalism and explains its effects on office tenure In

each of the four cases from Britain Canada Italy and Japan intra party dynamics are analyzed through times series and rational choice tools

The Friendly Dictatorship Jeffrey Simpson,2011-01-14 Is Canada a dictatorship albeit a friendly dictatorship In this thoughtful book Jeffrey Simpson argues that the Liberal Party s re election to a third majority government must raise the question Is Canada in danger of becoming a de facto one party state ruled by an all powerful leader An effective parliamentary system presumes that at least one party is ready and capable of replacing the existing government by winning an election Clearly no party was ready in the last election and none of the opposition parties absorbed the lessons of Canadian political history that the Liberals can only be defeated by coalitions that show a preference for moderation and compromise The recent election results have left the Liberals in power for the foreseeable future Jean Chr tien s longevity and reluctance to step down has highlighted the most alarming part of Canada s de facto one party government Canadian parliamentary democracy now places more power in the hands of the prime minister than does any other democracy Chr tien who has survived and thrived so long in this political system is the last person from whom anyone should expect an interest in reform At the same time Canadians increasing discouragement over their political system can be seen in a declining voter turnout a documented erosion in respect for all politicians and in an increasing interest in other forms of political engagement as opposed to organized partisan politics The Friendly Dictatorship demonstrates what has been happening in three areas that are vital to Canadian democracy the parliamentary system the political parties and the electorate What has occurred within each of these spheres has directly influenced developments in the others and the combined effect has been to leave Canadian democracy in a worrying state The Friendly Dictatorship delivers a message that is informed articulate and passionate and that should be heard by all Canadians

Canadian Parties in Transition, Fourth Edition Alain-G. Gagnon,A. Brian Tanguay,2017-01-01 Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics

The People's House of Commons David E. Smith,2007-04-21 Canada s House of Commons has come under considerable attack in recent years Many critics have contended that the House has been unresponsive to public opinion and that its party leaders have too much control while leaving individual MPs essentially powerless The House has also faced challenges by the courts since the introduction of the Charter a powerful bureaucracy equipped with specialized knowledge and new telecommunications systems that are redefining the transfer of information Through an examination of academic judicial political and legal commentary The People s House of Commons explores the role of the House as a public institution While addressing much of

the criticism that has been levelled at the House David E Smith considers the competing political models and inherent tensions and their affect on public understanding Smith maintains that court decisions are transforming the political system from one dominated by parties to one that promotes individual participation He argues that reforms such as fixed election dates or stronger parliamentary committees have constitutional significance since their implementation would alter the practice of responsible government which for more than a century has been a party government A definitive work by one of Canada s foremost experts in the field of political science The People s House of Commons explores the ramifications of many of the changes currently being proposed to Canada s political system with particular reference to their affect on prerogative power parliamentary privilege party discipline bicameralism and the role of the opposition Analyse de Politiques ,2006

Elections in the Americas A Data Handbook Volume 1 Dieter Nohlen,2005-04-14 This two volume work continues the series of election data handbooks published by OUP It presents a first ever compendium of electoral data for all 35 countries in the Americas since the introduction of universal male suffrage Following the overall structure of the series an initial comparative introduction on elections and electoral systems is followed by chapters on each country Written by knowledgeable and renowned scholars the contributions examine the evolution of constitutional and electoral arrangements and provide systematic surveys of the up to date electoral provisions and electoral rules These widely differing rules exert considerable influence on party systems and political processes Exhaustive statistics on all national elections and referendums are given in each chapter Together with the other books of this series Elections in the Americas is a highly reliable resource for historical and cross national comparisons of elections and electoral systems worldwide **Stalled** Linda Trimble,Jane Arscott,Manon Tremblay,2013-05-31 Following significant increases in women s electoral representation in the 1980s and 90s progress has stalled Today there are only a few more women in Canada s parliament and legislatures than a decade ago What has happened to the representational gains for women and why does gender parity remain so elusive To answer these questions Stalled provides a detailed roadmap of women s political representation as candidates office holders cabinet ministers party leaders and as representatives of the Crown at all levels of government across Canada Comprehensive and accessible this volume makes clear that women are far from achieving equality in sites of formal political power *Elections in Canada* Tamara Small,Royce Koop,2025-05-06 Elections serve as a reflection not only of voter choices but also of the historical and legal context of a country s governance Emphasizing the significant influence of the electoral process Elections in Canada examines the intricate relationships between voter preferences historical and legal frameworks campaign dynamics political figures and media platforms Organized into five comprehensive sections the book provides a detailed exploration of Canadian electoral processes Beginning with a broad examination of election administration it situates the analysis within a wider democratic and comparative context The book outlines key institutional building blocks and the unique constitutional and legislative settings that have evolved since Confederation It analyses national campaigns

constituency campaigns third parties and journalists as well as the pivotal role of political communication debates and polling. Reflecting on the diverse landscape of voter participation the book considers the engagement of women Indigenous peoples racialized individuals and LGBTQ2 communities. It sheds light on landmark cases discussing five pivotal elections that had long standing impacts on the development of Canadian political history. Ultimately *Elections in Canada* draws on a variety of perspectives to provide politics students and instructors with a comprehensive overview of both contemporary and historical Canadian elections.

Fixing Elections Steven Hill, 2004-03-01 *Fixing Elections* shows our whole 18th century Winner Take All political system including the way we elect our legislatures. Steven Hill argues our geographic based Winner Take All political system is at the root of many of our worst political problems including poor minority and majority representation low voter turnout expensive mudslinging campaigns congressional gridlock regional balkanization and the growing divide between city dwellers and middle America.

The Handbook of Electoral System Choice J. Colomer, 2016-01-05 The topic of electoral reform is an extremely timely one. The accelerated expansion of the number of new democracies in the world generates increasing demand for advice on the choice of electoral rules at the same time a new reformism in well established democracies seeks new formulae favouring both more representative institutions and more accountable rulers. *The Handbook of Electoral System Choice* addresses the theoretical and comparative issues of electoral reform in relation to democratization political strategies in established democracies and the relative performance of different electoral systems. Case studies on virtually every major democracy or democratizing country in the world are included.

Voting Counts Law Commission of Canada, 2004 Through the electoral process citizens grant authority to their governments and to the laws governments enact. In recent years more and more Canadians have expressed their desire for improvements to our system of democratic governance and to the mechanisms through which they can participate in government decision making processes. This report aims to clarify the debates surrounding electoral reform it reviews the arguments advanced to justify change evaluates their relevance and cogency and proposes a new model p vii

Making Every Vote Count Reassessing Canadas Election System Introduction

Making Every Vote Count Reassessing Canadas Election System Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Making Every Vote Count Reassessing Canadas Election System Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Making Every Vote Count Reassessing Canadas Election System : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Making Every Vote Count Reassessing Canadas Election System : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Making Every Vote Count Reassessing Canadas Election System Offers a diverse range of free eBooks across various genres. Making Every Vote Count Reassessing Canadas Election System Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Making Every Vote Count Reassessing Canadas Election System Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Making Every Vote Count Reassessing Canadas Election System, especially related to Making Every Vote Count Reassessing Canadas Election System, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Making Every Vote Count Reassessing Canadas Election System, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Making Every Vote Count Reassessing Canadas Election System books or magazines might include. Look for these in online stores or libraries. Remember that while Making Every Vote Count Reassessing Canadas Election System, sharing copyrighted material without

permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Making Every Vote Count Reassessing Canadas Election System eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Making Every Vote Count Reassessing Canadas Election System full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Every Vote Count Reassessing Canadas Election System eBooks, including some popular titles.

FAQs About Making Every Vote Count Reassessing Canadas Election System Books

What is a Making Every Vote Count Reassessing Canadas Election System PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Every Vote Count Reassessing Canadas Election System PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Every Vote Count Reassessing Canadas Election System PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Every Vote Count Reassessing Canadas Election System PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Every Vote Count Reassessing Canadas Election System PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How

do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
