An Allowance Is Not a Bribe Allan M. Gonsher,2000 In recent years many books have been published on the topic of Jewish parenting What sets this book apart from others is the powerful message of its author Allan Gonsher who is an experienced family therapist with the dual perspective of a practicing Jew and a clinician trained in psychology and inter

personal dynamics An Allowance is Not a Bribe is the result of this unique viewpoint on Jewish parenting The author shows parents how a Torah based life holds many answers to the deepest needs within every Jewish individual and how belief in God and the performance of mitzvot offer the coping skills necessary for dealing with the emotional challenges of today s world Again and again the author calls upon his knowledge of psychology and interconnects his experience with the tools of counseling and his faith in Judaism to offer guidance to today s parents Neither a how to nor a discussion of overall parenting skills An Allowance is Not a Bribe follows the author s personal Jewish journey as it pertains to his life and his perspective on the subject of raising responsible Jewish children For Gonsher a passionate commitment to Judaism is the most important legacy he and his wife have given their three sons Thus he encourages other Jewish parents to start their own Jewish journeys and to serve as role models in secular standards and in matters of faith and spirituality from the time their children enter pre school until they are grown For example Gonsher explains the 4 B Approach for helping children as young as six become responsible for their bedroom bathroom breakfast and backpack

Learners on the Autism Spectrum Kari Dunn Buron,Pamela J. Wolfberg,2008 This work has contributions from major experts in the field of autism spectrum disorders ASD It provides an overview of all major issues related to individuals with ASD including current research and teaching tips including interventions Includes glossary learner objectives chapter review questions and answers

Growing Friendships Eileen Kennedy-Moore,Christine McLaughlin,2017-07-18 Children everywhere want to fit in with a group resist peer pressure and be good sports but even the most socially adept children struggle at times But after reading this guide on their own or with a caring adult kids everywhere may be more equipped to face any friendship challenges that come their way Amazon com

How to Make Friends: How to Start a Conversation and Make Friends (The Ultimate Guide on How to Socialize and How to Make Friends and Influence People) Steven Gonzalez,101-01-01 This entertaining and easytoread book shows you how to master the art of conversation The author tells you how to approach other people the right questions to ask how to keep a conversation going and how much you should reveal about yourself He discusses the problems you may face how to convey your ideas to others the way to develop wit and confidence and how to close a conversation naturally His advice will help you create friendships and make you more selfassured and relaxed with people How to start a conversation and make friends is an invaluable handbook for every kind of situation whether business or social This book is ready to serve as a sacred text for People who believe their social lives are on the verge of collapsing because they are too introverted or don t connect with others Many people have trouble making friends because they are following misguided manuals but this social skills guidebook addresses those challenges and offers solutions This friendship book for adults will get you into the world of people and possibilities It will help you to get past your fears conquer your anxieties and boost your confidence The book offers a rather cordial and friendly method of establishing relationships It states that the fundamental components of human connection have not undergone meaningful changes even in our technology driven lifestyles Whether you re looking

for new friends at a recent workstation trying to find your group among social media platforms or nurturing bonds with your family and friends this book gives you out of date strategies that are still current with a new take for today

Not Just Talking Sioban Boyce, 2017-07-12 This innovative approach to dealing with communication difficulties was devised by the author following encounters with increased numbers of children who had learned to talk but still were unable to communicate effectively This new theory of communication development devised in the late 1990s has been successfully used by the author and a wide range of educators and promotes the good use of non verbal skills in children This programme changes the lives of the children in the family and at school who benefit from it The book will look at Non verbal communication theory Normal and disordered development Problems arising behaviour social skills emotions education in the family Prevention Assessment

and Intervention Generally those children with poor non verbal skill development will have limited ability to communicate effectively in all situations and may even be shut down i e not attempting to communicate unless they choose to This flagship book provides a whole new perspective and presents a concrete alternative approach to tackling the fundamentals from which communication difficulties arise Making Friends with Death Judith L. Lief, 2001-02-13 Drawing from The Tibetan Book of the Dead a Buddhist teacher provides readers with the essential guidepost for embarking on the journey of life and the journey beyond Journal of Hospice and Palliative Nursing In Making Friends with Death Buddhist teacher Judith Lief who s drawn her inspiration from the Tibetan Book of the Dead shows us that through the powerful combination of contemplation of death and mindfulness practice we can change how we relate to death enhance our appreciation of everyday life and use our developing acceptance of our own vulnerability as a basis for opening to others She also offers a series of guidelines to help us reconnect with dying persons whether they are friends or family clients or patients Lief highlights the value of relating to the immediacy of death as an ongoing aspect of everyday life by offering readers a variety of practical methods that they can apply to their lives and work These methods include Simple mindfulness exercises for deepening awareness of moment by moment change Practices for cultivating loving kindness Helpful slogans and guidelines for caregivers to use Making Friends with Death will enlighten anyone interested in coming to terms with their own mortality More specifically the contemplative approach presented here offers health professionals students of death and dying and people who are helping a dying friend or relative useful guidance and inspiration It will show them how to ground their actions in awareness and compassion so that the steps they take in dealing with pain and suffering will be more effective
