*Twelve Stones* Barbara Carole,2011-08-31 *Twelve Stones* is the story of Barbara Ilaynia a secular Jew who worships Art and Romance who tries to unravel the meaning of existence and make every moment a masterpiece She lives and loves with passion though not always with wisdom in Parisian garrets and in Moroccan villages in the light of Southern France and in sunny California While embracing the drama of life and inhaling the fragrance of flowers along her path her search is sometimes misguided by intensity and misled by intellectualism At the zenith of her quest Barbara discovers something even more meaningful than truth She encounters the Source of love Her life changing confrontation with God transforms a strong willed sensual tough minded individualist and then her real journey begins This book is Barbara s altar of remembrance built from the stones she has pocketed along her winding path She builds this altar to honor the God of miracles *Making*
