Dudley, 2010-09-01 Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith Shepherding the Small Church Glenn Daman, 2002 An indispensable source of advice and encouragement for the small church pastor including how to formulate a mission while understanding the cultures of the community and the church *Small Church Checkup* Kay Kotan, Phil Schroeder, 2018-01-01 Many small membership churches today are faced with the sobering reality of attendance loss and overall decline This resource provides a guide to help you find hope alternatives and the possibility of a new beginning Included are tools to help you measure your church's vitality evaluate the results and diagnose your church's condition along with several options for treatment plans as you seek to faithfully serve your community Remember that we can choose our story If we believe in our hearts there is another possibility we can be faithful in choosing intentional pathways forward that honor God the church founders and generations to come Follow the steps outlined in these pages to evaluate where you are and what the next steps on your journey need to be as you seek to be a not yet big church a stable small church or a church that chooses to close and be repurposed for unexpected new life Indispensable Guide for Smaller Churches David R. Ray, 2009-06-01 This book complements the author's earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches* Ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance His vision is to lead even smaller churches toward the year 2030 *Pastoral Stress* Anthony C. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They re also newly updated to reflect our changing culture including helpful charts and checklists for self evaluation **International Journal of Religious Education** ,1924 Empowering The
