Making Kingdom Disciples A New Framework:

Making Kingdom Disciples Charles Dunahoo, 2022-06 *Making Kingdom Disciples* Charles H. Dunahoo, 2005 A strategic biblical approach to education and discipleship knowing the Word framework for ministry knowing the world context for ministry and biblical models for application The Maturing Church Ermias G. Mamo, 2017-12-31 For a church to be considered mature an integrated approach between contextualization discipleship and mission is required Globally the church is facing multiple challenges both from within and from without Despite the challenges however churches in the Majority World continue to grow rapidly But is this growth in numbers accompanied by spiritual depth And is this growth built upon biblical and theological foundations so that the church can play its transforming role in the world In this book Dr Ermias Mamo makes the case for an integrated approach guiding the reader through the topics of discipleship mission and contextualization for which he uses his home country of Ethiopia as a working example Dr Mamo closes with strategies for effective contextualized discipleship and the impact such an approach will have on the future of the church This is a resource that will benefit all who wish to be part of a church that seeks to shape its theological learning institutional structure and core values around their identity in Christ and God given mission *Seated in the Heavenly Realms* Young Jae Song, 2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God's creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber's unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today Lilies That Fester John Bossert Brown, 2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while

others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been seventy three million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship

The Kingdom of God Is among You Gordon D. Fee,Cherith Fee Nordling,2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1

Missional Discipleship After Christendom Andrew R. Hardy,Dan Yarnell,2018-03-14 It is not a changing culture reduced resources or a rescinding Christian memory that creates the greatest challenges for the church in

the West It is the lack of a clear commitment to the intentional authentic and contextual expressions of missional disciple making which will shape current and future generations of followers of Jesus to express the values of the Kingdom today This book offers stimulating historical biblical and theological reflections on discipleship and considers some of the possibilities and opportunities afforded to us by our post Christian context Missional discipleship allows the missio Dei to shape us in our engagement our practices and sustain us in the lifelong journey of becoming and developing disciples that follow Jesus today

Equipping Christians for Kingdom Purpose in Their Work Tom Lutz, Heidi Unruh, 2022 Equipping Christians for Kingdom Purpose in Their Work This book unpacks a strategy for anyone in ministry to disciple churchgoers in how to effectively live out their faith with their work With short readable chapters filled with case studies examples and practical resources readers will learn how to equip others to fulfill their kingdom purpose in their work Vat die regte pad - Jesus s'n Stephan Joubert, 2021-12-01 Te veel gelowiges voel skuldig omdat hulle nie voldoen aan ander se geestelike verwagtings nie Of omdat hulle nie die standaard resepte uiteleef wat gedurig in die kerk uitgedeel word van hoe n regte Christen moet leef nie Hulle is kerklik betrokke maar voel moedeloos Godsdienstige uitbranding is n paar van hulle se voorland Tot vervelens beleef hul die Here is teleurgesteld met hulle Hierdie boek is nie die groot antwoord op dissipelskap in drie maklike stappe nie Jy gaan definitief nie hier tien beproefde resepte vir suksesvolle Christenwees of so iets raakloop nie Maar dit wil wel saam met jou reis na n paar onontdekte skatte in die Here se skatkamers Dit wil die las van gewone gelowiges soos ek en jy se skouer aflag om buiten gewone lewens tot eer van die Heer te leef Net dit *Centering Discipleship* E. K. Strawser, 2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus **The God who Risks** John Sanders, 1998-01-01 In The God Who Risks theologian John Sanders enlightens pastors and lay persons who struggle with questions about suffering evil and human free will **Promise and Poison** John Van Hagen, 2023-09-25 In Promise and Poison psychologist and former Catholic priest John Van Hagen argues that the long standing Jewish hope for the history changing intervention of YHWH and the cursed shameful crucifixion of Jesus were two elements from which emerged new moral communities whose members were soon called Christians While the history of Emerging Christianity appears fraught with battles about what to believe orthodoxy what often goes unnoticed is the intense struggle to live a virtuous life orthopraxis In their desperate efforts at self definition communities demonized outsiders and held insiders to unrealistic standards of conduct That insistence on living a highly moral life was also fueled by the promise of a new afterlife on a transformed earth The presence of retaliatory rage lay close to the surface While the verbal violence toward those others only became actuated when Christians gained political power the pressure for remaining a highly moral community spawned hypocrisy and harsh competition among insiders This religion s moral struggle in ancient times is also a challenge

for us today Can we establish boundaries which are so necessary for an identity as a moral community without demonizing those outside or ostracizing those inside who are perceived to be different The United States still struggles with this question

Retelling the Story of God Scott Allen Davis, 2016-05-25 People in our culture today desperately need explanations for the big questions of life Who am I Where did I come from Why am I here Where am I going People in the twentieth century concluded that God did not exist so the vastness of the universe and the finitude of man came together to create a crisis of existence for them Their skepticism has been passed on to those of us who live in the twenty first century so that crisis is still with us The great questions still demand answers but none will be forthcoming until we begin to see our existence in light of the existence of God and His story *Christian Dogmatics* van der Kooi & van den Brink, 2017 A fresh inviting text on the content of Christian faith in our contemporary context This one volume systematic theology presents an accessible orthodox overview of the Christian faith for students teachers pastors and serious lay readers Cornelis van der Kooi and Gijsbert van den Brink not only cover all the traditional themes creation sin Jesus Christ Scripture and so on but also relate those classical themes to contemporary developments like Pentecostalism postfoundationalism and evolutionary theory Consisting of sixteen chapters the book is ideal for classroom use Each chapter begins with engaging questions and a statement of learning goals and concludes with a list of recommended further reading Written in a student friendly tone and style and expertly translated and edited van der Kooi and van den Brink's *Christian Dogmatics* splendidly displays the real practical relevance of theology to the complexities of our world today *Insider Church* S. T. Antonio, 2020-11-17 Insider Movements Church planting Movements In the last few decades the Church has witnessed a growing harvest of Muslim background believers coming to Christ However a divide remains over whether the insider paradigm contributes to the flourishing and multiplication of healthy biblical churches among Muslims S T Antonio advances this conversation beyond the old arguments through a fresh analysis of the insider paradigm by asking the question What is church Starting with the identity shaping narrative of the people of God Antonio digs deep into the nature of biblical ekklesia from multiple angles local and universal visible and invisible the classical marks of the church and missional identity Combining a robust biblical vision with a nuanced contextualization framework and informed by firsthand ministry among Muslims Antonio uncovers the roots and contours of the ecclesial vision of the insider paradigm *Insider Church* provides an innovative diagnosis of a paradigm that has been surrounded by controversy challenging it with constructive analysis for multiplying biblical churches among Muslims This integrative study draws together biblical theological and missiological scholarship in service of Christ's mission *Insider Church* helps guide mission practitioners leaders and students toward a wise assessment of insider movements and a vision for church multiplication that is both fruitful and faithful to the Lord of the harvest *The Meanings of Discipleship* Andrew Hayes, Stephen Cherry, 2022-07-22 Discipleship is a foundational concept of Christian life which has become a popular and ubiquitous description of belonging and growth in early 21st century ecclesiastical language Discipleship courses and

popular writings abound and the term is used liberally in official church documents and strategies for growth and development particular in a western context But does recent use of the word risk reducing the wide range of meanings of discipleship to something less rich and inclusive than is warranted With contributions from an array of leading thinkers scholars and theologians including Rachel Mann Kirsteen Kim and Anthony Reddie this book argues that there is need for more clarity precision and depth in defining what meaningfully and constructively is construed as discipleship Beginning with an overview of how the concept of discipleship has been understood in history the volume goes on to consider some of the key figures who have shaped our understanding of the concept and finally to reflect on what discipleship might look like in contemporary society

The Missions and Missional Purpose of Ephesians Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1 3 and the missional church is grounded in an exposition of Eph 4 6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4 6
