Making Of Eastern Europe:

The Making of Eastern Europe Philip Longworth, 1992-08-18 Why has the collapse of Communism resulted in so much disappointment for the hopeful millions of Eastern Europe In this original and provocative book Philip Longworth argues that their predicament is only partly due to the imposition of the Soviet system but rather they are the heirs of misfortune which dates back centuries In exploring the origins of current problems this sweeping history ranges from the present day to the time of Constantine the Great from the Urals to the Mediterranean and the Baltic and emphasises culture and society as well as politics and economics The resulting analysis provides the crucial and until now much needed long term background to the difficulties now facing Eastern Europe This new perspective and the insight it brings will improve our understanding of this complex region and be of immense value to all who want to understand Eastern Europe s past and present **The**
