Making Of Go Down Moses:

The Making of Go Down, Moses James Early, 1972 Obscurity's Myriad Components R. Rio-Jelliffe, 2001 On that paradoxical premise Faulkner's theory addresses the writer's dilemma of having only the inadequate word to surmount itself and the practice in fiction seeks to vanquish the enemy not in the wordless as it is often denoted but in silence past the word

BOOK JACKET Faulkner in America Ann J. Abadie, 2001 *Reassessing the Twentieth-Century Canon* N. Allen, D. Simmons, 2014-06-17 The collection brings together experts in the field of twentieth century writing to provide a volume that is both comprehensive and innovative in its discussion of a set of newly canonical texts The book includes new applications of philosophical and critical thinking to established texts **William Faulkner** Daniel J. Singal, 1997 Through detailed analyses of individual texts from the earliest poetry through *Go Down Moses* Singal traces Faulkner's attempt to liberate himself from the powerful and repressive Victorian culture in which he was raised by embracing the Modernist culture of the artistic avant garde Most important it shows how Faulkner accommodated the conflicting demands of these two cultures by creating a set of dual identities one that of a Modernist author writing on the most daring and subversive issues of his day and the other that of a southern country gentleman loyal to the conservative mores of his community It is in the clash between these two selves Singal argues that one finds the key to making sense of Faulkner **Companion to Literature** Abby H. P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student Researchers RUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates **Go Down Moses** Richard Newman, 1998 A stunning illustrated celebration of the African American spiritual a tradition born in slavery that gave rise to some of the most powerful poetry ever composed in America *Go Down Moses* includes the lyrics to 200 songs along with the music to 25 of the most popular ones 75 two color drawings *William Faulkner* Richard Godden, 2009-01-10 In *William Faulkner* Richard Godden traces how the novelist's late fiction echoes the economic and racial traumas of the South's delayed modernization in the mid twentieth century As the New Deal rapidly accelerated the long term shift from tenant farming to modern agriculture many African Americans were driven from the land and forced to migrate north At the same time white landowners exchanged dependency on black labor for dependency on northern capital Combining powerful close readings of *The Hamlet* *Go Down Moses* and *A Fable* with an examination of southern economic history from the 1930s to the 1950s Godden shows how the novels literary complexities from their narrative structures down to their smallest verbal emphases reflect and refract the period's economic complexities By demonstrating the interrelation of literary forms and economic systems the book describes in effect the poetics of an economy Original in the way it brings together close reading and historical context *William Faulkner* offers innovative interpretations of late Faulkner and makes a unique contribution to the understanding of the relation between literature and history *Making Whiteness* Grace Elizabeth Hale, 2010-08-25 *Making Whiteness* is a profoundly important work that explains how and why whiteness came to be such a crucial embattled

and distorting component of twentieth century American identity In intricately textured detail and with passionately mastered analysis Grace Elizabeth Hale shows how when faced with the active citizenship of their ex slaves after the Civil War white southerners re established their dominance through a cultural system based on violence and physical separation And in a bold and transformative analysis of the meaning of segregation for the nation as a whole she explains how white southerners creation of modern whiteness was beginning in the 1920s taken up by the rest of the nation as a way of enforcing a new social hierarchy while at the same time creating the illusion of a national egalitarian consumerist democracy By showing the very recent historical making of contemporary American whiteness and by examining how the culture of segregation in all its murderous contradictions was lived Hale makes it possible to imagine a future outside it Her vision holds out the difficult promise of a truly democratic American identity whose possibilities are no longer limited and disfigured by race

Ghost, Android, Animal Tony M. Vinci, 2019-11-19 *Ghost Android Animal* challenges the notion that trauma literature functions as a healing agent for victims of severe pain and loss by bringing trauma studies into the orbit of posthumanist thought Investigating how literary representations of ghosts androids and animals engage traumatic experience this book revisits canonical texts by William Faulkner and Toni Morrison and aligns them with experimental and popular texts by Shirley Jackson Philip K Dick and Clive Barker In establishing this

textual field the book reveals how depictions of non human agents invite readers to cross subjective and cultural thresholds and interact with the impossible pain of others Ultimately this study asks us to consider new practices for reading trauma literature that enlarges our conceptions of the human and the real

Subversive Voices Evelyn Jaffe Schreiber, 2001 In *Subversive Voices* Evelyn Jaffe Schreiber investigates the intersection of identity and culture as manifested in the novels of William Faulkner and Toni Morrison Drawing on the psychoanalytic theory of Jacques Lacan as well as on various cultural studies theories Schreiber offers provocative new insights into these two writers and what their work reveals about the possibilities of social change Schreiber considers how blacks and women through their subversive voices and articulation of difference produce change despite the psychic and cultural structures that would determine identity The author begins her examination of these marginalized voices by analyzing the patriarchal structure depicted in Faulkner's *Go Down Moses* She goes on to trace the subversive voices of women in the *Snopes* trilogy before considering the emergent voices of blacks in Faulkner's work generally as well as specifically in *Intruder in the Dust* In the second half of the book Schreiber analyzes the articulation of difference that Morrison presents through the black and female characters of *The Bluest Eye* *Song of Solomon* *Beloved* and *Paradise* In Faulkner's work Schreiber argues nostalgia provides a screen that preserves the power of patriarchal structures and serves to eroticize the other for the dominant culture by using marginalized others to fulfill the desire for an imagined wholeness Yet in spite of this screen agency or empowerment does emerge for these marginalized voices in Faulkner In Morrison's novels the absence of a nostalgic screen highlights these subversive voices the dominant culture's eroticized imagined other becomes a threatening entity and gains agency Schreiber suggests that meaningful action and change can occur through encounters with what Lacan calls the real an awareness of the nothingness at the core of identity Recognition of this nothingness allows the reality of the other to manifest itself and have agency in the social world The works of both Faulkner and Morrison reveal whether obliquely or directly how subversive voices emerge to expose this lack Such exposure then creates a form of self awareness that can lead to cultural transformation

The Author Evelyn Jaffe Schreiber is an assistant professor of English at George Washington University Her articles have appeared in the *Faulkner Journal* *Style* *Mississippi Quarterly* and other publications

Abadie,1992 *Reading Faulkner's Best Short Stories* Hans H. Coote,David Robert Ord,2018-01-04 This is a book about an ancient writer the J writer the Yahwist who produced a work of political imagination This work is embedded mainly in the first four books of the Bible best known for some of the most popular and influential biblical stories in Genesis and Exodus The purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of the other literary strands with which it was later supplemented Therefore the work includes a fresh complete translation of the text of the J writer who produced the Bible s first history The translation itself helps to establish more clearly than ever the integrity of the J writer The concern here is WHEN and WHY this history was written especially in light of the concerns for justice and prosperity Throughout it is demonstrated HOW and WHY this history comes from the court of David it is a royal history of David s subjects as though they were descended from pastoral nomads such as Abram Isaac and Jacob It is argued that the intended audience of the history was probably those bedouin who regularly visited the court of David in Hebron and Jerusalem Here is a bold and brilliant representation of the J writer s composition perhaps as it was originally intended to be read or heard This ancient tour de force takes on new life in the hands of these skilled interpreters **Faulknerista** Catherine G. Kodat,2022-11-16 Faulknerista collects more than twenty years of critically influential scholarship by Catherine Gunther Kodat on the writings of one of the most important American authors of the twentieth century William Faulkner Initially composed as freestanding essays and now updated and revised the book s nine chapters place Faulkner s work in the context of current debates concerning the politics of white authors who write about race queer sexualities and the use of the N word in literature and popular culture The Faulknerista of the title is a critic who tackles these debates without fear or favor balancing admiration with skepticism in a manner that

establishes a new model for single author scholarship that is both historically grounded for women have been writing about Faulkner and talking back to him since the beginning of his career and urgently contemporary Beginning with an introduction that argues for the critical importance of women s engagement with Faulkner s fiction through comparative discussions pairing it with works by Toni Morrison Jean Luc Godard Quentin Tarantino and David Simon Faulknerista offers a valuable resource for students scholars and general readers written in an accessible style and aimed at stimulating discussions of Faulkner s work and the rich interpretive challenges it continues to present
