Goldstein, 2009-04-13 History      **Non-Violence** Domenico Losurdo, 2015-04-09 We know of the blood and tears provoked by the projects of transformation of the world through war or revolution Starting from the essay published in 1921 by Walter Benjamin twentieth century philosophy has been committed to the criticism of violence even when it has claimed to follow noble ends But what do we know of the dilemmas of the betrayals of the disappointments and tragedies which the movement of non violence has suffered This book tells a fascinating history from the American Christian organizations in the first decades of the nineteenth century who wanted to eliminate slavery and war in a non violent way to the protagonists of movements Thoreau Tolstoy Gandhi Capitini M L King the Dalai Lama who either for idealism or for political calculation flew the flag of non violence up to the leaders of today s color revolutions      **China's Elite Politics** Zhiyue Bo, 2010 A sequel to the author s trailblazer China s Elite Politics Political Transition and Power Balancing published by World Scientific in 2007 this book tackles the issue of governance in China It provides up to date information on China s political elites and evaluates their ability to deal with crises through four case studies Snowstorm in the South the Tibet issue the Sichuan Earthquake and the Beijing 2008 Olympic Games Along with China s Elite Politics Political Transition and Power Balancing this book provides rich empirical information on and insightful theoretical understanding of national level politics in China and serves as a good reference source for students of Chinese politics

**Contestation and Adaptation** Enze Han, 2013-09-19 This book compares five major ethnic groups in China and how they negotiate their national identities with the Chinese nation state Uyghurs Chinese Koreans Dai Mongols and Tibetans By studying their diverse pattern of national identity construction it sheds light on the nation building processes in China during the past six decades      **A Great Deception** Western Shugden Society, 2010 A courageous and compelling account of Tibetan history and the activities of the current Dalai Lama that stand in stark contrast to popular perceptions of a holy politician With an extensive compilation of news stories documents personal accounts and chronologies a tangle of religion and politics is revealed that plays out in Tibetan exile communities and across the international stage embodied in the person of the 14th Dalai Lama The aims of this book are religious to end an illegal ban on a mainstream Buddhist practice that the Dalai Lama has personally rejected and maligned However to get to the heart of this human rights issue and to gain the support of those who can affect its resolution the book endeavors to follow knotted threads of political ambitions deception greed and betrayal to unravel the popular mythology that surrounds the iconic Dalai Lama of Tibet      **War in Modern China** Harold M Tanner, 2025-09-30 This book offers comprehensive coverage of China s military history from the Qing dynasty 1644 1912 to present China has become one of the great world powers of the twenty first century As a result Chinese

leaders and observers outside of China alike seek to explain China's strategic thought and action. In doing so they routinely refer to China's military history. This volume examines this history beginning with the Qing dynasty's era of imperial expansion and subsequent decline continuing with the wars against foreign aggression and internal uprisings of the nineteenth century the revolutionary overthrow of the Qing in 1911 and seemingly constant wars of the first half of the twentieth century and concluding with the Chinese Communist Party's use of military power from 1950 to present. This history is generally presented as a narrative of imperial greatness followed by a century of national humiliation followed by a recovery of national wealth and power under Communist Party leadership. While acknowledging this narrative Harold Tanner digs deeper to reveal a fundamental continuity of interests underlying Chinese strategic thinking from the Qing to the present while also showing how the theory and practice of war in China changed over time as Chinese political and military leaders wrestled with tremendous challenges drawing on foreign sources as well as their own cultural heritage to seek new solutions. Both engaging and timely *War in Modern China: A Military History* is essential reading for students, scholars, and enthusiasts of Chinese and global military history.

**The Social Life of Tibetan Biography** Amy Holmes-Tagchungdarpa, 2014-07-30. *The Social Life of Tibetan Biography* explores the creation of Tibetan religious authority in Tibetan cultural areas throughout East Inner and South Asia through engaging with the relationship between textual biography and social community in the case of the Eastern Tibetan yogi Tokden Shakya Shri 1853-1919. It explores the different mechanisms used by Shakya Shri's community in the creation of his biographical portrait to develop his lineage including the use of biographical tropes, details of interpersonal connections, educational and patronage networks, and representations of sacred site creation and maintenance. In doing so, this study decenters Tibetan and Himalayan religious history through recognizing that peripheries could act as alternative centers of authority for diverse Tibetan Buddhist communities.

**The Struggle for Modern Tibet: The Autobiography of Tashi Tsering** Melvyn C. Goldstein, William R. Siebenschuh, Tashi Tsering, 2015-02-24. This captivating autobiography by a Tibetan educator and former political prisoner is full of twists and turns. Born in 1929 in a Tibetan village, Tsering developed a strong dislike of his country's theocratic ruling elite. As a 13-year-old member of the Dalai Lama's personal dance troupe, he was frequently whipped or beaten by teachers for minor infractions. A heterosexual, he escaped by becoming a drombo or homosexual passive partner and sex toy for a well-connected monk. After studying at the University of Washington, he returned to Chinese-occupied Tibet in 1964, convinced that Tibet could become a modernized society based on socialist egalitarian principles only through cooperation with the Chinese. Denounced as a counterrevolutionary during Mao's Cultural Revolution, he was arrested in 1967 and spent six years in prison or doing forced labor in China. Officially exonerated in 1978, Tsering became a professor of English at Tibet University in Lhasa. He now raises funds to build schools in Tibet's villages, emphasizing Tibetan language and culture.

**The Chinese Revolution on the Tibetan Frontier** Benno Weiner, 2020-06-15. In *The Chinese Revolution on the Tibetan*

Frontier Benno Weiner provides the first in depth study of an ethnic minority region during the first decade of the People's Republic of China the Amdo region in the Sino Tibetan borderland Employing previously inaccessible local archives as well as other rare primary sources he demonstrates that the Communist Party's goal in 1950s Amdo was not just state building but also nation building Such an objective required the construction of narratives and policies capable of convincing Tibetans of their membership in a wider political community As Weiner shows however early efforts to gradually and organically transform a vast multiethnic empire into a singular nation state lost out to a revolutionary impatience demanding more immediate paths to national integration and socialist transformation This led in 1958 to communization then to large scale rebellion and its brutal pacification Rather than joining voluntarily Amdo was integrated through the widespread often indiscriminate use of violence a violence that lingers in the living memory of Amdo Tibetans and others
