Making Of Victorian Sexual Attitudes:

The Making of Victorian Sexual Attitudes Michael Mason, 1994 Victorian sexual moralism was real enough but what was its nature The Victorians are often called puritanical with the implication that their sexual moralism was religiously based It was opposed we like to think by freethinkers and progressives and perhaps also by the working class Michael Mason has already pointed to the fallacy of such views in his previous volume The Making of Victorian Sexuality Here he develops his revisionist account of Victorian sexual ideology and shows that to be Victorian about sex was actually in its day to be progressive optimistic and modern minded Religious beliefs even in militant form were only a support for an essentially secular ideal The Victorian anti sensual coalition did break down at the end of the century but the liberationists were old fashioned reformers who were often bitterly resisted by for example socialists and feminists This novel and provocative analysis is developed in a series of detailed portraits of crucial movements episodes and individuals the Swedenborgians Henry James Prince Baron Renton Nicholson the Vice Society prostitute rescue Owenism neo Malthusianism and many more A formidable array of evidence is assembled for views which strike at the root of conventional wisdom about the English nineteenth century

Prostitution, Women and Misuse of the Law Helen J. Self, 2004-08-02 This is an examination from a feminist historian's standpoint of the background to the present system of regulating prostitution in Britain which is generally admitted to be not only unjust and discriminatory but ineffective even in achieving its stated aims Concentrating on the 1950s and especially on the Wolfenden Report and the 1959 Street Offences Act it is a thorough exposure of the sexual double standard and general misogynist assumptions underlying legislation relating to prostitution In addition to the detailed analysis of the 1950s legislation and the background to it there is an exposition of the subsequent workings of the Act and of attempts to amend or repeal it

Sexual Restraint and Aesthetic Experience in Victorian Literary Decadence Sarah Green, 2023-03-09 Can sexual restraint be good for you Many Victorians thought so This book explores the surprisingly positive construction of sexual restraint in an unlikely place late nineteenth century Decadence Reading Decadent texts alongside Victorian writing about sexual health including medical literature adverts advice books and periodical articles it identifies an intellectual Paterian tradition of sensuous continence in which healthy pleasure is distinguished from its harmful counterpart Recent work on Decadent sexuality concentrates on transgression and subversion with restraint interpreted ahistorically as evidence of repression sublimation or queer coding Here Sarah Green examines the work of Walter Pater Lionel Johnson Vernon Lee and George Moore to outline a co extensive alternative approach to sexuality where restraint figured as a productive part of the aesthetic life or a practical ethics shaped by aesthetic principles Attending to this tradition reveals neglected connections within and beyond Decadence bringing fresh perspective to its late nineteenth and twentieth century reception

The Making of Victorian Sexuality Michael Mason, 1994 BL A challenging examination of Victorian sexuality BL Confronts one of the most persistent historical clichés of modern times BL Draws on a wealth of documentary

evidence including medical scientific religious demographic and literary texts At a time when AIDS abortion and sexual abuse have become favourite topics of media and academic debate it is no surprise that the Victorians with their strong associations with prudery and puritanism are frequently held up as an example of a sexual culture far different from our own Yet what did the Victorians really think about sex What was the reality of their sexual behaviour and what wider concepts biological political religious influenced their sexual moralism The Making of Victorian Sexuality directly confronts one of the most persistent clichés of modern times Michael Mason shows how much of our perception of nineteenth century sexual culture is simply wrong Far from being a license for prudery and hypocrisy Victorian sexual moralism is shown to be in reality a code intelligently embraced by wealthy and poor alike as part of a humane and progressive vision of society's future The average Victorian man was not necessarily the church going tyrannical secretly lecherous bourgeois paterfamilias of modern day legend but often an agnostic radical minded sexually continent citizen with a deliberately restricted number of children Persuasively arguing that there is much in Victorian sexual moralism to teach the complacently libertarian twentieth century this lively and fascinating study offers a radical challenge to one of the most persistent myths of our age

The Origins of Sex Faramerz Dabhoiwala, 2012-05 A man admits that when drunk he tried to have sex with an eighteen year old girl she is arrested and denies they had intercourse but finally begs God's forgiveness Then she is publicly hanged alongside her attacker These events took place in 1644 in Boston where today they would be viewed with horror How and when did such a complete transformation of our culture's attitudes toward sex occur In The Origins of Sex Faramerz Dabhoiwala provides a landmark history one that will revolutionize our understanding of the origins of sexuality in modern Western culture For millennia sex had been strictly regulated by the Church the state and society who vigorously and brutally attempted to punish any sex outside of marriage But by 1800 everything had changed Drawing on vast research from canon law to court cases from novels to pornography not to mention the diaries and letters of people great and ordinary Dabhoiwala shows how this dramatic change came about tracing the interplay of intellectual trends religious and cultural shifts and politics and demographics The Enlightenment led to the presumption that sex was a private matter that morality could not be imposed that men not women were the more lustful gender Moreover the rise of cities eroded community based moral policing and religious divisions undermined both church authority and fear of divine punishment Sex became a central topic in poetry drama and fiction diarists such as Samuel Pepys obsessed over it In the 1700s it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women Arguing that the sexual revolution that really counted occurred long before the cultural movement of the 1960s Dabhoiwala offers readers an engaging and wholly original look at the Western world's relationship to sex Deeply researched and powerfully argued The Origins of Sex is a major work of history

Women and Literature in Britain 1800-1900 Joanne Shattock, 2001-08-30 These new essays by leading scholars explore nineteenth century women's writing across a spectrum of genres The book's focus is on women's role in and

access to literary culture in the broadest sense as consumers and interpreters as well as practitioners of that culture Individual chapters consider women as journalists editors translators scholars actresses playwrights autobiographers biographers writers for children and religious writers as well as novelists and poets A unique chronology offers a woman centered perspective on literary and historical events and there is a guide to further reading *Thicker Than Water* Leonore Davidoff, 2012 A pioneering new study of nineteenth century kinship and family relations focusing on the British middle class and highlighting both the similarities and the differences in relations between brothers and sisters in the past and in the present *The Works of Elizabeth Gaskell, Part II vol 6* Joanne Shattock, Angus Easson, 2017-09-29 Features Elizabeth Gaskell's work This work brings together her journalism her shorter fiction which was published in various collections during her lifetime her early personal writing including a diary written between 1835 and 1838 when she was a young mother her five full length novels and *The Life of Charlotte Brontë* *Women, Gender and Religious Cultures in Britain, 1800-1940* Sue Morgan, Jacqueline de Vries, 2010-06-10 This volume is the first comprehensive overview of women gender and religious change in modern Britain spanning from the evangelical revival of the early 1800s to interwar debates over women's roles and ministry This collection of pieces by key scholars combines cross disciplinary insights from history gender studies theology literature religious studies sexuality and postcolonial studies The book takes a thematic approach providing students and scholars with a clear and comparative examination of ten significant areas of cultural activity that both shaped and were shaped by women's religious beliefs and practices family life literary and theological discourses philanthropic networks sisterhoods and deaconess institutions revivals and preaching ministry missionary organisations national and transnational political reform networks sexual ideas and practices feminist communities and alternative spiritual traditions Together the volume challenges widely held truisms about the increasingly private and domesticated nature of faith the feminisation of religion and the relationship between secularisation and modern life Including case studies further reading lists and a survey of the existing scholarship and with a British rather than Anglo centric approach this is an ideal book for anyone interested in women's religious experiences across the nineteenth and twentieth centuries *Sex, Gender and Social Change in Britain since 1880* Lesley A. Hall, 2017-09-16 Sexual attitudes and behaviour have changed radically in Britain between the Victorian era and the twenty first century However Lesley A Hall reveals how slow and halting the processes of change have been and how many continuities have persisted under a facade of modernity Thoroughly revised updated and expanded the second edition of this established text explores a wide range of relevant topics including marriage homosexuality commercial sex media representations censorship sexually transmitted diseases and sex education features an entirely new last chapter which brings the narrative right up to the present day provides fresh insights by bringing together further original research and recent scholarship in the area Lively and authoritative this is an essential volume for anyone studying the history of sexual culture in Britain during a period of rapid social change [Sex, Politics and Society](#)

,2014-05-22 A pioneering study which has become an established classic in its field *Sex Politics and Society* provides a lucid and comprehensive analysis of the transformations of British sexual life from 1800 to the present These changes are firmly located in the wider context of social change from industrialization and the experience of Empire through the establishment of the welfare state to the rise of new social movements such as feminism and gay liberation and new forms of social conservatism Now fully revised and updated and with a new chapter bringing the story right up to date this new edition considers the transformation of the sexual world through globalization and the internet the changing impact of the AIDS pandemic over the last thirty years the influence of new currents in social and cultural theory on the study of sexuality the gradual depoliticization and mainstreaming of sexuality within historical study Combining rich empirical detail with innovative theoretical insights *Sex Politics and Society* remains at the cutting edge of the subject and this third edition will inspire and provoke a whole new generation of readers in history sociology social policy and the study of sexuality **The Burdens of Intimacy** Christopher Lane,1999 Why does passion bewilder and torment so many Victorian protagonists And why do so many literary characters experience moments of ecstasy before their deaths In this original study Christopher Lane shows why Victorian fiction conveys both the pleasure and anguish of intimacy Examining works by Bulwer Lytton Swinburne Schreiner Hardy James Santayana and Forster he argues that these writers struggled with aspects of psychology that were undermining the utilitarian ethos of the Victorian age Lane discredits the conservative notion that Victorian literature expresses only a demand for repression and moral restraint But he also refutes historicist and Foucauldian approaches arguing that they dismiss the very idea of repression and end up denouncing psychoanalysis as complicit in various kinds of oppression These approaches Lane argues reduce Victorian literature to a drama about politics power and the ego Striving instead to reinvigorate discussions of fantasy and the unconscious Lane offers a clear often startling account of writers who grapple with the genuine complexities of love desire and friendship *Lyrical Ballads* Michael Mason,2014-06-06 *Lyrical Ballads* by William Wordsworth and Samuel Taylor Coleridge is a unique work of literature first published in 1798 it marked a radical change in the direction of English Literature *Lyrical Ballads* represented a movement away from the overwrought highly formal and learned verse of the 18th century and in so doing ushered in a new more democratic poetic era Written in the language of the common man and addressing the concerns of the common man *Lyrical Ballads* was the first and remains the most truly revolutionary collection of poetry paving the way for the great Romantic poets Keats Byron Shelley et al and proving that while there was no actual revolution on the ground England could still be the most revolutionary of places *Lyrical Ballads* was not a single phenomenon but a sequence of four editions spread over seven years its appearance in English literature was not a historical moment but a sequence of moments 1798 1800 1802 1805 This edition based on the 1805 edition but looking back on each of the previous publications shows how this collection developed how it was refined and added to by the authors No other edition on the market has such a wealth of key background

information Nameless Offences H. G. Cocks, 2003-05-23 What did the Victorians know about desire between men Was it really the love that dare not speak its name Nameless Offences argues that even before Oscar Wilde and the rise of sexual science there was an open public and concerted discussion of same sex desire that went to the heart of Victorian notions of masculinity civil society class and identity How did homosexuality come to be known as a secret vice consigned to a secret place the closet when contemporaries regularly described its existence as widespread threatening and even notorious Nameless Offences asks where the closet came from and how the English learned to describe that which was nameless and indescribable in this way This groundbreaking book offers the definitive portrait of male homosexuality in the nineteenth century and includes many perceptive insights into what it reveals about the interaction between public and private morality which lay at the heart of Victorian England Nameless Offences is a cogently argued and well written book which contributes importantly to our understanding of the history of the legal regulation of sexual behavior between men in the 19th century I cannot do justice to the richness of his historical narrative he has found gems of narrative detail and woven them into a persuasive analysis Morris B Kaplan Associate Professor of Philosophy State University of New York **Tradition and the Poetics of Self in Nineteenth-Century Women's Poetry**, 2021-11-01 Tradition and how far writers fit into or diverge from the demands of tradition is one of the most debated issues in literary discussion Gender however is not often part of discussions which depend on such questions at the decisiveness of the Modernist break with the Victorian period or whether Postmodernism makes tradition meaningless By contrast the very existence of a specifically female tradition is still an urgent subject of debate and it is clear that many nineteenth century women writers were troubled in their search for literary foremothers This autobiographical impetus can be located in the work of each of the poets discussed in Tradition and the Poetics of Self Nineteenth Century Women's Poetry Elizabeth Barrett Browning Caroline Bowles Southey Emily Dickinson and Christina Rossetti An exploration of the self either in the abstract or in a more closely personal sense appears in a concern with the craft of poetry and the role of the poet in a teasing out of language as a marker of a personal encounter with the world in an adventurous play with genre and a rewriting of myth and in a bold confrontation with received notions of a woman's place Adventurousness marks the work of each of these poets and is a central focus of these essays

Prostitution Dr Paula Bartley, Paula Bartley, 2012-11-12 Prostitution Prevention and Reform in England 1860 1914 is the first comprehensive overview of attempts to eradicate prostitution from English society including discussion of early attempts at reform and prevention through to the campaigns of the social purists Prostitution looks in depth at the various reform institutions which were set up to house prostitutes analysing the motives of the reformers as well as daily life within these penitentiaries This indispensable book reveals reformers attitudes towards prostitutes and prostitution daily life inside reform institutions attempts at moral education developments in moral health theories influence of eugenics attempts at suppressing prostitution The Victorians John Gardiner, 2006-10-27 A major study of changing attitudes to the Victorians

from Lytton Strachey to the present day *Masculinity and Male Homosexuality in Britain, 1861-1913* S. Brady, 2016-02-19
This book is part of a new generation of historical research that challenges prevailing arguments for the medical and legal construction of male homosexual identities in late nineteenth and early twentieth century Britain British society could not tolerate the discussion necessary to form medical or legal concepts of the homosexual The development of masculinity as a social status is examined for its influence in shaping societal attitudes towards sex and sexuality between men and fostering resistance to any kind of recognition of these phenomena Imperatives to bolster masculinity as a social status precluded public recognition of the existence of sex and sexuality between men even in terms that were hostile and pejorative

Wealth and Welfare Martin Daunton, 2007-04-26 Martin Daunton provides a clear and balanced view of the continuities and changes that occurred in the economic history of Britain from the Great Exhibition of 1851 to the Festival of Britain in 1951 In 1851 Britain was the dominant economic power in an increasingly global economy The First World War marked a turning point as globalization went into reverse and Britain shifted to insular capitalism Rather than emphasising the decline of the British economy this book stresses modernity and the growth of new patterns of consumption in areas such as the service sector and the leisure industry *Wilkie Collins (Authors in Context)* Lyn Pykett, 2009-01-29 Lyn Pykett offers a lively exploration of the novels of Wilkie Collins author of the first recognised detective novel

Thank you completely much for downloading **Making Of Victorian Sexual Attitudes**. Maybe you have knowledge that, people have see numerous period for their favorite books behind this Making Of Victorian Sexual Attitudes, but end stirring in harmful downloads.

Rather than enjoying a good ebook past a mug of coffee in the afternoon, on the other hand they juggled subsequently some harmful virus inside their computer. **Making Of Victorian Sexual Attitudes** is straightforward in our digital library an online permission to it is set as public fittingly you can download it instantly. Our digital library saves in complex countries, allowing you to acquire the most less latency times to download any of our books next this one. Merely said, the Making Of Victorian Sexual Attitudes is universally compatible behind any devices to read.

Making Of Victorian Sexual Attitudes Introduction

Making Of Victorian Sexual Attitudes Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Making Of Victorian Sexual Attitudes Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Making Of Victorian Sexual Attitudes : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Making Of Victorian Sexual Attitudes : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Making Of Victorian Sexual Attitudes Offers a diverse range of free eBooks across various genres. Making Of Victorian Sexual Attitudes Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Making Of Victorian Sexual Attitudes Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Making Of Victorian Sexual Attitudes, especially related to Making Of Victorian Sexual Attitudes, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Making Of Victorian Sexual Attitudes, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Making Of Victorian Sexual Attitudes books or magazines might include. Look for these in online stores or libraries. Remember that while Making Of Victorian Sexual Attitudes, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Making Of Victorian Sexual Attitudes eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Making Of Victorian Sexual Attitudes full book , it can give you

a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Of Victorian Sexual Attitudes eBooks, including some popular titles.

FAQs About Making Of Victorian Sexual Attitudes Books

What is a Making Of Victorian Sexual Attitudes PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Of Victorian Sexual Attitudes PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Of Victorian Sexual Attitudes PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Of Victorian Sexual Attitudes PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Of Victorian Sexual Attitudes PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
