Old-Fashioned Santa Claus Cards Suzanne Presley, 1990-09-01 Nothing says Merry Christmas like greetings from Santa Claus Antique cards most from the turn of the 20th century offer a unique and jolly way to extend best holiday wishes

How to Make Heirloom Teddy Bears Quinn, 2017 **Dear Santa** Samuel Johnson, 2018-11-27 If you could ask Santa for absolutely anything what would you ask for Samuel Johnson OAM Australia's favourite skylarker brother and determined cancer vanquisher has asked his friends and supporters who just happen to be some of Australia's best writers comics actors artists musicians and personalities to share their letters to Santa Some letters are naughty Some letters are nice Some echo a favourite childhood memory Some beg forgiveness Some are angry Some just want something sweet Some want to change their own world others want to change the whole world Contributors include Helen Garner Adam Hills Deborah Mailman Rove McManus Leigh Sales Grant Denyer John Williamson Myf Warhurst John Paul Young Mia Freedman Shaun Micallef Missy Higgins and many more This little book of letters is wicked witty and warm hearted It will make you laugh think and feel and is the perfect Christmas gift for those who speak human Illustrations by Shaun Tan Every copy sold will contribute to cancer research [Santa's North Pole Cookbook](#) Jeff Guinn, 2012-10-25 A collection of seasonal recipes presented from the

first person perspective of Santa Claus features such classic favorites as German Christmas goose with cabbage and potato dumplings Santa's favorite rosemary turkey and English Christmas plum pudding [Printers' Ink Monthly](#), 1926 *The International Confectioner*, 1928 [Santa Claus](#) Letlhokwa George Mpedi, 2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at

all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people s behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various epistemologies does Santa still make the cut
