

Making Horsehair Rope

Stephanie Bunn, Victoria Mitchell

Making Horsehair Rope:

Making Horsehair Rope Diane Gadway, Richard Schneider, 1993 **Women's Tales from the New Mexico WPA** Tey Diana Rebolledo, Marÿa Teresa Mrquez, 2000-11-30 As part of the Works Progress Administration during the Depression two women interviewers Lou Sage Batchen and Annette Hesch Thorp gathered women's stories or cuentos from many native ancianas to glean vivid details of a way of life now long disappeared American Cowboy, 2002-01 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West **Rope Making Craft** Marcus Tesla, AI, 2025-02-13 Rope Making Craft explores the fascinating world of rope making an age old craft with deep roots in human history that continues to evolve today This book examines the diverse techniques and materials used in creating ropes from natural fibers like hemp to modern synthetics It highlights the profound impact of rope on various aspects of civilization noting its essential role in maritime exploration and the construction of monumental structures The book uniquely blends historical insights with practical instruction offering a comprehensive understanding of rope making It begins with the basic principles of twisting and braiding then progresses through detailed step by step instructions for creating different types of ropes It also explores specialized techniques such as splicing and knotting The book emphasizes that understanding traditional rope making provides a valuable foundation for appreciating the properties and applications of modern synthetic ropes Through clear explanations and practical examples Rope Making Craft demonstrates that rope making is not a lost art but an evolving craft reflecting human innovation This approach makes complex technical information accessible and inspiring connecting the past to the present while encouraging readers to explore rope making through hands on experimentation Western Apache Material Culture Alan Ferg, 2022-06-21 Western Apache Material Culture is a collection of essays specifically about the Guenther and Goodwin Western Apache ethnographic collections at the Arizona State Museum and about Western Apache culture This is an important book and will become the standard reference on Western Apache material culture American Indian Quarterly This book will surely appeal not only to those who are interested in the Apache material culture studies or the potential of Native American museum resources as cultural and historical documents but also to those who are concerned with the way humans adapted to the environment and thus utilized their world so well African Arts It is a remarkably beautiful and detailed catalog of the Goodwin and Guenther collections of Western Apache artifacts in the Arizona State Museum and a lot more A section of thirty two color photographs by award winning photographer Helga Teiwes is the delectable frosting on this rich and satisfying cake Journal of Arizona History Nebraska Folklore Louise Pound, 2005-08-15 A new edition of the classic compilation of Nebraska lore and legend first published in 1959 includes a

selection of weather lore superstitions cave legends superheroes folk customs hoaxes a study of the use of dialect in folklore and a critical analysis of the origins of American cowboy and folk songs Reprint **The Material Culture of Basketry** Stephanie Bunn, Victoria Mitchell, 2020-10-29 The Material Culture of Basketry celebrates basketry as a culturally significant skilled practice and as a theoretically rich discipline which has much to offer contemporary society While sometimes understudied and underappreciated it has much in common with mathematics and engineering art craft and design and can also act as a socially beneficial source of skill and care Contributors show how local knowledge of materials plants and place are central to the craft Case studies include the skill in weaverbird nest building challenging how we perceive learning in craft and nature an engineer's perspective on twining Peruvian grass bridges and the local knowledge embodied in Pacific plaited patterns and knots Photo essays explore materials and techniques from the point of view of artists anthropologists and mathematicians revealing how the structure and skill in basketwork illustrate a significant form of textile technology Thus the book argues that the textures patterns and geometric forms that emerge through basketwork reflect an embodied knowledge which expresses mathematical and engineering comprehension The therapeutic value of the craft is recognised through a selection of case studies which consider basketry as a healing process for patients with brain injury mental health problems and as a memory aid for people living with dementia This reclaims basketry's significant role in occupational therapy as an agent of recovery and well being Finally basketry's inherently sustainable nature is also considered demonstrating the continuation of basketry in spite of handwork's general decline and profiling new and recycled materials Above all the book envisages basketry as an intellectually rewarding means of knowing It presents the craft as embodying care for skilled making and for the social and natural environments in which it flourishes *Spanish Influence on the Old Southwest* Jeremy Agnew, 2015-11-13 The traditional narrative of the American West tells of a frontier settled by pioneers emigrating from the east to the Pacific coast Yet Spanish conquistadors arrived in Central America 150 years before the Pilgrims landed at Plymouth Rock With them came missionaries who tried to convert the Pueblo and Plains Indians to Christianity by force a suppression of native religious beliefs that led to cultural clashes and outright war This is the story fully documented of how Spanish explorers soldiers and men of the church pushed north from Mexico in the 1500s seeking riches and establishing settlements from Texas to California 250 years before the influx of American settlers in the mid 1800s

The Historic Indian Tribes of Louisiana Fred B. Kniffen, Hiram F. Gregory, George A. Stokes, 1994-09-01 Although many specialized studies have been written about Louisiana's Indian tribes no complete account has appeared regarding their long varied history The Historic Indian Tribes of Louisiana From 1542 to the Present is a highly informative study that reconstructs the history and cultural evolution of these people This study identifies tribal groups charts their migrations within the state and discusses their languages and customs According to the authors the first descriptions of Louisiana Indians are contained in accounts kept by members of Hernando de Soto's expedition In the 1540s The next recorders of

Indian life were the French in the 1700s European influences irrevocably marked the Indians lives The natives lost tribal lands to the new settlers and replaced many of their weapons and tools with those of the Europeans Diseases apparently introduced by the Spaniards decimated entire tribes and caused the disappearance of certain tribal languages that had never been recorded However much of Indian material culture has survived even to the present including the dugout canoe or pirogue and the beautiful cane basketry of the Chitimacha tribe According to the authors current figures show that Louisiana has the third largest native American population in the eastern United States Several of Louisiana s present day Indian tribes such as the Tunica Biloxi Choctaw and Koasati entered the state in the second half of the eighteenth century They gradually established settlements throughout the state at times displacing the native tribes Today many of Louisiana s Indians work in business and industry and as farmers and loggers The Historic Indian Tribes of Louisiana is a valuable contribution to the literature on Louisiana History It will be of interest to anthropologists geographers historians and anyone wanting to know more about these important members of Louisiana s population **Popular Mechanics** ,1960-09 Popular Mechanics

inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *Handicraft Simplified Procedure and Projects in Leather, Celluloid, Metal, Wood, Batik, Rope, Cordage, Yarn, Horsehair, Pottery, Weaving, Stone, Primitive Indian Craft* Lester Griswold,2020-09-17 This text comprises a wonderfully detailed and expansive handbook for crafting in a variety of common mediums including metal leather wood rope yarn pottery and stone This is the perfect book for anyone with an interest in crafting but will particularly appeal to those who like to use a number of different materials in their creations Many antique books such as this are increasingly costly and hard to come by and this text is republished here in the hope that its lessons can continue to be of use to those interested for years to come This antique book has been elected for modern republication due to its timeless educational value and we are proud to republish it now complete with a new introduction on the subject

Knotcraft Allan A. Macfarlan,Paulette Jumeau Macfarlan,1983-09-01 Easy to follow guide explains how to tie hundreds of knots with 166 clear illustrations and precise written instructions Ideal for boaters campers scouts *Hecho en Tejas* Joe S. Graham,1997-04 When the early Spanish and Mexican colonists came to settle Texas they brought with them a rich culture the diversity of which is nowhere more evident than in the folk art and folk craft This first book length publication to focus on Texas Mexican material culture shows the richness of Tejano folk arts and crafts traditions *Tejano Folk Arts & Crafts in South Texas* Joe Stanley Graham,1991 **Loyal to the Land** Billy Bergin,2003-05-14 Loyal to the Land is a sweeping history of one of the United States largest working ranches the Big Island of Hawaii s Parker Ranch Dr Bergin chronicles the ranch from its establishment on two acres purchased for ten dollars by John Palmer Parker to the years following World War II and the beginning of a new era of family ranch management under Parker s grandson Richard Smart In this wide ranging

and insightful book illustrated with more than 250 historical photos Dr Bergin first discusses the important Hispanic vaquero roots of ranching in Hawaii He then relates the histories of the five foundation families providing rich and detailed information on key members who contributed to the Ranch s success The balance of the book examines every aspect of Parker Ranch development management labor improvements and diversification of livestock veterinary and animal care programs and the Ranch s role and influence on the Big Island and the state Larson - Duke of Mongolia Frans August Larson,2013-01-08 Frans August Larson was a Swedish missionary to Mongolia this is the account of his travels around central Asia Larson would go on to become a trusted diplomat well versed in the politics and tribal functions common on the border of China and Mongolia An absorbing account of a young man s travels in this unknown land Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *Cowboy Lingo* Ramon Frederick Adams,2000 Here in one volume is a complete guide to cowboy speak Like many of today s foreign language guides this handy book is organized not alphabetically but situationally lest readers find themselves in Texas at a loss for words The Trial of Tom Horn John W. Davis,2016-03-31 For weeks in 1902 it commanded headlines All of Wyoming and much of the West followed the trial of Tom Horn for the murder of a fourteen year old boy John W Davis s book the only full length account of the trial places it in perspective as part of a larger struggle for control of Wyoming s grazing land Davis also portrays an enigmatic defendant who more than a century after his conviction and hanging perplexes us still Tom Horn was one of the most fascinating figures in the history of the West Employed as a Pinkerton and then as a range detective he had a reputation as a loner and a braggart with a brutal approach to law enforcement even before he was accused of murdering young Willie Nickell Cattlemen saw Horn as protecting their way of life but most people in Wyoming saw him as a hired assassin an instrument of oppression by cattle barons willing to use violent intimidation to protect their assets The story began on July 18 1901 when Willie Nickell was shot by a gunman lying in ambush the killer was apparently after Willie s father who had brought sheep into the area Six months later Tom Horn was arrested The trial pitted the Laramie County district attorney against a crack team of defense lawyers hired by big cattlemen Against all predictions the jury found Horn guilty of first degree murder Despite appeals that went all the way to the state supreme court and the governor Horn was hanged in Cheyenne in 1903 The trial and conviction of Tom Horn marked a major milestone in the hard fought battle against vigilantism in Wyoming Davis himself a trial lawyer has mined court documents and newspaper articles to dissect the trial strategies of the participating attorneys His detailed account illuminates a larger narrative of conflict between the power of wealth and the forces of law and order in the West **The Look of the Old West** William Foster-Harris,2007-04-17 This volume containing hundreds of illustrations brings to life the American of the mid to late 1800s Contained inside are line drawings and description of weaponry of the time military and civilian clothing styles

steamboats and other forms of transportation equestrian styles household items and much more
Coleman Folkard, 1875

The Wild-fowler Henry
