*Glory* Kendall Hoefft, 2024-04-25 Somewhere in Christian history we picked up the lie that it is good to suppress excitement. We as the church carry with us the regurgitated message that our authentic joy is a distraction that it's bad for our brothers and sisters to see or be around. But how can our honest displays of his glory be outlawed? How can our authentic responses of adoration be bad? Reflecting God's character and shining for him is often seen in the church as a selfish act. Yet we are called to join with creation in boldly declaring the glory of God and worshiping him according to his greatness. *Big God Big Glory* shares with readers a heavenly and biblical perspective on how to be free, not suppressed, fulfilled, and wholly alive, all for the glory of God. [Baptism Is Making a Difference](#) Dr. Ed Kruse, 2024-09-06

*Baptism Is Making a Difference* provides daily reflections on how Baptism gives meaning and focus to everyday living. Using selected Bible verses and stories from his own experience, the author identifies how remembering his Baptism affects his own life. He invites you to experience the difference that remembering your Baptism can make in your own life and relationships. [Making a Good Church Great](#) Steve Sjogren, 2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's megachurch mega everything world. As a successful pastor, he launched the servant evangelism movement, but along the way he discovered that significance was not where or what he thought it would be. Now in a very practical book, he focuses on genuine greatness. Is it the size of the sanctuary? The number of new believers baptized each year? The youth attendance? The quantity of bestselling books the pastor has written? The list of television shows, radio shows, or podcasts the pastors appears on? Or is it something more? What is the buzz on good churches that become great in God's eyes? Sjogren argues that greatness is not a point at which you arrive; rather, it is an ongoing process of worshipping, serving, and living in God's presence. It's not a slick program; rather, it is a family, a hospital, an army, and a school. When God is present, his people are empowered. When God empowers his people, a good church becomes great. **How God Makes Men** Patrick

Morley, 2013-11-05 All through the Bible we see stories of bold and brash men who followed God's call into some incredible adventures. In *How God Makes Men*, Patrick Morley reminds us that God still makes those kinds of guys. Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host, God's Way for You to Become God's Man, let's face it: men today are under severe attack. The battle line against biblical manhood is clearly drawn and fiercely contested. More than ever, men who want to follow Christ are asking, "Why is it so hard to live an authentic Christian life? Who will show me how to thrive as a father, a husband, and on the job? What should I do when I'm being tested to the breaking point?" Fortunately, the Bible preserves crucial details about the powerful lessons learned by men who have already faced and answered these questions. In *How God Makes Men*, renowned expert on men's issues, Patrick Morley takes you into Scripture for a first-hand encounter with ten epic stories of the Bible's most talked-about men. Ten proven principles based on their failures and successes show how God works in a man's life and how you can cooperate with Him in yours. The huge promise that you can become the man God created you to be. Don't settle for less. Join Patrick on this epic adventure of becoming God's man.

Daniel C Diaddigo      **Humbler Faith, Bigger God** Samuel Wells,2022-03-29 Finding a renewed Christian story in a time of skepticism and doubt Is Christianity just a fairy tale for the infantile Or worse a cruel fantasy the perpetrator of terrible harm and the cause of endless conflict At most one path among many Such questions reflect the skepticism of outsiders and the doubts of insiders some perennial some underscored by recent events and movements The answer to these objections isn t a louder faith to shout them down it s a humbler faith that points to a bigger God Samuel Wells shows the way through his generous respectful and earnest engagement with ten difficult questions about Christianity In each case he portrays the traditional position and the skepticism of the modern age as two rival stories Transcending both he then offers a revitalized Christian story that better renders the radical courageous and vulnerable nature of authentic faith Wells is unwaveringly honest about the failures of the institutional church and acknowledges many people s negative prior experiences of Christianity making this a book for both Christians and non Christians who have found the stories of their lives disrupted and now seek a fulfilling and truthful story to live by
