Making Of A Crusader Billy Graham:

Billy Graham Curtis Mitchell,1966 *Billy Graham and the Beloved Community* Michael G. Long,2016-04-30 This study is the first detailed analysis of Billy Graham's social thought during one of the most volatile periods of American history the Martin Luther King Jr years 1955-1968 Using previously unpublished documents this book argues that although the popular evangelist occasionally supported King's mission to save America he largely opposed King's vision of the beloved community and his tactics of civil disobedience The book also offers the controversial claim that because Graham allowed his political allegiances to trump his biblical Christianity he never dreamed of nor worked for a world marked by lasting racial reconciliation economic justice and peace *Finding Home with the Beatles, Bob Dylan, and Billy Graham* Jess Archer,2015-12-18 One was the greatest rock band of all time another was a misunderstood poet and Christian convert and the latter is called America's Pastor The Beatles Bob Dylan and Billy Graham were the three forces of artistic and spiritual expression in Archer's childhood and the trio of figures in her father's conversion to Christianity and life's work *Finding Home with The Beatles Bob Dylan and Billy Graham* is Archer's true account of growing up inside the world of the Billy Graham Evangelistic Association For fifteen years her family traversed the globe to prepare cities for Billy Graham's large scale sweeping evangelistic meetings This book details the gritty struggles she faced as the new kid in town and the intense anxiety of their transitory life With humor insight and help from two of the greatest musical forces on the planet Archer explores the universal question Where is home Through her father's boss Billy Graham she finds her way toward the answer to that question **The Making of a Billy Graham Crusader** Curtis Mitchell,1966 *Billy Graham and the New York Crusade* George Burnham, Lee Fisher,1957 *The Making of a New Creature* Janie Jordan,2020-12-04 Annie Jenkins is truly a woman of God a congregant who impresses even her church leaders with her biblical knowledge Despite her solid foundation in the Word of God Annie's heart is troubled her husband Ken is going the way of the world and refuses to go to church with his wife As they mold their two young children together Annie wonders if she can stay with an unsaved man When Ken disappears their entire household is at risk of falling apart Can Annie hold on while God works to answer her prayers to save Ken Inspired by true events *The Making of a New Creature* is a spiritual novel of love and tribulation and an inspiring tale of hope faith and change Set around the United States in the mid twentieth century this book harkens back to a simpler time of hanging the clothes out to dry and visiting with neighbors to share the glory of God With vivid dialogue and a realistic depiction of a conflicted believer the debut novel from Janie Jordan will encourage those around the world struggling in relationships with nonbelievers **Make a Difference** Melvin L. Glossolalia and the Problem of Language Nicholas Harkness,2021-03-19 Speaking in tongues also known as glossolalia has long been a subject of curiosity as well as vigorous theological debate A worldwide phenomenon that spans multiple Christian traditions glossolalia is both celebrated as a supernatural gift and condemned as semiotic alchemy For some it is mystical speech that exceeds what words can do and for others it is mere gibberish empty of meaning At the heart of these differences is glossolalia s puzzling relationship to language Glossolalia and the Problem of Language investigates speaking in tongues in South Korea where it is practiced widely across denominations and congregations Nicholas Harkness shows how the popularity of glossolalia in Korea lies at the intersection of numerous often competing social forces interwoven religious legacies and spiritual desires that have been amplified by Christianity s massive institutionalization As evangelicalism continues to spread worldwide Glossolalia and the Problem of Language analyzes one of its most enigmatic

practices while marking a major advancement in our understanding of the power of language and its limits *From a Ministry for Youth to a Ministry of Youth* Ruth Lukabyo, 2020-09-30 At a time of unprecedented secularization and declining church attendance youth ministry in the twenty first century should be doomed So why is Protestant youth ministry in Sydney vibrant and in many places growing This book sets out to answer this question which is of such importance for the future of the Australian church A pioneering model of youth ministry evolved in the 1930s and was already flourishing in churches schools and university by the 1950s Its early high point was the Billy Graham Crusade of 1959 which may legitimately be seen as an Australian youth revival The new model broke with past practice by cultivating ministry leadership by young people by promoting peer groups to nurture and share faith and by fostering ministry collaboration between young men and women The model used by theological conservatives and liberals alike and has proved both enduring and fruitful This book will engage with the model of youth ministry and the religious experiences of young people in Sydney By reading it you will not only learn from the significant achievements of young people in the past but be better equipped to creatively consider new methods of ministry for the twenty first century *Night of Tears, Years of Joy* Samuel Miller, 2008-04 Can any good come from a head on collision in a Volkswagen Massive head injuries seems like an inadequate description of author Samuel Miller s injuries on a fateful night on a North Carolina highway nearly four decades ago And yet looking back it was a night of divine providence as the lives of five young men were mercifully spared The reader is invited to join the author on an emotional journey through a grueling ordeal that confronts an age old question Can God bring good out of tragedy Not allowed to look in a mirror due to the severity of his facial injuries the author survives and embarks on a memorable voyage of lifelong ministry to those who are hurting As Dr Horace Ward points out in his foreword Samuel has been blessed with a powerful testimony and a fruitful ministry Samuel has an experience worth telling and he tells each word extremely well Samuel Miller author son of South American missionaries is a graduate of Cedarville College and Wright State University An ordained minister since 1973 he is married to Connie teacher and writer Presently involved in evangelistic ministry they pastored twenty one years in West Virginia and Ohio They are the parents of two sons Jeff and Richard both married
