[W. Somerset Maugham - The Making of a Saint](#) W. Somerset Maugham, 2014-03 William Somerset Maugham was born on 25 January 1874 and was to become a playwright and novelist of staggering talent Losing both his parents at age 10 he was raised by a paternal uncle Maugham eventually trained and qualified as a doctor The initial print run of his first novel Liza of Lambeth published in 1897 sold out so rapidly that Maugham gave up medicine to write full time His life was certainly full as the short biography at the end of this book will attest to but it is also a life full of marvellous works and dedication to his art as The Making Of A Saint reveals **The Saint Makers** Joe Drape, 2020-12-01 Part biography of a wartime adventurer part detective story and part faith journey this intriguing book from a New York Times journalist and bestselling author takes us inside the modern day making of a saint The Saint Makers chronicles the unlikely alliance between Father Hotze and Dr Andrea Ambrosi a country priest and a cosmopolitan Italian canon lawyer as the two piece together the life of a long dead Korean War hero and military chaplain and fashion it into a case for eternal divinity Joe Drape offers a front row seat to the Catholic Church's saint making machinery which in many ways has changed little in two thousand years and examines how or if faith and science can co exist This rich and unique narrative leads from the plains of Kansas to the opulent halls of the Vatican through brutal Korean War prison camps and into the stories of two individuals Avery Gerleman and Chase Kear whose lives were threatened by illness and injury and whose family and friends prayed to Father Kapaun sparking miraculous

recoveries in the heart of America Gerleman is now a nurse and Kear works as a mechanic in the aerospace industry Both remain devoted to Father Kapaun whose opportunity for sainthood relies in their belief and medical charts At a time when the church has faced severe scandal and damage and the world is at the mercy of a pandemic this is an uplifting story about a priest who continues to an example of goodness and faith Ultimately *The Saint Makers* is the story of a journey of faith for two priests separated by seventy years for the two young athletes who were miraculously brought back to life with or without the intercession of the divine as well as for readers and the author trying to understand and accept what makes a person truly worthy of the Congregation of Saints in the eyes of the Catholic Church **Catholic World** ,1901 *The Saint I Knew!* Kevin Wilson,2025-06-17 Each of us has the potential to become a saint We re especially reminded of this when we receive the Sacrament of Confirmation as a teenager and choose a saint as our patron and inspiration to go forth boldly as a soldier for Christ to live and proclaim our Catholic faith Who better than the saints and blessed to inspire us in the battle of life In this imaginative work of historical fiction Kevin Wilson places you inside the story of a saint or blessed experiencing their stories as they unfold You ll discover that holy men and women of the 20th century were courageous and battle hardened They fought evil but with weapons of prayer Rosary beads and acts of goodwill often with similar results and in some situations also laying down their lives for others But they were also common people just like us so you never know you might be talking or sitting next to a future saint May these stories enlighten readers especially teens and young adults to realize this importance of holiness and rise above As Bl Carlo Acutis soon to be a saint stated All people are born as originals but many die as photocopies **Ordinary Saints** Stuart C. Devenish,2017-03-08 How does God manifest himself in the world Through the righteous lives of his holy people the saints As a religion of witnesses Christianity is dependent upon its saints defined as activated disciples to testify to the grace of Christ and the kingdom of God Their lives are walking billboards of the value of Jesus teaching and authenticity of Christianity as an ancient spiritual pathway This is a book about saints who are alive now and whose everyday acts of kindness and goodness announce that God is at work in the world Like Jesus their Master they are the message the messenger and the working model of the kingdom of God in a lesser key In following Jesus ordinary saints are willing to give away their lives in order to convey the substance of their faith to a watching world If ever there was a time when saints need to live courageously for Christ in the world it is now But it will take conviction credibility and a great deal of audacity *Ordinary Saints* explores what it means to be a saint in the twenty first century by exploring the depth dimensions of saints lives bodies emotions values and relationships *Praying with the Saints* Jon M. Sweeney,2012-10-01 In this new series of little books you will learn how to grasp the meaning of ancient ways of praying in a relatively short amount of time In *Praying with the Saints* a popular Catholic author The Pope Who Quit explains the origin of saints how to recognize one and the most time tested ways of praying with them in order to enrich your spiritual life *Journal* Pennsylvania. General Assembly. Senate,1905 *The Postmodern Saints of France* Colby Dickinson,2013-07-25
