Vietnam Over the Long Twentieth Century Liam C. Kelley, Gerard Sasges, 2024-07-22 This open access book provides fascinating insights into the incredible changes that Vietnam underwent in the long twentieth century as it transformed from an early modern kingdom to a European colony to a divided land with opposing ideologies and to a unified country in a globalized world At each stage in this long century of changes there were Vietnamese who sought to mold their society into some vision of modernity The book looks at multiple rather than one form of modernity and links those forms with the different political moments that Vietnam experienced in tandem with the outside interlocutors that were maintained during those periods As such this book provides a holistic view of the many forms of modernity and their global links that can be found in Vietnam over the course of the long twentieth century These multiple modernities are documented in this book and the authors do so by bringing together the strengths of traditional language based area studies scholarship with the insights that an awareness of trans national and global perspectives provides Relevant to historians and researchers in the broader arena of Southeast

Taylor,1999 For as long as the Vietnamese people fought against foreign enemies women were a vital part of that struggle The victory over the French at Dien Bien Phu is said to have involved hundreds of thousands of women and many of the names in Viet Cong unit rosters were female These women were living out the ancient saying of their country When war comes even women have to fight Vietnam Beyond Gerald E. Augustine,2021-12-07 Vietnam Beyond By Gerald E Augustine Vietnam Beyond is not only a photographic accounting of a soldier s time while serving in a front line unit in the infantry it is a study of human nature When rank has its privileges not only in the military but in civilian life as well you will learn how a person with power will use this power to his advantage over someone at his most vulnerable time in their life You will read how officers and sergeants use their rank to their benefit You will also learn how attorneys and even a senator used the legal system to their advantage when having control over someone when he is most vulnerable Vietnam Beyond is also a study of the criminal act of the spraying of herbicides by our government not only on the jungles of Vietnam but on the civilians and our servicemen as well The result tells of the after effects on the author and his family to this day And most of all Vietnam Beyond tells how a combat soldier endured traumatizing events that he brought home with him Those events drive him to be the best that he can be at whatever he encounters and to continuously defeat those demons *Vietnam Shadows* Arnold R. Isaacs,2000-04-14 Isaacs talks to the veterans unable to forget the war no one wanted to talk about He explores the class divisions deepened by a conflict in which the privileged avoided service that an earlier generation had embraced as a duty And he shows how the Vietnam Syndrome continues to affect nearly every major U S foreign policy decision from the Persian Gulf to Somalia Bosnia and Haiti *Seven Firefights in Vietnam* John A. Cash,1993-07 Based on official army records these eyewitness accounts of seven hellacious battles serve as a brief history of the Vietnam conflict From a fierce fight on the banks of the Ia Drang River in 1965 to a 1968 gunship mission this illustrated report conveys the heroism and horror of warfare Vietnam War Slang Tom Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War Troops facing and inflicting death display a high degree of linguistic creativity Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language War has always been an incubator for slang it is brutal and brutality demands a vocabulary to describe what we don t encounter in peacetime civilian life Furthermore such language serves to create an intense bond between comrades in the armed forces helping them to support the heavy burdens of war The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam a murky political basis for the war

widespread corruption in the ruling government untraditional guerilla warfare an unpredictable civilian population in Vietnam and a growing lack of popular support for the war back in the US For all these reasons the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War Assuming no prior knowledge it presents around 2000 headwords with each entry divided into sections giving parts of speech definitions glosses the countries of origin dates of earliest known citations and citations It will be an essential resource for Vietnam veterans and their families students and readers of history and anyone interested in the principles underpinning the development of slang
