Making Peace With Conflict Carolyn Schrock-Shenk, Lawrence Ressler, 1999-07-06 Does conflict still surprise and often overwhelm you Do you wish you had a better understanding of how to transform life s inevitable conflicts from problems to opportunities Do you wonder what power has to do with conflict Here is a practical guide to understanding and transforming conflict based on biblical and Anabaptist principles Over 20 noted authors shaped by many experiences and cultures tell of lessons taught by walking conflict s holy ground Some insights will be familiar some new and some able to trigger new conflict Study questions continue the conversation begun in each of 17 chapters and will help highlight the common ground as well as differences readers may have with authors and each other Making Peace with Conflict is a project of Mennonite Conciliation Service a program of Mennonite Central Committee U S Peace Skills Ronald S. Kraybill, 2001-03-02 Part of the Peace Skills Set this Manual is designed as atake home resource to support workshop participants as they return to their communities and both apply their mediation skills and share their insights with others It covers conflict analysis therole of mediation the stages of mediation communication skills and working with group conflicts and in cross cultural settings Living with Conflict Susan Robson, 2013-11-22 In Living with Conflict A Challenge to a Peace Church Susan Robson explores the discomforts and denials that can arise when an organization committed to doing good suspects that it is not living up to its declared aims This case study of Ouakers in the United Kingdom closely examines the challenge of living constructively despite ever present internal conflicts Drawing on ideas from contemporary organizational theory Robson's study points the way forward for Quakers and other value based groups Living with Conflict compares the evolution of the Quaker peace testimony to the experience of other peaceful churches in both their relationships to the wider world and how they handle congregational conflict It analyzes conflicts in small church congregations looking at triggers and responses past and present describing the consequences of challenging community narratives and creating counter narratives Students of peace and conflict studies organizational studies and the sociology of religion will find this study thought provoking Living with Conflict is also for anyone who has ever joined an organization they thought was welcoming and safe working together for the common good only to see it unravel into a flurry of acrimonious e mails slammed doors tears legal proceedings even tragedy Transforming Church Conflict Deborah van Deusen Hunsinger, Theresa F. Latini, 2013-01-01 Using real world case studies and examples Hunsinger and Latini helpfully guide pastors and lay leaders through effective and compassionate ways to deal with discord Proverbs in Communication: A conflict Resolution Perspective , Ambassadors of Reconciliation: Diverse Christian practices of restorative justice and peacemaking Ched Myers, Elaine Enns, 2009 Restorative justice refers to a social movement that seeks to repair interpersonal communal and social injustices without recourse to violence or retribution Volume two analyzes the contemporary terrain of restorative justice and peacemaking in North America and profiles the exemplary work of nine

practitioners who incarnate the scriptural vision in real life contexts of profound violence and injustice Vital Christianity David L. Weaver-Zercher, William H. Willimon, 2005-08-23 Challenge theses debilitating distinctions between spirituality and social justice by exploring the numerous threads that can and should connect these two components of Teaching Peace Through Popular Culture Laura L. Finley, 2023-11-01 Drawing from many holistic Christian living disciplinary areas this edited volume illustrates the many ways that popular culture can be used to teach peace and justice Chapters address such topics as teaching about racism domestic violence structural violence conflict analysis decolonization critiques of capitalism and peacebuilding showing how different forms of popular culture can be utilized to enhance student learning Contributors provide both theoretical backgrounds and concrete lessons using TV film music graphic novels and Organizational Conflict Josiane Fahed-Sreih, 2022-08-17 This book is a collection of chapters on organizational more conflict It discusses the different types of conflict and how to deal with them Whether it is a relationship conflict task conflict or process conflict dealing with conflict requires analyzing the organization and its members and finding the root cause of the issue Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates John Howard Yoder Mark Nation, 2006-01-05 John Howard Yoder 1927 1997 was a leading Christian witness against violence articulating a theology from his own tradition so powerful that it compelled people from many other traditions to take notice The war on terror the temptations of nationalism and the painful divisions between those who call themselves followers of Jesus signal our need to hear Yoder's voice again at the beginning of the twenty first century In his book Mark Thiessen Nation provides an insider's introduction to Yoder demonstrating how a committed Mennonite could also be profoundly evangelical in his witness and broadly catholic in his Christian sensibilities Taking us into Yoder s life and writings Nation explores Yoder s context his keen interest in the Anabaptist tradition his sustained engagement with other Christians and other faiths and his claim that pacifism is inherent to Jesus message Introduction to Christian Ethics Ellen Ott Marshall, 2018-10-30 All Christians read the Bible differently pray differently value their traditions differently and give different weight to individual and corporate

judgment These differences are the basis of conflict The question Christian ethics must answer then is What does the good life look like in the context of conflict In this new introductory text Ellen Ott Marshall uses the inevitable reality of difference to center and organize her exploration of the system of Christian morality What can we learn from Jesus creative use of conflict in situations that were especially attuned to questions of power What does the image of God look like when we are trying to recognize the divine image within those with whom we are in conflict How can we better explore and understand the complicated work of reconciliation and justice This innovative approach to Christian ethics will benefit a new generation of students who wish to engage the perennial questions of what constitutes a faithful Christian life and a just society Just War And Jihad R. Joseph Hoffmann, 2010-05 The articles collected in this volume represent the independent and considered thinking of internationally known scholars from a variety of disciplines concerning the relationship between religion and violence with special reference to the theories of just war and jihad technical terms that arise in connection with the theology of early medieval Christianity and early Islam respectively The contributors include Hector Avalos Charles K Bellinger Bahar Davary Carol Delaney J Harold Ellens Reuven Firestone R Joseph Hoffmann Judith Lichtenberg Pauletta Otis Gabriel Palmer Fernandez Laura Purdy Joyce E Salisbury Regina M Schwartz and Robert B Tapp In the present global and political climate the significant conversation about why religions provoke conflict and whether any religion is truly harmless cannot be ignored Taming Intractable Conflicts Chester A. Crocker, Fen Osler Hampson, Pamela R. Aall, 2004 Some conflicts seem to defy resolution Marked by longevity recurrent violence and militant agendas these intractable conflicts refuse to be settled either on the battlefield or at the negotiating table The longer they fester the stronger the international community s inclination to lose heart and to turn away But explain the authors of this provocative volume effective mediation in intractable conflicts is possible if the mediator knows what to do and when to do it Written from the mediator s point of view Taming Intractable Conflicts lays out the steps involved in tackling the most stubborn of conflicts It first puts mediation in a larger context exploring why mediators choose or decline to become involved what happens when they get involved for the wrong reasons and the impact of the mediator s institutional and political environment It then discusses best mediation tradecraft at different stages at the beginning of the engagement when the going gets very rough during the settlement negotiations and in the post settlement implementation stage Forceful concise and highly readable Taming Intractable Conflicts serves not only as a hands on guide for would be mediators but also as a powerful argument for students of conflict management that intractable conflicts are not beyond the reach of mediation Peace Research Abstracts Journal ,2006
