**Mathilda** Mary Wollstonecraft Shelley, 2020-12-22 It is only four o clock but it is winter and the sun has already set there are no clouds in the clear frosty sky to reflect its slant beams but the air itself is tinged with a slight roseate colour which is again reflected on the snow that covers the ground I live in a lone cottage on a solitary wide heath no voice of life reaches me I see the desolate plain covered with white save a few black patches that the noonday sun has made at the top of those sharp pointed hillocks from which the snow sliding as it fell lay thinner than on the plain ground a few birds are pecking at the hard ice that covers the pools for the frost has been of long continuance 2 I am in a strange state of mind 3 I am alone quite alone in the world the blight of misfortune has passed over me and withered me I know that I am about to die and I feel happy joyous I feel my pulse it beats fast I place my thin hand on my cheek it burns there is a slight quick spirit within me which is now emitting its last sparks I shall never see the snows of another winter I do believe that I shall never again feel the vivifying warmth of another summer sun and it is in this persuasion that I begin to write my tragic history Perhaps a history such as mine had better die with me but a feeling that I cannot define leads me on and I am too weak both in body and mind to resist the slightest impulse While life was strong within me I thought indeed that there was a sacred horror in my tale that rendered it unfit for utterance and now about to die I pollute its mystic terrors It is as the wood of the Eumenides none but the dying may enter and Oedipus is about to die **Mathilda** Catherine M. **Mathilda of Flanders, C. 1031-1083** Laura L. Gathagan, 2025-04-08 The first full scale scholarly treatment of Mathilda of

Flanders d 1083 duchess of Normandy and post Conquest queen of England In Norman England Mathilda s unique practice of queenship was robustly public It was characterized by an unapologetic embrace of both new and traditional institutions military lordship royal justice monastic foundation and ecclesiastical reform documentary initiatives and cultural networks Although she may appear only glancingly in the chronicle story sources of her day she is everywhere else governing in documents and charters articulating her identity in architecture expressing her authority through innovative custom made liturgies handing down juridical sentences and participating in the most fundamental theological issues of her day However unlike her husband William the Conqueror her impact and influence have not ensured her a place of centrality in modern memory This book redresses that imbalance Moving away from the traditional chronological approach to a woman s life its thematic chapters use the metaphor of Mathilda s body to center her actions creations and speech showing how Mathilda embodied power in a world often construed as primarily masculine It thus brings back into focus the policies she championed the strategies she pursued and the shape of her authority Palæontological Bulletin ,1924 **Mathilda** Mary Wollstonecraft Shelley,2024-10-29 In Mary Wollstonecraft Shelley s haunting novel Mathilda a young woman grapples with the shadow of a tragic past weaving a narrative of love loss and forbidden secrets that echo through the corridors of her mind Set against the backdrop of a stark and brooding landscape Mathilda s journey is one of introspection and resilience as she confronts the specters of her father s dark obsession and her own yearning for redemption Shelley s poignant exploration of isolation and the human condition resonates with contemporary themes of mental health familial bonds and the search for identity in a world that often feels indifferent As Mathilda navigates the tumultuous waters of her emotions readers are drawn into a world where the boundaries between reality and imagination blur challenging perceptions of morality and the nature of love This timeless tale rich with gothic undertones and philosophical musings invites readers to ponder the complexities of the human heart and the enduring impact of our choices Mathilda remains a compelling reflection on the power of storytelling to illuminate the darkest corners of the soul offering a mirror to our own struggles and triumphs in an ever evolving society The Cemetery Gang Barbara J. Rohlehr,2012-11 The events of this story occur in a cemetery on Stanley Street Niagara Falls Canada The main characters are five disgruntled misfit spirits who refuse to accept the fact that they are dead They are not fond of each other but owing to circumstances they are forced to spend most of their time in each other s company during their waking hours They spend most of their time at the Fat Lady s Tomb plotting and scheming how to escape their untimely entombment in the cemetery that endeavors to hold them hostage against their wishes due to their misfortune at having arrived there in the first place Do they escape Read on and find out The Collected Works of Gertrude Stein Gertrude Stein,2022-11-13 The Collected Works of Gertrude Stein is a comprehensive anthology showcasing the innovative and experimental prose and poetry of one of the most significant figures of modernist literature Stein s work defies conventional narrative techniques through her use of repetition fragmentation and unique structuring presenting a
