Teacher Educators Kathleen Lynch-Davis, Robin L. Rider, 2015-10-01 Originally published in 2004 A major focus of teacher  
 education is the development of preservice teachers However it should not be the only focus of those who work in teacher  
 education Educating inservice teachers is equally important and the conversation among those involved in mathematics  
 teacher education needs to include discussion of this group as well This conversation also highlights a need for professional  
 development for teacher educators and research on the development of teacher educators This monograph discusses issues  
 in educating all of these groups of individuals in an effort to continue the conversation among those involved in mathematics  
 teacher education
