[Edwin and Matilda: An Unlikely Love Story](#) Laurence Fearnley, 2007-08-29. I wonder why Edwin's mother left him, why his mother left, and mine stayed. I mean which is the more damaging, the mother who tells you she loves you and leaves, or the mother who calls you stupid and stays? This beautifully written novel by Laurence Fearnley is about finding love in the most unlikely of places. Set in the southern South Island, it describes the unusual bond formed between sixty-two-year-old photographer Edwin and twenty-two-year-old Matilda as their relationship grows in ways neither could possibly have predicted. I liked the look of concentration on his face when we made love. His hands moved gently over my body; it was as if he was turning the pages of some fragile book, the type of book that has tissue pages like an old-fashioned Bible. He reminded me too of a child learning to read. I pictured his fingertips tracing the words on the page, his lips mouthing the sounds. So intense was his focus, Edwin. I teased him. A good book. Also available as an eBook.

[The Mikado to Matilda](#) Thomas S. Hischak, 2020-05-29 In *The Mikado to Matilda* British Musicals on the New York Stage Thomas Hischak provides an overview of British musicals that made their way to Broadway covering their entire history up to the present day. This is the first book to look at the British musical theatre with reference to those London musicals that were also produced in New York City. The book covers 110 British musicals ranging from 1750 to the present day including the popular Gilbert and Sullivan comic operettas during the Victorian era, the Andrew Lloyd Webber mega musicals of the late twentieth century and today's biggest hits such as *Matilda*. Each London musical is discussed first as a success in England and then how it fared in America. The plots, songs, songwriters, performers and producers for both the West End and the Broadway or Off Broadway production are identified and described. The discussion is sometimes critical, evaluating the musicals and why they were or were not a success in New York. **Film Review**, 2008 **Matilda Effect**

Fiona Crawford, 2023-05-30 *The Matilda Effect* is the exciting, inspiring, sometimes infuriating and always colourful story of the Australian women's football soccer team, the Matildas, and their ultimately successful struggle alongside other women from around the world to compete in World Cup football. From the 1980s when women had to pay to participate in the pilot Women's World Cup to 2019 when the principle of equal pay for women players was finally accepted amid surging interest in their game, the voices of key figures emerge. A book at once about and not about sport and with a throughline of human rights and gender equality history. *The Matilda Effect* takes the reader out of the stands and onto the pitch into the team's hotels, buses, boardrooms and social media universe where positive change has been wrestled into being. [The Adventures of Tessie the Tugboat](#)

Eunice Pearl MacDougall, 2014-06-10 Tessie's adventures and characters were inspired by Eunice's real life travels, her family members, her pets and her best friend and travelling companion. Her imagination and wisdom through her writings are a delight to all. [Movie Menus](#)
