a history of violence Jamie confessed to the killing but declared that he had been provoked and therefore not guilty of murder as his wife had driven him over the edge Jamie's defence of provocation was successful and he is now serving a prison sentence for the lesser crime of manslaughter The woman he strangled the life from and buried in a shallow grave had no voice in court and no way of telling her story Silent Death tells Julie's story but also takes us into the disturbing wider situation how a killing took place in the comfort and security of a moneyed life how friends and family either didn't see or think they should be involved And it is the story of how a court case is about tactics and procedure first and justice second
