

Physician of the Iron Age, Goethe has done
his pilgrimage. He took the suffering human
race, He read each wound, each weakness
clear – And struck his finger on the place,
And said – Thou ailest here, and here.

Laurence W. Mazzeno

Matthew Arnold And Goethe:

Matthew Arnold and Goethe James Simpson, 1979 **Matthew Arnold and Goethe** , **Matthew Arnold and Goethe** James Bentley Orrick, 1970 Matthew Arnold and Goethe John G. Robertson, 1925-01-01 **The Influence of Goethe on Matthew Arnold** Jean Wenger Scherr, 1939 The Influence of Goethe Upon Matthew Arnold Charles Brewer Kestler, 1933 *The Influence of Goethe on Matthew Arnold* Josephine Maillet Rodes, 1975 Matthew Arnold and Johann Wolfgang Goethe Edith Louise Gardner, 1936 *Matthew Arnold* Laurence W. Mazzeno, 1999 Examines the critical reputation of one of the great literary critics From the publication of *The Strayed Reveller and Other Poems* in 1849 Matthew Arnold has been a figure of controversy who sparked decidedly strong and divergent opinions both about the quality of his artistry and about the ideas he espoused Not surprisingly a chronological reading of books and articles focusing on Arnold's writings reveals a century long civil war among literary scholars Focusing on studies judged to be most influential in shaping critical opinion of Arnold's poetry and prose *Matthew Arnold The Critical Legacy* explores the interplay between individual critics and Arnold's works and between one critic and another as they respond to Arnold's writings and the critical commentary There emerges an appreciation for the key questions that have captured the attention of Arnold's critics for over a hundred years Was Arnold a first rate poet or does he rank below the greatest figures of his century notably Tennyson and Browning **Matthew Arnold, Prose and Poetry** Matthew Arnold, 1927 *Matthew Arnold* Kenneth Allott, 1975 A readers guide to Arnold Arnold the poet lyric and elegiac poems Arnold the poet narrative and dramatic poems Arnold and literary criticism critical ideas Arnold and literary criticism critical practice Arnold and Clough Arnold's social and political thought Arnold and religion Arnold and the classics Arnold and Goethe _____ **Matthew Arnold, a Life** Park Honan, 1981 A detailed biography of the Victorian poet literary and social critic and essayist **Matthew Arnold** George Robert Stange, 2015-12-08 Arnold is among the most inaccessible of 19th century poets a fact of which he himself was well aware Asking a great deal of his readers he expected them to share his remote excitements and to follow his complicated intellectual processes This study of Arnold's major poetic ideas defines their philosophical backgrounds through close and sustained reading of many individual poems Professor Stange finds that Arnold organized his examination of life around these central ideas poetry nature self and love He also considers Arnold's work in relation to the philosophical and literary events and traditions of the continent particularly Goethe's lyrics and classical humanism Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Poems of Matthew Arnold* Matthew Arnold, Miriam Farris Allott, 1979 *Selected Letters*

of *Matthew Arnold* Clinton Machann, Forrest D. Burt, 2016-01-06 Contains a selection of letters from the English poet Matthew Arnold **Goethe and Patriarchy** James Simpson, 2017-12-02 This book traces the history of a complex sexual fantasy which features recurrently in Goethe's writings from his days as a student in Leipzig to the final years as Europe's most celebrated living poet Simpson shows how the young man's fantasy of innocent sexuality became an increasingly troubled one during the poet's first decade in Weimar Goethe began to recognize in it a submerged element the incestuous roots of desire Triggered by this discovery Goethe's imagination becomes increasingly analytic and diagnostic and startlingly prefigures the work of Freud Yet paradoxically Goethe's insight leads him to a triumphant reassertion of an innocent sexuality purged of those elements he identifies as diseased Central to *Goethe and Patriarchy* is a new account of the genesis of the first part of *Faust* which is shown to contain a record of Goethe's changing attitudes to human sexuality In particular Simpson is the first critic to demonstrate that the Gretchen episode is a deliberate Kontrafaktur of the patriarchal idyll of the Song of Songs The book explores numerous other Goethe texts and casts entirely new light on his creative imagination

Byron, Shelley and Goethe's Faust Ben Hewitt, 2017-07-05 The first part of Goethe's dramatic poem *Faust* 1808 one of the great works of German literature grabbed the attention of Byron and Percy Shelley in the 1810s engaging them in a shared fascination that was to exert an important influence over their writings In this comparative study Ben Hewitt explores the links between *Faust* and Byron's and Shelley's works connecting Goethe and the two English Romantic poets in terms of their differing intricately related experiments with epic In so doing Hewitt enters the three writers into a literary and philosophical dialogue concerning epic and tragic perspectives on human knowledge and potential perspectives crucial to the very structure and significance of Goethe's masterpiece and illuminates hitherto unacknowledged affinities between these key figures in Romantic literature and between British and German Romanticisms *Goethe's Faust* Denton James Snider, 1886 **"The" Works of Matthew Arnold: Discourses in America. 1896** Matthew Arnold, 1896 **MLN.** , 1928 Provides image and full text online access to back issues Consult the online table of contents for specific holdings
