read the story about Mary and Martha in Luke 10 38 42 Jesus used three words to describe Martha He said she was cumbered in verse 40 The basic meaning of this word is that Martha was distracted How easy it is to lose focus on all the important things He said she was careful in verse 41 The basic meaning of this word is that she was anxious He said she was troubled in verse 41 The basic meaning of this word is to be worried to the point of disturbed How many do these words describe them Jesus said one thing was needed and Mary had chosen it Just sit at Jesus s feet Matthew Henry's Concise Commentary on the Bible Volume 1 Matthew Henry, 2017-05-16 Matthew Henry s Concise Bible CommentaryOver 600 Pages of concise commentary on the Holy Bible from Genesis to Psalm 72 by a noted scholar **The Matthew Henry Commentary (1 vol. ed.).** Matthew ; Church Henry (Leslie F., ed),1961 Reformed Systematic Theology, Volume 1 Ioel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God Answering Jewish Objections to Jesus: Volume 1 Michael L. Brown, 2000-02-01 An honest fair and thorough discussion of the issues raised in Jewish Christian apologetics covering thirty five objections on general and historical themes Journey through Exodus Mike Newberry, 2023-03-27 In my years of studying the Bible I have found several spiritual principles to be very appealing I have read the promises about the possibility of being an overcomer In the seven letters of Revelation 2 and 3 one reoccurring thing is the promises to the overcomers If one thinks about it you can either be an overcomer or be overcome The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God's help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus A Legacy of Preaching, Volume One---Apostles to the Revivalists Zondervan, 2018-11-13 A Legacy of Preaching Volume One Apostles to the Revivalists explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing the preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today
