My Grandmas In A Nursing Home:

Packing Grandma's China Lana M. Tatom,2013-09-30 Somewhere along the way in life you start to listen to that little voice We are all on this journey together growing learning and changing As I stood in the kitchen of my dream home looking out on the still water of the pond I cried Warm salty tears streamed down my face as I told myself I could do this Just start with one box dont get overwhelmed Pack one box stay focused I started packing Grandmas china first As I packed the china set a flood of memories came of the countless times I had carefully wrapped up each piece and placed them into the box It was at that moment that I decided to write about this beautiful set of china all the experiences and lessons I have learned along my journey It is through my grandmothers journey that I have found my own strength and freedom Twenty years and thirteen moves later the china is the only set of dishes I own When was the last time you used your china What are you waiting for Dont leave it locked up waiting for a special occasion Make today the special occasion you have been waiting for In loving memory of my Grandma Veronica Billetz January 13 1922 December 13 2009 *From Darkness to Light* Danielle Sparacio,2011-03-22 My Grandma's Doll Tammy Hendrickx,2021-01-08 My Grandma s Doll is a story about a loving relationship between a grandmother and her granddaughter It s about sharing and listening to each other One day Grandma tells Tammy a story about getting her first doll and how it disappeared What happens next is for you to discover Donna M. Savage,2008-06-01 The author relates her experiences and emotions concerning domestic violence that occurred as a child as well as an adult and then what it took to escape the situation **Songs My Grandma Sang** Michael B. Curry,2015-06 In a conversation about his teaching and preaching style Michael Curry notes with a laugh that hymns and songs of faith were always a part of the mix I learned what I believed in the songs I heard my family especially my grandmother sing We sang our faith every day Out of that strong foundation Bishop Curry shares the music of his childhood the songs that have grown with him to shape an adult and vibrant faith He Uses It for Good! Mary Biever,2011-10-07 When Gods ready for me to tell my story Hell wake me up early and tell me to write it Mary joked The next morning she woke at 3 a m It was time After that Mary wrote every morning finishing her book in less than a month With rollicking adventures in the Bible Belt Louisiana Bayou California Mexico and the British Isles Mary shares her story As she overcame the challenges of a difficult childhood as the daughter of scandal she built a new life and family with her husband Richard Together they have survived many challenges the loss of a baby a nearly fatal high risk pregnancy and the burning of their home and family business Along the way Mary learned that God gives us second chances and helps us discover our own happy ending so we can help others He uses whatever happens for good PsychoBabbleJabble Kurt D LaRose,2021-02-09 This book will likely irritate every reader at some point One chapter is so bold it intones the good of a mother who kills her children The chapter does not say the murderous mother was a good woman or that she did a good thing it doesn t say that her actions should be without penalty or consequence The chapter suggests basically in a metaphoric and anecdotal ending

that the mother loves the ones she killed PsychoBabbleJabble is full of these kinds of challenges this book is written and designed to tackle human judgment My work as a therapist a clinician and as a helper in different settings and in different states even I am licensed in Florida the District of Columbia and Missouri plus with my hypnosis training all of these play a role in this writing The reader will see and experience the maneuvering of words each used to explain and help promote understanding in how people s judgments are formed Many judgments are those that I like to call terminal thoughts For some reason or another certain thoughts are seemingly non negotiable to the holder of them With terminal thoughts in mind we all have them I m able to using my writing go with the reader using their various lines of thinking as if their beliefs are absolutely true Then near each chapter ending I include an alternative and new perspective where a question about the once absolute belief is now wedged toward and in between a different belief Wedged meaning a small detail of alternative thought is strategically placed juxtaposition to a terminal thought that the reader once used or uses still maybe to hold up a rationale supporting truth By each chapters end the belief is jolted loose a tiny bit hopefully It is in that jolting where a belief becomes finally questioned and questionable This text contains my best writing and some of my best clinical recall All of my training is included in some way in every part of this text the hypnosis training kicks my writing up a notch Here using people s RIGHTNESS as an ally in shaping a new belief I contradict the old truth while valuing it in key and passionate areas of what might be called life and the people that make it so That s what I d say this book hopes to do to jolt loose just a little bit those absolute judgments we as humans may unknowingly without ill intent and possibly mistakenly hold as settled
