Moses Dorothy Kavanaugh, 2015-02-03 Moses is a major figure in Judaism and one whose teachings have been respected by many other cultures The Ten Commandments and other laws that Moses received from God on Mount Sinai helped to form the moral and legal framework for our modern civilization Moses is the archetype of a great leader He is driven by God's higher purpose but at the same time he tries to protect members of his community from divine wrath Throughout his life Moses worked not to enrich himself at the expense of others but to help all people to prosper Millionaires of the Bible Series The series Money at its Best Millionaires of the Bible examines the lives of key figures from biblical history The books in this series draw on the Bible and other religious writings as well as on legends folktales and the work of modern scholars to show how each of the people profiled used his or her wealth or privileged position in order to make a difference in the lives of others Jews and Anti-Judaism in Esther and the Church Tricia Miller, 2015-05-28 The biblical book of Esther

records an account of Jewish resistance to attempted genocide in the setting of the Persian Empire According to the text Jews were targeted for annihilation simply because of their Jewish identity However the story also reports that they were allowed to defend themselves against anyone who sought to kill them In the context of attempted genocide the message of Esther addresses a timeless and universal issue of justice that humans have the right and responsibility to defend themselves against those who intend to murder Jews and Anti Judaism in Esther and the Church shows how the anti Judaism that is a central feature of Esther relates to the contemporary issue of the contested legitimacy of the State of Israel as part of the ongoing Arab Israeli conflict In her outstanding book Dr Tricia Miller uses an academic approach to demonstrate the relationship of historic theology to current events concerning Israel for the purpose of encouraging Christians to support Israel's right to exist and defend itself against those who seek its destruction Demonic Bodies and the Dark Ecologies of

Early Christian Culture Travis W. Proctor, 2022 Demonic Bodies and the Dark Ecologies of Early Christian Culture analyzes how ancient Christians constructed the Christian body through its relations to demonic adversaries through case studies of New Testament texts Gnostic treatises and early Christian church fathers e.g. Ignatius of Antioch Clement of Alexandria and

Tertullian of Carthage This study demonstrates that the formation of early Christian cultures was part of the shaping of broader Christian ecosystems where nonhuman entities like demons played important roles in configuring Christians experience of their bodies and surrounding environments *Caesar Versus Pompey* Stephen Dando-Collins,2024-04-09 Who was Rome s greatest general statesman and nation builder Caesar or Pompey Few people have had as many words written about them down through the centuries as Julius Caesar the brilliant general who made Queen Cleopatra of Egypt his mistress He has captured the imagination of playwrights historians soldiers and emperors Little has been written about his ally son in law and eventual enemy Pompey the Great who crashed onto the Roman scene as a victorious twenty three year old general and who at the height of his career was arguably more famous more popular and more successful than Caesar *Caesar Versus Pompey* tells the parallel life stories of Julius Caesar and Pompey the Great as their lives and loves became intertwined and interdependent as they grew from rivals to partners then from joint rulers to warring foes One strove to preserve the Roman Republic the other destroyed it **In the Steps of Jesus** Peter Walker,2018-09-21 Millions of people across the world have heard of Jesus Christ but how many are truly acquainted with the key locations he frequented In the second edition of this established text Peter Walker shares the fruits of his lifetime s research and expert knowledge to present a rich and engaging guide to the historical aspects of Jesus world Following the chronology of Jesus life and ministry and drawing especially on the Gospel of Luke we move from Bethlehem to Nazareth to the desert and then follow him on his final journey from Galilee to Jerusalem In each chapter particular attention is given to what Jesus did in that location placing his ministry within its original historical and geographical context and raising questions of archaeology authenticity and the recorded evidence of later pilgrims and historians This new edition takes into account the archaeological discoveries of the last 15 years to provide an up to date guide to the Holy Land of today Using maps timelines and boxed features that highlight and analyse key topics *In the Steps of Jesus* is a rich and absorbing text that presents scholars at all levels of study with a unique insight into Jesus world Jesus and His Enemies Beck, Robert R.,2017-12-14 In this distinctive approach to the Gospels Robert Beck shows how each of the individual evangelists communicates his message about Jesus through the narrative structure of each gospel specifically how each gospel deals with conflict between Jesus and his enemies and how this conflict is resolved He offers an important way to discover how the Bible and the gospels in particular treat issues of violence force and coercion *Thera and the Exodus* Riaan Booysen,2013-02-08 Of all the volcanic eruptions that shook the earth two of the volcano on the Aegean island Thera modern Santorini are more important to the modern world than any other Not only did they lead to the formation of the people known as the Israelites but indirectly also gave birth to the god of Judaism Islam and Christianity The biblical Exodus of the Israelites from Egypt is closely linked to these two eruptions the second which occurred ca 1450 1410 BCE during the reign of Amenhotep III Egypt s golden pharaoh The fallout of the eruption caused a deadly plague to break out in Egypt and to appease the perceived anger of the gods Amenhotep ordered all

firstborn in Egypt to be sacrificed in fires His firstborn son Crown Prince Tuthmosis was first in line to be sacrificed but was saved from the fire in the nick of time an event recorded as the burning bush episode in the Bible Prince Tuthmosis became the biblical Moses and the events of that followed are now finally revealed
