New Danish Plays:

New Danish Plays Hans Christian Andersen, 1996 Jess Ornsbo's *Odysseus from Vraa* is set in a modern environment with characters shorn of any heroic and mythical qualities Set in late seventeenth century Denmark Seven Holm's *Lenora* is about Lenora Christina daughter of a Danish king and devoted wife of a traitor during her last years coming to terms with her faith and her fate *Morning and Evening* by Astrid Saalbach follows a group of characters through the course of a day observing their attempts to communicate with each other in a fragmented world where not even personality is fixed and actors can take on new roles which are yet vaguely reminiscent of the old The final work is Kaj Nissen's radio play *Fair Kirstin* an historical monologue spoken by a country girl who becomes the mistress of the king of Denmark

Modern Nordic Plays, 1973 The World of Theatre Ian Herbert, Nicole Leclercq, 2014-01-27 The World of Theatre is an on the spot account of current theatre activity across six continents The year 2000 edition covers the three seasons from 1996 97 to 1998 99 in over sixty countries more than ever before The content of the book is as varied as the theatre scene it describes from magisterial round ups by leading critics in Europe Peter Hepple of The Stage and North America Jim O Quinn of American Theatre to what are sometimes literally war torn countries such as Iran or Sierra Leone *Modern Nordic Plays, Denmark :Thermopylae*, 1974 **Ludvig Holberg: PLAYS** Bent Holm, 2023-09-08 Ludvig Holberg 1684 1754 is to Danish theatre what playwrights such as Shakespeare Moli re Ibsen Strindberg are to their national stages and the world stage During his lifetime Holberg was a major figure in European literature and thought In Denmark his work forms the backdrop to writers such as S ren Kierkegaard Hans Christian Andersen Karen Blixen The quality of Holberg's writing the

universality of his themes his understanding of stage and auditorium more than qualify him to resume his place on the international stage This third volume in a series of new translations presents Holberg s philosophical essay on the popular but not with the authorities masked entertainment of his day the masquerade Two plays then wittily expose and explore subtle negotiations around identity gender class generation each with particular focus on the mask as means of unmasking codes and conventions Epistle 347 is a philosophical take on the carnivalesque masquerade as being truer than the social roleplays under the paradoxical maxim that strictly speaking we are not truly masked except when bare faced In the play Masquerade a patriarchal master of his house sees his hierarchical world order under threat from the young generation and even his own wife enjoying useless masked amusements At the other end of the scale the servant pays no heed to rules and hierarchies Ultimately however they are all but pawns in a game of chance In the ironic harlequinade The Invisibles a young gentleman falls in love with an invisible masked lady This noble case of amour causes the servant Harlequin to reassess his own wholesome sensual relationship to his sweetheart Columbine and he finds their amour sadly lacking any sophistication His ensuing high flown attempts at imitating aristocratic courtesy cast an ambiguous light on the cultured protocols It is up to female intelligence to remove the mask from the illusion I never tire of reading Holberg s plays Henrik Ibsen 1869 The Concert-goer ,1902 **Danish Television Drama** Anne Marit Waade,Eva Novrup Redvall,Pia Majbritt Jensen,2020-08-04 This book explores how to understand the international appeal of Danish television drama and Nordic Noir in the 2010s Focusing on production and distribution as well as the series and their reception the chapters analyse how this small nation production culture was suddenly regarded as an example of best practice in the international television industries and how the distribution and branding of particular series such as Forbrydelsen The Killing Borgen and Bron The Bridge led to dedicated audiences around the world Discussing issues such as cultural proximity transnationalism and glocalisation the chapters investigate the complex interplays between the national and international in the television industries and the global lessons learned from the way in which screen ideas production frameworks and public service content from Denmark suddenly managed to travel widely The book builds on extensive empirical material and case studies conducted as part of the transnational research project What Makes Danish Television Drama Travel **A History of Danish Literature** Sven Hakon Rossel,1992-01-01 Volume 1
