New Diary:

The New Diary Tristine Rainer, 1979-07-01 The New Diary is about a completely modern concept of journal writing It has little to do with the rigid daily calendar diary you may have kept as a child or the factual travelogue you wrote to recall the Grand Canyon Instead it is a tool for tapping the full power of your inner resources The New Diary is as much for those who already keep a journal as it is for those who have never kept one It does not tell you the right way to keep a diary rather it offers numerous possibilities for using the diary to achieve your own purposes It is a place for you to clarify goals visualize the future and focus your energies a means of freeing your intuition and imagination a workbook for exploring your dreams your past and your present life It is for everyone seeking concrete methods for dealing with personal problems It is for women and men interested in achieving self reliance and inner liberation for artists and writers seeking new techniques for overcoming blocks to creativity
