New Eastern Europe Social Policy Past Present And Future:

The New Eastern Europe Bob Deacon, 1992-06-24 Sets out the main characteristics and shortcomings of the pre 1989 system of welfare Assesses the main problems of the transitional period and attempts to explain why the emerging system is initially at least often inadequate *The New Eastern Europe* ,1992 **Social Policy in Central and Eastern Europe** Alfio Cerami, 2006 By explaining the path of extrication from state socialism this book clarifies the patterns of the welfare state s transformation in Central and Eastern Europe It identifies the emergence of a peculiar Eastern European welfare regime through the fusion of pre communist communist and post communist features **Gender and Social Policy in a Global Context** Shireen Hassim, 2006-04-27 This book illustrates why both academic research and policy thinking need to factor in gender hierarchies and structures if they are to address some of the key challenges of contemporary societies the widespread informality and insecurity of paid work and the crisis of care **International Social Policy** Pete Alcock, Gary Craig, 2009-03-24 The second edition of this textbook provides an accessible and structured look at social policy in a global comparative context With detailed explanations of the historical political and social context of policy developments across thirteen nations the book offers an authoritative picture of social policy across the developed world The book considers core areas of policy provision alongside contemporary international concerns such as globalisation demographic change and economic reform Specifically it examines policy in the following nations USA Canada Australia New Zealand UK Sweden Germany Italy Russia Japan South Korea China South Africa Written and edited by leading social policy experts in each country this is an invaluable contribution to the study of global social policy and an indispensable resource for students researchers and policy makers New to this Edition Offers an expanded first chapter on welfare analysis Completely new chapters on China and South Korea Updates throughout that flag the latest changes and policy trends Explores and compares a variety of approaches to social policy **Central and Eastern Europe After Transition** Wojciech Sadurski, 2016-04-08 How have national identities changed developed and reacted in the wake of transition from communism to democracy in Central and Eastern Europe Central and Eastern Europe After Transition defines and examines new autonomous differences adopted at the state and the supranational level in the post transitional phase of the post Communist area and considers their impact on constitutions democracy and legal culture With representative contributions from older and newer EU members the book provides a broad set of cultural points for reference Its comparative and interdisciplinary approach includes a useful selection of bibliographical resources specifically devoted to the Central Eastern European countries transitions *The Handbook of European Welfare Systems* Sonja Blum, Johanna Kuhlmann, Klaus Schubert, 2009-12-16 This book provides the first comprehensive information and detailed data on the welfare systems of all twenty seven EU member states and offers the reader an invaluable introduction and basis for comparative welfare research The introductory chapter summarizes the actual debate about welfare states and welfare state regimes gives an overview on

current welfare state research and analyses the main recent developments necessitating a new focus on European Welfare Systems The twenty seven chapters on the welfare systems of the member states are written on the basis of a common structure by experts from the individual states An additional chapter analyses the current social and welfare policies of the EU and focuses on the interplay and limits between European and national social policies Two concluding chapters provide a a first comparative analysis on the basis of all twenty seven European Welfare Systems and b a theoretical reflection both arguing for and venturing the idea of politically limited pluralism in European welfare politics

Social Work and Social Policy Transformations in Central and Southeast Europe Maja Gerovska Mitev, 2024-02-26 This book provides a picture of recent developments in social policy and social work in Central and Southeast Europe especially trends after the COVID 19 pandemic which necessitated significant welfare modifications Through a comparative method the book draws analytical conclusions about the interdependence between welfare state reforms and social work practices in Central and Southeast Europe and provides an overview of future perspectives regarding social policy and social service provision in this region The book covers four EU member states Austria the Czech Republic Slovenia and Croatia and three EU candidate countries North Macedonia Serbia and Bosnia and Herzegovina By critically contextualising existing welfare state categorisations the book aims to examine the link between the welfare state reforms and implications for social work in Central and Southeast Europe The country based chapters of this contributed volume outline the context in which social policy and social work have developed and map the main changes in the welfare state since the transition from socialism elaborate the country specific welfare state discourse and discussions which through literature review depict the conceptual debates about the welfare state social justice equality poverty entitlements for cash transfer and services privatization and accessibility indicate the key challenges in social policy and social work and provide indications about the future perspectives of social policy and social service provision Social Work and Social Policy Transformations in Central and Southeast Europe addresses the scarcity of literature on social policy and social work in this region The book is primarily intended for social policy researchers and scholars and students in social work social policy political science and sociology It is an invaluable resource for researchers from all fields of social sciences and should provoke wider academic and professional interest The common themes of transformation restructuring and crises synthesized in excellent Introductory and Concluding chapters make the book an essential source for an understanding of contemporary policies and practices the complex role played by historical legacies and offer a model of what a comparative policy approach should look like Paul Stubbs Senior Research Fellow The Institute of Economics Zagreb Croatia

Transformation of Social Security Katharina Müller, Andreas Ryll, Hans-Jürgen Wagoner, 2012-12-06 This collection of papers focuses on the recent pension reform experiences in Central Eastern Europe while starting from a broader theoretical and empirical context It provides evidence for the political feasibility of radical pension reform considered unlikely in the West The approach is both multi disciplinary and cross regional The book contains

papers by economists political scientists and sociologists The authors come from Germany Poland Hungary the Czech Republic and the US The volume consists of four parts First general questions of transformation and social security in post 1989 Central Eastern Europe are addressed followed by an introduction into issues and role models in the international pension reform debate Then three Central European country cases are presented analysing institutional legacies recent reform measures and relevant political actors A comparative section on Central Eastern European pension reforms concludes this book **Central and Eastern Europe, 1944-1993** Tibor Iván Berend, 1996 An ambitious comparative analysis of Eastern Bloc economies during a period of revolutionary change
