Milestone Documents in American History-Vol. 3 Paul Finkelman, Bruce A. Lesh, 2008 A new series combining full text primary source documents with expert analysis and commentary **The New Income Tax Scandal: How the Income Tax Cheats Workers out of Million\$ Each Year and the Corrupt Reasons Why This Happens** J. Christopher Garrison, 2005-09-06 As a long standing annual reality Americans have come to view April 15 for one particular unpleasant significance the legal deadline to file their income tax returns unless of course they are in the ranks of those malcontents who defiantly refuse to fulfill this obligation Like most of us citizen tax reformer J Christopher Garrison avoids such self defeating tactics and pays due respect to all aspects of current tax law Nonetheless fearlessly exercising his right to free speech in his book *The New Income Tax Scandal* Garrison lays bare and denounces the shocking truth about the way the IRS has classified American workers under income tax law Armed with a comprehensive body of evidence Garrison filed suit against the IRS determined to raise the issue before federal courts His book documents the issue and the litigation that ensued This is the story of Garrison s futile and exasperating attempt to right a wrong The fact that the outcome was cynically predetermined by the government to fail makes Garrison s documented account interesting reading Hence and not surprising the attempt unearthed a trail of deceit distortion and hypocrisy perpetrated by those in government sworn to serve the people Anticipate a sense of outrage when you witness how the courts stonewalled Garrison and suppressed his evidence when you witness the courts duplicitous interpretation of constitutional law when you come face to face with the horrifying realization that all this was to cover up the truth that working Americans have been classified by the IRS in the same manner American slaves were classified beings who have no right to claim their bodily labor as their property Garrison cites State and Federal court cases including U S Supreme Court that have confirmed the legal standing of bodily labor as a worker s property Constitutionally protected under the Fifth Amendment Finally Garrison outlines a new tax system that he believes will remedy the problem he addresses *Our Right to Privacy-Hijacked by Government: The U.S. Government Consistently Violates "the supreme law of the land," the Constitution of the United States of America Revised and Updated Second Edition* Robert G. Beard, Jr., 2016-02-10 Why is privacy so important If you have done nothing wrong what do you have to hide You would be surprised With over 4 500 federal crimes on the books and over 400 000 rules regulations you are most likely and unknowingly committing three felonies a day According to law professor John Baker there is no one in the United States over the age of 18 who cannot be indicted for some federal crime Forget about the NSA spying on you Much more devastating is the Bank Secrecy Act of 1970 which was significantly strengthened after 9 11 This Act turned Banks and other financial institutions into spies for the U S Government in particular the IRS This book discusses specific reasons why the Founders placed the Fourth Amendment the right to privacy the right to be left alone by Government in the U S Constitution It highlights how Congress aided by the Supreme Court has trampled on this extremely important individual right Luckily
