New Jersey Coast Guard Stations And Rumrunners:

New Jersey Coast Guard Stations and Rumrunners Van R. Field, John J. Galluzzo, 2004 With its many inlets points and coves the coast of New Jersey stood out as a haven for rumrunners brazenly thumbing their nose at the federal government during Prohibition New Jersey was also recognized as the birthplace of the federal government's shore based units of the United States Coast Guard the organization charged at that time with stopping the flow of demon rum into America With its vivid images New Jersey Coast Guard Stations and Rumrunners revives the days when New Jersey's coasties stood toe to toe with the rumrunners of the 1920s and 1930s

American Dictators Steven Hart, 2013-10-25 One man was tongue tied and awkward around women in many ways a mama's boy at heart although his reputation for thuggery was well earned The other was a playboy full of easy charm and ready jokes his appetite for high living a matter of public record One man tolerated gangsters and bootleggers as long as they paid their dues to his organization The other was effectively a gangster himself so crooked that he hosted a national gathering of America's most ruthless killers One man never drank alcohol The other from all evidence seldom drank anything else American Dictators is the dual biography of two of America's greatest political bosses Frank Hague and Enoch Nucky Johnson Packed with compelling information and written in an informal sometimes humorous style the book shows Hague and Johnson at the peak of their power and the strength of their political machines during the years of Prohibition and the Great Depression Steven Hart compares how both men used their influence to benefit and punish the local citizenry amass huge personal fortunes and sometimes collaborate to trounce their enemies Similar in their ruthlessness both men were very different in appearance and temperament Hague the mayor of Jersey City intimidated presidents and wielded unchallenged power for three decades He never drank and was happily married to his wife for decades He also allowed gangsters to run bootlegging and illegal gambling operations as long as they paid protection money Johnson the political boss of Atlantic City and the inspiration for the hit HBO series Boardwalk Empire presided over corruption as well but for a shorter period of time He was notorious for his decadent lifestyle Essentially a gangster himself Johnson hosted the infamous Atlantic City conference that fostered the growth of organized crime Both Hague and Johnson shrewdly integrated otherwise disenfranchised groups into their machines and gave them a stake in political power Yet each failed to adapt to changing demographics and circumstances In American Dictators Hart paints a balanced portrait of their accomplishments and their failures

Ghosts Along the Navesink and Shrewsbury Rivers Patricia Heyer, 2020-09-14 The historic region between the Navesink and Shrewsbury Rivers has formed the basis for countless accounts of apparitions hauntings and unexplained phenomena For more than one hundred years reports have circulated that the ghost of merciless slave master Lewis Morris can be seen scouring Passage Point Plantation in Rumson with a gaping hole where his heart should be The frozen waters of the Navesink were a popular destination for iceboat sailing and many still claim to see the face of a drowned teen in the ice after a tragic incident in 1906 The native Lenapes and colonial Dutch told eerie tales of the

ancient forest of Ole Balm Hollow in Middletown including phantom riders and the echoes of crying children Local author Patricia Heyer recounts haunted tales of the two rivers peninsula **Millville Army Air Field** John J. Galluzzo,2011

Millville had always been known for its glassmaking but with the outbreak of World War II the community's identity was primed to change forever A private civilian airfield gave way to the creation of America's first defense airport the training ground for the U S Army's Curtiss P 40 Warhawk and Republic P 47 Thunderbolt pilots Bright and brave young men from across the country converged on Millville in the early 1940s to learn to fly and fight for freedom Some died in training others flew into history as heroes While in Millville they lived the average lives of the country's military men playing baseball flirting with the girls at the local USO dances and attending Sunday night dinners with local families creating lifelong friendships in a time when a young man's life expectancy was in the hands of America's enemies Cape May County, New Jersey Jeffery M. Dorwart,1992

New settlements appeared in the pine wilderness of the mainland and on the uninhabited Atlantic Ocean barrier islands These changes caused social and political conflicts and new development assaulted the fragile seashore environment Fishing and shipbuilding were key industries throughout the early history of Cape May County In addition familiar industries such as cranberry harvesting and nearly forgotten endeavors such as goldbeating sugar refining and cedar shingle mining played vital roles in the county's economic development Dorwart also traces the origins of the seashore resort industry through the history of the city of Cape May with its unique architectural styles and heritage as well as the founding of Wildwood Ocean City and the newer resort towns **Encyclopedia of New Jersey** Maxine N. Lurie,Marc Mappen,2004

Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey **Rumrunners** J. Anne Funderburg,2016-11-11

In 1920 the 18th Amendment made the production transportation and sale of alcohol not merely illegal it was unconstitutional Yet no legislation could end the demand for alcohol Enterprising rumrunners worked to meet that demand with cunning courage machineguns and speedboats powered by aircraft engines They outmaneuvered the U S Coast Guard and risked their lives to deliver illicit liquor Smugglers like Bill McCoy the Bahama Queen and the Gulf Stream Pirate along with many others ran operations along the U S coastline until Prohibition was repealed in 1933 Drawing on legal records newspaper articles and Coast Guard files this history describes how rumrunners battled the Dry Navy and corrupted U S law enforcement in order to keep America wet Naval History ,2020

Rumrunning in Suffolk County: Tales from Liquor Island Amy Kasuga Folk,2022

Nicknamed Liquor Island Long Island was rumrunner's paradise during Prohibition With its proximity to major markets and coastal communities for easy transit Suffolk County was awash in illegal hooch Smugglers bringing cases of booze from offshore often secretly hid product temporarily in local garages and sheds leaving a bottle as a thank you Coded communication crisscrossed the county on shortwave radios arranging sales and logistics Violence from criminal outfits disrupted previously quiet towns as locals too often were swept up in dangerous unintentional engagements with bootleggers Pour one out and join author Amy Kasuga
