New Conscientious Objection From Sacred To Secular Resistance:

The New Conscientious Objection Charles C. Moskos, John Whiteclay Chambers, 1993 Although conscientious objection is a long standing phenomenon it has only recently become a major factor affecting armed forces and society The only comprehensive comparative scholarly study of conscientious objection to military service this book examines the history of the practice in the Western world and state policies that have grown up in response to it It shows how the contemporary refusal to bear arms is likely to be secular and widespread rather than religious and marginal now including service people as seen in the 1991 War in the Persian Gulf as well as conscription resisters No account of civil military relations or peace movements in advanced industrial countries is complete without reference to conscientious objection and this book will be the standard text on the subject

The ^ANew Conscientious Objection Charles C. Moskos, John Whiteclay Chambers II, 1993-04-08 Although conscientious objection is a long standing phenomenon it has only recently become a major factor affecting armed forces and society The only comprehensive comparative scholarly study of conscientious objection to military service this book examines the history of the practice in the Western world and state policies that have grown up in response to it It shows how the contemporary refusal to bear arms is likely to be secular and widespread rather than religious and marginal now including service people as seen in the 1991 War in the Persian Gulf as well as conscription resisters No account of civil military relations or peace movements in advanced industrial countries is complete without reference to conscientious objection and this book will be the standard text on the subject

International Human Right to Conscientious Objection to Military Service and Individual Duties to Disobey Manifestly Illegal Orders Hitomi Takemura, 2008-12-14 International human rights law grants individuals both rights and responsibilities In this respect international criminal and international humanitarian law are no different As members of the public international law family they are charged with the regulation maintenance and protection of human dignity The right and duty to disobey manifestly illegal orders traverses these three schools of public international law This book is the first systematic study of the right to conscientious objection under international human rights law Understanding that rights and duties are not mutually exclusive but complementary this study analyses the right to conscientious objection and the duties of individuals under international law from various perspectives of public international law

Conscientious Objection to Military Service in International Human Rights Law Ö. Ç?nar, 2013-12-17 This book examines the right to conscientious objection in international human rights law It begins with an exploration of the concept of conscience and its evolution Ozgur Heval o inar analyzes human rights law at both the international and regional level considering UN European and inter American mechanisms

Ethics of Conviction and Civic Responsibility Yuichi Moroi, 2008 Despite a long history and tradition in the United States conscientious objectors to war have always been in the minority Only a handful of objectors dissented against World War I and II and their voices were never influential in respect to the state s war policy or public opinion This book examines the challenges posed by

conscientious objectors during World Wars by focusing on two main themes ethic of conviction and ethic of civic responsibility In this groundbreaking study author Yuichi Moroi asks How did conscientious objectors express their conviction in the case of the state s imperative for war On what basis could conscientious objectors define their civic responsibility and act upon it Ethics of Conviction and Civic Responsibility asserts that despite the tension between the individual and society as experienced by conscientious objectors there is a connection between them that holds a unique combination of conviction and civic responsibility

Preventing War and Promoting Peace William H. Wiist, Shelley K. White, 2017-12-14 Preventing War and Promoting Peace A Guide for Health Professionals is an interdisciplinary study of how pervasive militarism creates a propensity for war through the influence of academia economic policy the defense industry and the news media Comprising contributions by academics and practitioners from the fields of public health medicine nursing law sociology psychology political science and peace and conflict studies as well as representatives from organizations active in war prevention the book emphasizes the underlying preventable causes of war particularly militarism and focuses on the methods health professionals can use to prevent war Preventing War and Promoting Peace provides hard hitting facts about the devastating health effects of war and a broad perspective on war and health presenting a new paradigm for the proactive engagement of health professions in the prevention of war and the promotion of peace

The Routledge History of World Peace since 1750 Christian Philip Peterson, William M. Knoblauch, Michael Loadenthal, 2018-10-10 The Routledge History of World Peace since 1750 examines the varied and multifaceted scholarship surrounding the topic of peace and engages in a fruitful dialogue about the global history of peace since 1750 Interdisciplinary in nature the book includes contributions from authors working in fields as diverse as history philosophy literature art sociology and Peace Studies The book crosses the divide between historical inquiry and Peace Studies scholarship with traditional aspects of peace promotion sitting alongside expansive analyses of peace through other lenses including specific regional investigations of the Middle East Africa Latin America and other parts of the world Divided thematically into six parts that are loosely chronological in structure the book offers a broad overview of peace issues such as peacebuilding state building and or conflict resolution in individual countries or regions and indicates the unique challenges of achieving peace from a range of perspectives Global in scope and supported by regional and temporal case studies the volume is an essential resource for educators activists and policymakers involved in promoting peace and curbing violence as well as students and scholars of Peace Studies history and their related fields

Post-conflict Reconstruction and Development in Africa Theo Neethling, Heidi Hudson, 2013-10-01 Some of the bloodiest conflicts occur on the African continent An Afrocentric perspective is therefore a suitable starting point for research into the possible strategies for post conflict peacebuilding The authors of this book consider the problems around the concept of post conflict and the blurring of military and civilian roles analysing the UN roles in the DRC and Sierra Leone as well as the African Union Mission in Burundi The main context of the book however is the South African Army s strategy for PCRD in Africa which was developed with the African Union s 2006 Post Conflict Reconstruction and Development Needs Assessment Guide in mind This book emanates from this plan It therefore also explores South Africa s policy imperatives to integrate development projects and peace missions involving the military as well as civilian organisations While this book is not intended as an instruction manual it hopes to ignite an understanding of the particular processes required to develop a sustainable and cohesive post conflict peacebuilding strategy within the African environment [Encyclopedia of Military Science](#) G. Kurt Piehler, 2013-07-24 The Encyclopedia of Military Science provides a comprehensive ready reference on the organization traditions training purpose and functions of today s military Entries in this four volume work include coverage of the duties responsibilities and authority of military personnel and an understanding of strategies and tactics of the modern military and how they interface with political social legal economic and technological factors A large component is devoted to issues of leadership group dynamics motivation problem solving and decision making in the military context Finally this work also covers recent American military history since the end of the Cold War with a special emphasis on peacekeeping and peacemaking operations the First Persian Gulf War the events surrounding 9 11 and the wars in Afghanistan and Iraq and how the military has been changing in relation to these events Click here to read an article on The Daily Beast by Encyclopedia editor G Kurt Piehler Why Don t We Build Statues For Our War Heroes Anymore
